

PRA YER FOR THE SPIRIT

Yochana

I wait for your spirit to take possession, For You O G_d are my obsession

May You grant to me the spirit I need

To be your witness so all can see

Your great goodness and awesome power

Make me ready for that final hour

I trust dear LORD that you have my back

I trust dear LORD that you always have

May your hand be upon me too

Keeping me holy and righteous for You

I will pray for your spirit for in that I am poor

Please double my portion, I just want more

Forgive me for being so bold to ask

But I may need double to complete my task

Just like Moses in your presence LORD

Show me your glory, your spirit please pour

I see in creation what others do not

Supernatural events not to be forgot

PRAAYER FOR THE SPIRIT

Yochana

*You let me know by your word or dreams
Your messages for me and what they mean
Thank You for your blessings and grace
Bestowed on me, how I yearn for your face*

*Forgive my sins, they are never my plan
Please keep me in the palm of your hand
In the day of the pouring of your spirit
Remember me O LORD and how much I need it*

*On this vessel please fill me up
So joyously I can spread your love
That others may look more deeply for You
Yearning to have what I have too*

*May I be the messenger that you need
To resonate to others the truth they seek
Your Spirit Lord will do this through me
Your salvation for others to see*

*May I not neglect this holy task,
Just give me your spirit I please ask,
For only You know how these things should proceed
I ask in earnest I get what I need*
