

A New Thing

Yochana the Psalmist

The prophets doth reveal – yes oh Heavenly word
Such pondering and wonder – once the truth be heard
Why the accompanying resonance - of a song to sing
When G_D doth declare – HIS new and awesome thing?

Song of the morning stars did play
G_D laid the foundations of the world that day
Oh yes indeed with new thing - there surely be no yawn
Get ready lovely singers – time to wake the dawn

Moses and Miriam and the children of Israel
Sang of wonders from Mitzrayim – done by THE GREAT EL
Yes there be judgments – they have a song as well
In Chronicles we see how the Earth doth tell

Such new things – G_D of Israel doth fight
Jehoshaphat and singers – holy beauty oh so nice
And what of seer Isaiah – the dead arise and sing
A new song to our G_D – HIS temple HE doth bring
Oh do rejoice so grand - for to Tzion returns the King
Such wonders and great joy – oh yes to finally sing

Oh happy Isaiah – so much to thee revealed
So much wondrous news – so many mysteries unsealed
Even G_D's salvation – oh such wondrous fame
For those of course the remnant – who go not by their own name

A New Thing

Yochana the Psalmist

Then there be the singing – for holy temple built
Pure and lovely sacrifices – never again to wilt
Let us never forget – when G_D HIMSELF did abide
Shekinah in Solomon's day – Israel so humbled and surprised

Zephaniah speaks of song – King is in the midst of thee
Zechariah – hears the song – nations shall come and join in glee
Yes new things be coming – foretold ago so long
Coming round again – can't you hear the song?

Be careful sleeping children - don't tarry – don't delay
G_D's new things you see – they always be at play
Jeremiah hears the song – destruction of Babylon so cruel
There be songs for all new things – even destruction of the fools

Ponder for a moment – ponder and be content
Songs to be sung aloud – for the joy and the lament
Common theme there be though – oh please see it in Torah
The songs be for the Master – the songs be for YESHUAH

From creation til this day – new things be about
The Holy One of Israel – to HIM we sing and shout
Heavens opened wide – did sing their song of peace
YESHUAH came as flesh –glory is and will not cease

A New Thing

Yochana the Psalmist

Consider all the patterns – consider Messianic prophecy
All the songs be coming – it's YESHUAH can't you see?
Arrival of the King – yes here HE comes to fight
Signs and wonders come with HIM – shining ever bright

Wake the dawn beloveds – sound thy voice and string
Arrives the Morning Star – a new song will you sing
Temple oh so grand – nothing can be silent
Heaven and Earth sing oh so loud – yes our LORD has done it

All patterns be fulfilled – again there will be song
So happy our YESHUAH – waiting ever long
Quicken lovely Spirit – get ready singing soul
Song of Lamb be sung so nice – symphony soon be whole
