

Oh so mysterious – yes LORD THY patterns
Shaking the pundits – putting their theories in tatters
So many believe the emergence of King Cyrus
But what about the rest of the pattern and all the other fuss

First did come the safety – Y'udah she was spared
Came the strong Assyrians – Y'udah she was scared
King of Bavel so nice – being glad for Y'udah's survival
Yet later we saw the pattern – King of Bavel's destructive arrival

First pattern it did show – Nebuchadnezzar came to destroy
Then came servant Cyrus – let them rebuild with so great joy
And now we see where Cyrus – looks to Jerusalem once again
What about Nebuchadnezzar though – patterns flipped on end

So lifted from the North – prepares the princes of sour mire
Readying for the battle is the maggot – King of Tyre
Still more all around – old hatred of Israel's ancient enemies
Convergence takes its shape – comes ALL the prophecies

Wilderness voice did cry out – harbinger of good news HE does come
Not for most however – planted were the remnant only some
Voice does cry again – harbinger again will HE arrive
Good News rides on the clouds – who will listen and survive?

A Time Such As This

Yochana the Psalmist

Harbinger was ben Yosef – blessed servant to the last
Harbinger this time be – ben Daveed coming fast
First HE came as “judgment” – not being one to judge
This time HE comes as ruler KING – HIS foot none can budge

Oh Jacob why the curse – Israel though be lifted
Pursue the new man name – mercy to him be gifted
Some call themselves by Jacob – others belong to the LORD
Others cleave to Israel – all hearing beautiful chord

Tis time when men are weak – he-goats, leaders they don't hear
Thinking they be in G_D's favor – yet still they have no fear
Who doth cry for harbinger – good news to beauteous land
Where be the wilderness voice – who doth make a stand

Speak to them in parables – prophecies do converge
Patterns will play out – now will come the surge
Look to all the prophets – they speak with YESHUA's inspiration
Together prophets converge – in the Book of Revelation
