

O Children of Zion rejoice in your King
In the godly assembly praise the LORD and sing

With clapping rocks, sticks and strings
Praise His name with dancing and tambourine

Yeshua is coming for His bride to take her
Let Israel be glad in the LORD their Maker

A new song to their LORD they will sing
A two edged sword in their hands they bring

He will take vengeance on the nations as written
Kings and nobles the punishment be given

Praise Him with the trumpet sound and shofar
Make melody to Him with singing and guitar

Praise God in the heavens and His sanctuary
Let the godly exalt in all His glory

For the LORD in His people takes pleasure
Israel, godly and humble are His treasure

All honor and praise to Him we bring
Yeshua our Savior, the Warrior King

He has returned to execute the judgment
And bring us salvation in abundance

Forever we will bring forth our praises
All honor to Him for His excellent greatness

All of Israel shall rejoice in their King
Let everything that has breathe praise the LORD and sing
