

I AWAIT

Yochana the Psalmist

I await our LORD – for He doth speak to me
I await the LORD – what He says it just shall be
Sometimes He doth tarry – yes the longing doth hurt so
But what our LORD doth instruct – this be how I go

Sometimes dreams and visions – but always by His WORD
I make the lovely aliyah – hoping correctly I have heard
G_D leads me in my aliyah – soaking in WORD so sweet
Leading me to action – keeping me on my feet

Counting all my days – revealed by Daveed's Torah
A tribute to my LORD – my KING my beloved YESHUA
Oh yes how He tarries – making me in faith to wait
But faithful is YESHUA – He never comes to late

Not everything I do - seems to turn out great
At least in short term times – and this is why I wait
For mortal speaks of now and never sees tomorrow
Faithfully I await – for then He'll show me how to go

Such strange things I'm told – yes they can be tough
Doing what I don't like – sometimes it be so rough
Not easy pleasing G_D – when mankind gets all ruffled
Yes it be always new – G_D my life doth shuffle

I AWAIT

Yochana the Psalmist

So I don't make grand plans – nor do I project
I await upon the LORD – to show me what is next
Walk by faith doth mean – that living G_D's WORD be
Scriptures come alive each day – woven deep inside of me

Strange as it may be – this be why I count the days
Orchestrated Scriptures – pointing out the way
Patterns do reveal the actions I shall take
G_D's WORD is so real – it be the life I make

Praise Thee G_D for talking – telling me what to do
Praise Thee G_D in Heaven – it is good I listen to You
Learning all the time – for it be about YESHUA
About the entire WORD – yes it be THE LIVING TORAH

Look in Scriptures and you shall find – this YESHUA said
WORD of life to move you – without It you be dead
If this be true and it is – then His WORD be oh so great
And in this truth be the reason – why upon our LORD I wait

Teach me LORD Thy ways – shine the light for truth
Let come alive Thy WORD in me – please give me perfect proof
Now I know Thou WORD is real – each day coming true
Oh YESHUA Thou be great – and I shall surely wait for You
