Dear Philadelphia

A poem to bring you home

O Dear Church with so strong a number, please wake up, there is no time to slumber!
YESHUA is returning - soon He'll be back, will you be found ready, or will you lack?

The psalmist's pillow is wet with tears - wayward paths bring many fears;
For all the friends that forget the Torah - oh hear the call those of Philadelphia

Hear and obey this message for good, GOD demands this if you would.
For you to be righteous all throughout; there need be changes without a doubt

It's not about programs or members you show; holiness is how you must grow.
Righteousness is what's needed for you; the Torah will show you what to do

The psalmist personally knows your ways - at one time living them day by days;
But then in heart did a light shine - The Torah – His way – Oh so fine

YESHUA redeems, His salvation He brings; to those who are ready to live for the King.
Through righteous observance of His laws, this is how you can correct your flaws

Knowing that it's not just about the letter; but living Torah with love be the better.
Adding to mercy and grace what is right; lighting the way – shining the light

Without obedience and joining His fight; standing before Him will just be a blight.
YESHUA can cleanse all of your sin; hear the call of Torah, be obedient to Him

What our Bridegroom wants for you, is a heart that remains faithful and true.
To live in obedience to the Father above; that would be His definition of love

Don't you want to be the bride? All in white standing at His side?
The bride is adorned in white so fair; all holy and righteous, the regal pair

Oh please don't the psalmist's heart break; praying for friends to receive – to take.
The sweet sounding call of His Torah; beckoning home those of Philadelphia

For in this wedding feast of the best, will you be bride or just hoping to be a guest?
The guests are not so white, just friends of the Groom, not holy – not right

Saved by grace, is this all you feel? There is more He desires for you to be real.
Yes, His grace is freely given; to those who repent and change their living

Please children don't delay - don't faint; Philadelphia is the church of the saint.
Oh how the psalmist pleads with God all the day; that friends won't be swept away

Be like Magdala crying at His feet - There YESHUA with grace and mercy did greet
Accepting the heart – pure and repentant; weaving into her love for the covenant

Please seek the Torah filled life away from sin; then you'll be Israel - grafted in.
Holiness is what is desired for you; His Torah will instruct you on what to do

Eat what He says, if holy is your goal; He has holy rules - you should be told.
It's all in His word - easy to be seen; black and white print for you to be clean

His Law is not old or in antiquity; it is how He will judge all with equity.
He knows you're not perfect in everything; effort of heart is what you need bring

Just start with the ten, celebrate the Feasts; remember His Sabbath to keep.
The Son paid the price for all; we're redeemed by His blood - IF you heed the call

To live life repentant, following His ways; oh how glorious it will be on that day.
When before the King you will stand; to hear "Well done, you lived my commands"

The psalmist will continue to pray; for those of Philadelphia to find their way
Heed the call saints – it is time to repent; this is why Torah from Heaven was sent

Won't you turn psalmist's tears to a smile; please listen He is calling all the while.
Desiring that His own will heed the call; escaping those captured in the last fall

Oh my dear Philadelphia so sweet; grace and truth do surely meet.
With a heart that loves and lives Torah; is when you be in Philadelphia

For the church of YESHUAH is surely the church of the saint
Come home my friends the psalmist prays and won't faint!

Come Out of Her My People

To the Philadelphians in Babylon
Comes a message for you from beyond
From a heart and place in Philadelphia to you
Please listen - I will tell you what to do

Come out of her my people, God said
You have been entrenched in what is dead
For if you don't come out of her
Your end will be not what you prefer

The church across time became something lost
The Hebrew faith expunged, Jews paid the cost
You gave up the commandment - like Adam did fall
You gave up Moshe, and all of the laws

This Babylon is defined by pride
About lawlessness, she is no bride
She stands viciously against the holy covenant
Making the slumbering souls not to repent

Your Yochana cares so much for you
I was entrenched there one time too
God brought me out in joy and pain
Joy in Him but hurting all the same

To leave you and all that I knew
For something better, to be like a Jew?
Hebrew prayers and music all changed
Nothing of worship remained the same

Immersed in Torah, learning what is sin
Now I know far better how to serve Him
God wants us holy, that's not just a feeling
It comes by learning and praying for His healing

Yes, it is about the love, yes the love for you,
Of Yeshua, our God, and our neighbor too
But the love that Yeshua declared and demands
Would be for you to obey His commands

He said it clear and plain for all
"If you love me, obey My laws"
It's about a holy God and His commands
I pray crying so hard that you will understand

Please don't study just the new
The old is there for learning too
But for His goodness in you to come out
Chase after Torah, be clean and devout

You cannot say "I just believe"
Without knowledge, nothing is received
You can be blameless in His statutes
If you set your heart to learn the truth

The rules do not make salvation come
That is accomplished by Yeshua the Son
It's not just about what you believe it to be
But the effort in doing is what God really sees

To be to God, so willing to do
All His precepts laid out for you
He sees the doers with hearts circumcised
As those who love Him with opened eyes

We all wait for the day of salvation
When before Yeshua, appear all the nations
Salvation is not just a waiting game
Without chasing righteousness, the wait is in vain

For the LORD is righteous, His rules give light
Tremble in fear, pray you get this right
The wicked do not seek but condemn His law
Please pray for open eyes, meditate in awe

Please heed the call the time is near
Live the commandments, God you should fear
The ones who will be waiting for Him
Are performing His statutes until the end

My strong desire is no thing you should lack
Follow His Torah, God has your back
Yeshua is the living Torah, Word in flesh
Only He can save and be your righteousness

Come out of Laodicea please listen to me
The church of Philadelphia is where you should be
To that place of both the truth and grace
The place where together we seek His face

To His laws incline your heart
Genesis is a good place to start
Then to Revelation you should read
His Holy Spirit will provide what you need

That His Word, alone should stand
His story, His songs and yes His commands
You must learn how not to sin
Learn what things are pleasing to Him

Understand the greatest gift given to thee
Was the sacrifice of Yeshua on the tree
His perfect blood atoned for your sins
Oh please repent and turn to Him

Lay aside the doctrine of man
His Word should be your only command
All that is needed is there for you
In His scriptures, all the way through

Make a new life apart from sin
In Philadelphia is where you can begin
To live this new life listening to the Lord
With those who love and obey the Word, His sword

God has loved you through all time
In His promises you'll find new life - a sign
Please come out - this is my urgent plea
Be no longer immersed in Laodicea

Come out of her my people, Philadelphia please do
Yochana and others are waiting for you
This is not difficult but it is a life or death task
Don't you want to be first, not last?

Babylon will not repent and God will never fix
Please listen Philadelphia, with Babylon you can't mix
Come out of her His people, you that are my friends
Please don't stay in Babylon, such a frightful end

So often, for you all do I pray
Asking God please show them the way
Please know that the times now be in season
Messages to Philadelphia I send, for this reason

A PLEA TO LAODICEA

O you saints in Laodicea I just yearn for the day,
When you come out of Babylon to stay.
To Philadelphia, where you truly belong;
Worshipping G_d with praise and song.

Living the Torah and loving Yeshua;
May this truth be in you forever.
Hear my words, I am calling you out;
I know only the Father can bring this about.

For this is the way in which the Father works;
Using His vessels here on earth.
To spread the truth and His love;
To the poor in spirit, He fills them up.

The evil one desires to stop my message;
But for your sakes I will keep expressing.
The words and music you need to hear;
May the LORD open your hearts, and ears!

To Philadelphia you must come with haste;
Leaving Babylon behind, no time to waste.
I pray dear church you would now listen;
Please come out of her now all you Christians!

A circumcised heart is what you are needing;
Please know to the Father for you I am pleading.
That you would turn back from the delusion;
Leave Babylon behind and all its confusion.

How G_d's word and ways it did confound;
The resonance of truth it did drown.
You must understand Babylon is no place to be;
That being the Church of Laodicea.

For Yeshua is calling you back to Him;
To live a holy life apart from sin.
His Torah spells it out so clear;
What you should do and whom you should fear.

Babylon draws so many saints in;
Just wanting G_d's people to partake in her sins.
My heart is breaking for you and I pray;
Come out of her and don't suffer her plagues!

Babylon is filthy and abominations reside;
Sin overflowing, unrighteousness and pride.
It is the habitation of this wicked generation;
Please repent of your sins and seek separation.

The Church of Philadelphia to you is beckoning;
May you come out before the day of reckoning.
Yochana is here to sound the warning;
Yeshua is coming, the nations are churning.

I feel for you as I also once knew,
The church in Babylon was where I grew.
Little by little the truth slipped away;
Making the church what it is today.

Empty on obedience, a Savior not a Jew;
A false Messiah, not Yeshua true.
For Yeshua is obedient to all of G_d's ways;
Being our example to follow and not stray.

Yeshua came as a lamb seeking Israel lost;
He loved them so much, with His life paid the cost.
He gave it for them so they could then find;
Life eternal with Him, in His kingdom reside.

Where holiness counts, a way of life for sure;
It's living in righteousness, keeping yourself pure.
Yeshua and the Torah are all the truth you need;
May you come to Philadelphia, this I plead.

For Babylon has sold you a lie;
For centuries it grew no one questioned why.
The enemy just doesn't want you to see;
What's wrong with your church in Laodicea.

The money, the crowds, what is your purpose?
Some of your worship to G-d is a circus!
The service sometimes is full of chaos;
The Prince of Shalom will have none of this!

Falling and writhing on floors so profane;
That's not from G_d, not through His name.
This is not what worship should be;
Do you really think that is holy?

Don't you know how many saints there have died?
The Harlot has martyred them all in her pride.
You are drunk on the wine which she is giving;
You've bought into her lies and now need forgiving.

You say you are rich and have need of nothing;
Neither hot nor cold, but lukewarm is not a good thing.
You really are poor, naked and blind;
Open your eyes and leave Babylon behind!

You have focused on money and material desires;
G-d so wants you refined as gold in His fire.
For you HE loves and desires to chasten;
Repent of these sins, Laodicea please hasten!

I yearn for you to look deep within,
And how you have slowly partook of the sins.
The Harlot has destroyed all of G_d's laws;
The church bought in, that is its flaw.

Babylon's death is coming all in one day;
Famine, burning and mourning of plagues.
So you see how urgent it is to flee?
Get out of Babylon and Laodicea!

Laodicea please come to your senses;
Away from Babylon and all her offenses!
For you are still so special to our LORD;
I am calling you to Philadelphia with heart outpoured!

Now is the time to get things right;
Come out of her into Yeshua's light!
The living Word, rules proclaimed;
Live life in obedience no longer profane.

To repent and desire to be made new;
Yeshua our Savior is waiting for you!
G-d calls you to be zealous for all of His ways;
So you'll be clothed in white on that day.

Please understand what all this means;
You must come out now and be made clean.
Holy and righteous following Torah;
To be made ready when Yeshua comes for us.

Then you'll know without doubt,
Why my zeal in calling you out.
For that day may we all be in one accord;
All of Philadelphia with our LORD.

Woe To The System

My heart is sad because of the system;
Which has lured God's people into no submission.
It's succumbed to manmade feasts and times;
Ignored the Holy One's rules in such sublime.

The system is steeped in lawlessness,
That be Babylon's sweet caress.
Stay with her, the harlot has sworn;
All of God's laws she will scorn.

The anti-messiah is at work in her too;
Hiding from many the Messianic truths.
Messiah did come, the sacrifice lamb;
He's returning again to rule the land.

Babylon has its hold on you;
Come out of her is my call so true.
God has commanded His Holy Days and Feasts;
You pay no attention to them in the least.

You have replaced them with days of your own;
This is from the adversary, his seeds were sown.
To lead God's people ever astray;
To keep them from celebrating His Holy Days.
Come Out of the System Yochana bat Zion

Those special times all in His seasons;
Blessed and holy and all for good reason.
All things in His time, true worship experience;
Babylon has lured you into disobedience.

My LORD is looking upon you forlorn;
O that more would heed this warning!
Come out of her and study His word;
From beginning to end is what is preferred.

The return of Yeshua is clearly at hand;
There's little time left for you to understand.
The adversary, anti-messiah has ruled over you;

Conniving, convincing that there be nothing to do.
But be saved by grace, that's all you say;
Things don't happen quite that way.
You are deep in the error of lawlessness;
O please come out of her and beg forgiveness.

If the righteous are scarcely saved;
What will be your outcome on that day?
Study the Torah, meet Your Messiah;
So to be ready for that day of fire.

The trumpets will blast, shofars will sound;
God's people will know and not be confound.
By this spectacle, frightening as it seems;
Will you be saying what does this mean?

Yeshua the Judge is right at the door;
Removing the chaff from the threshing floor.
He is coming to clean up the earth;
The places of worship is where He'll go first.

The judgment is based on Moses you see,
Whether Jewish Synagogue or Church in Laodicea.
The Law of His is our guide for living;
Yeshua the Savior is for our forgiving.

Only the church of Philadelphia will stand;
Where the flames of righteousness be fanned.
In order to be with this so small a band,
You must come out of Babylon's hand.

All your doctrine and Talmud too;
Don't you see they're just not true?
Manmade is not what a Holy God demands;
He wants obedience to His own commands.

You should not add or take away;
From His holy Word, the scriptures say.
Just be dependent upon the Word;
Pray for understanding to emerge.

There was time not so long ago;
When I was missing what was needed so.
My God called me out and I did heed;
Now forever out of Laodicea.

I immersed in the Hebrew and learned the Law;
My faith in Yeshua ever the more.
As I traversed the Torah, week by week;
Even more clearly did Messiah I see!

I cannot express my joy in doing;
Shabbat and Feasts, His times pursuing.
O the pleasure given to those;
On His appointed times, blessings bestowed.

Please hear my heart crying for you;
Both church going friend and fellow Jew!
There is only one remnant left in the land;
For Yeshua and commandments they take a stand.

Those are ones Yeshua will see;
Waiting, persevering so holy.
Anxiously awaiting His return;
For His kingdom come they will yearn!

Turn To YESHUA

I have an important story to sing;
Of my Yeshua, the coming King.
I think of those who do not yet know
Of the Messiah returning and how things will go

They must first hear in order to believe
To turn away from sin and to Yeshua cleave
For so many years have already gone by
Time is short, stars are aligning in the sky

Through signs and wonders He makes Himself known
Eyes and ears open, I can recount what He's shown
Angels, music and shofar sounds
The veil was lifted, heaven abounds

But only for those who choose to receive
Not all will see, not all will believe
The realms do converge when the prayers of the saints
Go up like incense, to the Father He waits

Searching the earth for the righteous ones
Those who are righteous because of the Son.
Who have faith in Yeshua, not afraid to do
Working for the kingdom, so all can be made new

Yeshua proclaims the Kingdom of Heaven
He is salvation for those who would have Him
Israel His people belong to Him
He chooses His own, He can forgive their sins

O what a path to glory I've found
I wait for the day the trumpets will sound
The blasting, the shouting will loudly proclaim
"The King is coming, Yeshua is His name!"

Now is the time to make a decision
Cry out to Yeshua soon all will see Him
Be immersed in living water, washed free from sin
Start your new life and live only for Him

Read through the scriptures, to Him you should pray
Father through His Spirit will give you words to say
Yeshua brings punishment and rewards when He comes
To pay back all according to what they have done

The Alpha and the Omega is coming real soon
The First and the Last, He is the Bridegroom
Repent now, right from your heart
Obedience is the good works scripture talks about

For Yeshua was the most obedient Son
Doing Father's will, getting it done
True faith is an action, it must be seen
Following commandments is what this means

So please listen, those who be chosen
Turn to your G_D, return this moment
Salvation will only come through Yeshua
When he returns and makes all things new

Believe in Yeshua follow the Son
Believe in the scriptures and all G_D has done
For the words on those pages are your very life
They will bring you to holiness, make everything right

The Yom Teruah days in the past
Heralded Kings with the trumpet blasts
The return of the King Yeshua be soon
Could come about on Yom Teruah, the new moon

Repent from sin and follow His ways
If you want to be with Him in that new day!

Repentance Time

Oh ponder Him people the One amidst seven candles
Author of creation – everything He handles
The Alpha and Omega listen – do make haste
Holiness and Righteousness he wears around His waist

His head and hairs they be so pure white
Eyes a flaming fire – He is ready to fight
He is burnished as brass but no time to rejoice
He comes in judgment with His thunderous voice

Oh Ephesus thou has labored so strong
My Name thou has kept in thy song
But the first love – the Torah thou hath lost
Losing thy candlestick – oh what a cost

For Smyrna – oh yes I be alive quickened so fast
I am Yeshua the first and the last
Yes I did require that you suffer much for Me
But thy works stand as light against false church blasphemy

As for Pergamon some have kept my Name and word
But I shall come and with Me shall be my sword
False doctrines and riches of Balaam thy shepherds so desire
When I come things shall be oh so dire

Now Thyatira My real believers work tzedakha and love
But true faith and obedience away do the leaders shove
Oh Jezebel thou with haSatan are surely in league
Thy ways make the High Priest come to fatigue

Woe to Sardis yes thou are asleep
Thy works are really nothing to keep
Like a thief in the night to you shall I visit
Thou are as dead – thou shall miss it

Bless Philadelphia – these who have both
My Name and My torah – in white shall I clothe
Thy works shall I present behind the Heavenly door
Though you be small – I shall bless all the more

Oy to Laodicea – thou are nothing but lukewarm
Ready thyself for I shall come as a storm
There be nothing in thee that I want for Me
I shall testify against you – just wait and see

Your Yochana is trying to let you see
How seven churches have passed – but they still be
Oh how Laodicea remains guilty and does not repent
They listen not to the Heavenly messages that are sent

In one generation all sin shall be filled up
Oh please listen for G_D's wrath overflows its cup
So much rhetoric and purported faith – yes it be loud
But you be nothing more than the popular crowd

But then again there shall be the clean – the few
Persecuted for My Name and My Torah too
But I am the faithful witness and I shall confess
Their innocence before Me – to my Father I profess

Oh please listen – the psalmist does call out
With everything she has – she does resonate and shout
So much suffering for false faith – will come the pain
Please be faithful – there is so much to gain

The things that are needed – of what to repent
Have been revealed by Heavenly message sent
Thou hast forsaken the Torah – in the Ephesus day
Left the roots of Israel – went your own way

To follow the doctrine of Balaam chasing goods
Mingling in pagan practices – just because you could
Playing politics instead of being faithful and true
Just looking to keep fannies and wallets in the pew

Ultimately becoming ignorant and dead declares the Lord
Oh please turn back- repent – this guilt you can't afford
Oh please see and taste the goodness of G_D
For the remnant who upon His Name and Torah won't trod

To begin there is the life-tree in paradise
How wonderful no second death – no surprise
And what of the great crown of life to receive
For you hidden manna Yeshua will retrieve

How lovely to receive your stone – your new name
To be clothed in white – the raiment without shame
And rule with Yeshua over the nations afar
Oh to receive Yeshua – the bright Morning Star

Still more your name be in the book of life – how great
Yeshua shall confess thee to the Father – oh what a fate
Made to be a pillar in the Temple of fame
Circumcised with the Father's, Yeshua's and the new City's Name

Oh yes to be echad – all as one singing special chord
Forever praising and worshipping our Beloved Lord
Please see how the Lord does want to bless
Giving those elect His blessing oh so best

For those that repent and can overcome by Yeshua's power
You shall be His delight – His beautiful flower
Can you feel the psalmist's urgent plea
Yeshua is coming – won't you listen to me

Psalmist's heart is breaking each and every day
Please don't let anything get in your way
Turn back to G_D – do it right now where you are
Let today be that day – tomorrow be ever so far

Yochana is praying for you – oh please do listen
So much shalom and joy you don't want to be missing

Idol-a-Tree

In G_D's WORD we look - all throughout we see
Is the horrible blight on men - sin be idolatry
Even from the start - no escaping the test of the tree
All humanity did fall - all were there yes you and me

We see how trees be beautiful - wondrous even more
Blessings given from G_D - from trees do blessings pour
But quickly did spring the "Asherah" - set up in high places
Idol trees were raised up - profaning Heavenly faces

So spiral through the ages - idol myth and legend
Down the idol path - ancient man did us send
Seeking all their knowledge - pine cone and third eye
Such idolatry - doth make this Psalmist cry

But now the idolatrous knowledge game - gives way to modern guff
Under the idol tree - mankind worships stuff
Let us revel in our things - let us gather around the tree
Let us get all that we can - let our stuff just make us free

Do the sons of men consider - what this tree thing be about
Was your christmas celebration - made so the holy thou can flout?
Bring your children under it - bring them sound the call
Set them up around the idol tree - set them all up for the fall

There be so much to say - this tree thing be important
G_D's WORD tells us so much - about the holy covenant
Man be like a tree - bearing produce bad or good
If thou be an idol tree - thou be cut down to burn as wood

Would thou not be like the willow - standing firm beside the stream
Giving Heavenly produce - sending light out as a beam
Please consider wisdom - G_D's WORD it doth teach
Be the willow by the waters - the Psalmist does beseech

Who doth light the candles - upon the Chanukiah
Who doth bless the light - who really worships our YESHUAH
Our LORD of LIGHT doth beckon - dedication makes us fine
This Psalmist she doth call out - YESHUAH's light doth shine

Put away the idol tree - listen to G_D's ways
Shed the pagan practices - it be idolatry at play
Harmless it may seem - deep down treachery doth fester
Burn the christmas idol tree - Chanukkah's light be so much better

We see where there is idol trees - they be all around
And in the sons of men - doth idolatry abound
Break the Psalmist's heart - sons of men thou do
All throughout this season - Yochana prays for you!

Yirat HaSHEM

Who doth not fear THEE G_D most high
Who doth not squirm and upon the pillow cry
Oh how knowledge of sin upon soul doth tare
All would be lost without our High Priest there

Pray YESHUAH declared - pray to withstand
The glorious coming of the Son of Man
Yirat HaSHEM is the beginning of wisdom
Oh please listen - for soon comes the kingdom

Even belief and the joy of grace
Doth not stop flowing tears from the face
For all fall short of the glory and requirement
Who claims to be righteous - according to the covenant?

Oh YESHUAH come and save me yet again today
I fear only Thee - Thy power and Thy way
Love me all over - tell me what I do wrong
Weave into me Thine obedience song

Oh the fear and terror felt for those
Who keep their ears, eyes and hearts closed
Psalmist prays so very much for self and others
Hoping that more become sisters and brothers

The Talmid revealed it be a terrible thing
Put before a righteously angry ELOHIM
Oh please be afraid - now be the time to repent
Oh how death – doth hover and not relent

It is good to fear G_D most high
Of judgment's storm HE be the eye
Seeing all things - nothing be hidden
Please relent - let thy soul be smitten

Think not Yeshua be only blind love
Never changing is HE - righteousness from above
All things done in life shall be reviewed
Oh who can withstand such - any of you?

Please repent for real - don't think thyself exempt
You say you be saved - will you be found unkempt
Who hath ascended into Heaven to see
In the Book of Life - whose names there be?

Onslaught surrounds us each and every day
Pulling us harder - to drift and stray
Who doth not drift some - who walks only straight
Please repent - cry thy tears - before it be too late

Confessions to High Priest - we must present
Oh Psalmist pleads - I shall never relent
For offerings be made in accordance to HIS days
Don't question ELOHIM - who can no HIS ways?

Oh LORD please never away do take
Thy RUACH - only for THY name's sake
Who shall praise, sing, worship and serve
If all of humanity receives what we deserve?

Yes indeed Yirat HaSHEM be a good thing
Psalmist loves even the conviction HaRUACH doth sing
For in conviction to HIS altar can we run
Seeking mercy and grace by Yeshua the Son

Our ELOHIM be both the storm and the calm
Yochana prays more run to HIS palm
Where G_D doth surely thee engrave
Thy very soul - for Yeshua to save

Please hear Yochana - terror doth resonate
For so many doth death's sting await
Tears flow from this psalmist - falling on my pillow
Will thou be the chaff or a sure standing willow?

There be no wisdom where there be no fear
ELOHIM knows if thou doth shed tear
Open thy hearts - resonate and sing
Kiss the Son - before judgment HE brings

Song of Ephesus for Today

To G_D's people who do trust – Mashiach YESHUAH is the mount
Oh yes HE is the ONE – upon WHOM daily saints do count
G_D chose saints long before time – they shall be clean in HIS Torah
Those who be of HIS realm – those destined to be “Haya”

Just to bring HIM praise – commensurate with glory of HIS grace
Oh how soul love burns – to love face to face
For revelation doth prevail – truth of G_D yes HIS
Destined to be delivered – the right time such as this

For HIS Kingdom shall be grand – destined to really thrive
Now be time to consider deliverance – who will and won't survive
For promise of inheritance – be for those who trust and believe
The call is just a call – chosen be for the few who do receive

Partition wall be broken – now the realms converge
It be the saints who discern – how G_D's plan now doth surge
For breadth, and length, and depth, and height – yes Paul gives a clue
Can survival realm be measured – Psalmist calls out to you

Community be outfit now – with signs and gifts to take
All the parts and anointing be given – to withstand when all things shake
Each to play their part – for no part indeed be small
Love of brethren doth abound – blessings upon one and all

Knowledge of G_D it doth descend – RUACH be Heaven's rain
Revelation of YESHUAH – Psalmist cannot refrain
To speak of G_D's great mysteries – crying out to all the saints
For tribulation be unfolding – be strong and do not faint

Don't listen to those who say – we be surely saved
If there be no holy love of the gifted – they be headed for the grave
There be no visits to Heaven – no one but YESHUAH before the throne
Haya realm be coming to Earth – Psalmist has been shown

If thou doth inherit from YESHUAH - thou can surely redeem
Authority to take from old man – even mortal time to Paul it seems
Who doth consider this mystery – again the Psalmist asks
Redemption of the wicked days – still a slave but now to holy tasks

The HaGOEL doth give thee – chance to be new man
Chance to battle the old – wicked powers can you understand
For slaves we now must be – to idolatry or to MESSIAH KING
If RUACH doth be dwelling – holy soul love thou shall sing

Oh how funny it now seems – how things to G_D can be so true
When to temporal mortal man – we laugh without a clue
So many who seem to stand – shall be sorely swept away
Messiah says HE never knew thee – soon will come that day

Oh please do make the Aliyah – an “olah” be thy song
Let G_D’s SPIRIT Sword do lead – down the path so long
For YESHUAH doth reveal – to men the FATHER’s will
Psalmist doth cry out – while little time there be still

Yes Ephesus song be heard – another Prophet message brings
Psalmist doth remember now – the message she doth sing
Convergence of all realms and things – oh yes there be one bull’s eye
Thou cannot miss the mark – if be in thee YESHUAH chai

Against wicked principalities and powers – the Psalmist takes a stand
There be no choice of course – this be YESHUAH’s command
Oh Ephesus thy first love – oh yes where be thy love
Why doth thou scorn the gifts – why doth thou scorn the dove

Gospel Song

So many sing about – all the saving Jesus does
But oh so few do sing – about the way it really was
They don't sing for instance – of the great Heavenly Rabbi
They don't see the real YESHUAH – they don't even try

Oh great Prophet to come – HIS Torah it must be taken
Even Moses considering HIM – surely he was shaken
Promises of ELOHIM's servant – first to heal and bring light
Then to come again in glory – restoring what is right

Casting out the demons – healing all the woes
In the midst of tribulation – HIS power did HE show
And now the demons do run rampant – society doth ignore
Now we need HIS power – we need HIM all the more

Where is THY power LORD – when all the world doth scorn
Come to us who mourn – come to us who are forlorn
Souls cry out to THEE – we be on the last straw
Transforming waters of life – we are thirsting so to draw

Make us talmidim – please make us covenantal
Fill us up with THY RUACH – yes please do make us full
Give us eyes to see – ears to hear – Shema
Make us like Daveed – the heart that loves THY Torah

Fill us with the heart – that like a child does believe
Realms do intersect – THY Kingdom we do receive
Let THY good news sweep all over us – a WORD doth make us change
Fleshy heart for stone – for some the great exchange

Let us follow THEE YESHUAH – with gifts and with a charge
All to bring THEE glory – THY Kingdom to enlarge
Putting down all worldly desires – chasing THEE our fate
Let us shine THY light – please let us resonate

So many try and labor – but not in THY way or in THY rhythm
They pursue THEE LORD – within the confines of their system
But they be on no great Aliyah – they travel here and there
Not listening to THY will – thinking they don't have to care

Each walking oh so straight – according to their own mind
Never stopping to really listen – never able to find
The truth that be THY WORD – tis LIFE that be alive
Instructions on the charge – truth that lets us thrive

Please GOOD NEWS do set us free – let us submit to serve
Show us where and how to walk – please don't let us swerve
Tribulation all around us – relentless dark powers do persist
Instill in us true faith – by THY power we can resist

Let THY Torah stand so tall – as commandment with all love
Weave in us the FATHER's will – holiness from above
Keep us from the Pharisees – take us to THYSELF
Oh King, Helper, Savior and Shield – THOU are our only help

THY RUACH great YESHUAH – stands before the Throne
Let IT come upon us – our way let THYSELF be blown
“Fear of ELOHIM” be first – then “wisdom” – “counsel and might”
Comes “anointing” then “revelatory prophecy” – “real life” it be right
Then there be the very best – Spirit to take us home
All THY RUACH when it be in us – we be perfect – we be “shalom”

THY WORD it be so mysterious – what is possible be so wild
How opposites can be true – being wise while being like a child
Let us sing THY GOSPEL song – with each day as we live
Ever mysterious Aliyah – wondering what THOU will give
G_D be so amazing – wondrous in every way
We wait upon THEE sorely – WORD please give to us this day

Wandering Aramean

Abraham did sojourn – pack up and did leave
Blind faith we did see – yes he did believe
Journey yes he did – yes the first to cross
Giving up it all – not concerned about the loss

Oh what great redemption – yes by covenant
Grace be given oh so great – surely Heaven sent
Tired and so old – faithful to the end
Wandering Aramean – yes he was G_D's friend

Likewise for royal firstborn – Isaac he was spared
Faithful was our Abraham – though he be so scared
Picture of redemption – inheritance of Abraham
Follow in his footsteps – follow anointed King of Aram

Who be this special KING – Psalmist she doth beckon
Answer be in G_D's WORD – this of course be how we reckon
Chaza'el be mystery – yes great King anointed
Over Aramean Kingdom – "HE who sees G_D" is appointed

But Aram be long gone now – what be this Kingdom great
What say ye of the promise – what of Abraham's fate
From great sea and to great river – yes this be the border
Sea unto the Jordan – oh it seems to be much shorter

So what about this land – promised to Abraham
What about this land – promised to one of Aram
Yes there be dear Israel – yes she has her KING
The rest of Abraham's promise – from where shall these one's sing?

It be about the firstborn – when oneself to G_D present
Paul tells us to redeem the days – so on Aliyah they went
For we be nothing but a wandering – Aramean like our father
Faith to leave it all behind – like Abraham don't bother

What is it thou shall say – when dedication bell doth ring
Psalmist she doth ask – what then shall you sing
Like my father before me – my life like his has been
I be a simple sojourner – a wandering Aramean

Please don't run to find – thy Israel land inheritance
If thou be of the nations – look for thine within the covenants
For a place there be for sure – yeah those of the other fold
Confidence do have – G_D's WORD ye have been told

Dry land be reborn – deserts they shall spring
Compliments of Chaza'el – the Aramean KING
Truths be given to us now – so that the many shall not fret
Inheritance of Abraham – redeemed shall share and get

No Contradiction of Truth

Apologists do try – explain away contradiction
Oh silly apologists – where is thy conviction?
For G_D be so above us – HIS ways be so different
There be no contradiction – snares for sure were sent

You say YESHUAH preached – you say YESHUAH taught
Not to judge at all – surely you'll be caught
For discern and judge you shall – by RUACH and by faith
But only with appointed authority – decision can thou make

Don't argue with a fool – came wisdom yes it did
Secret of no judgment – do you think its hid?
Walk away real fast – but let not tongue declare
Leave judgment to the judges – don't make thyself be bare

Two truths be at the same time – can you see the glory
Opposites be true – if you dig to find the story
Perfection in G_D's order – if we understand
Judge without leshon hara – let judges reprimand

All throughout G_D's WORD – doth the snares be set
Contradictions be not there – if the truth you'll get
Ignore how WORD be given – say in heart we not need context
No end to what you'll make up – more lies do come next

Where now be thy judges – Elders kept in silence
Rabbis, Priests and He-goats – soon there be come uppance
Render judgment yes you do – judgment waits for thee
Not following G_D's great order – this you just can't see

Mashiach has won the victory – why then doth not light prevail
Why doth darkness howl – evil wind blows as a gale
Oh how time be short - for enemy who was appointed
Hear how our King Daveed – would not lift his hand against the anointed

See how opposite revelation – doth not the truth negate
Even King Mashiach – upon ELOHIM doth await
Power in HIS hands – judgment HE could take
Submits to perfect ways – for the FATHER's sake

Let not confusion weary thee – let not thy mind go astray
Seek truth amidst the opposites – let wisdom have its way
Follow what was taught – YESHUAH with judgment doth set the snare
Cast the first stone without authority – do it if you dare

Can you see hypocrisy – so great now in Bavel
Gnashing teeth of rebels – oh what lies they tell
Or even if some be right – nothing left to appointed authority
Leshon hara doth reign supreme – wagging tongues set free

Be silent yes Paul says – don't declare don't judge
From the truth however – you don't have to budge
Fools be fools its true – let authority make that call
Let thy truth stand in silence – let the truth stand tall

For authority in dark days – it be so unjust
Submit to it you peoples – yes you surely must
For the peoples you did get – the desires of thy heart
Demanded human kings and judges – now peoples be ripped apart

Tzitzit Blues

Do this - don't do that
Don't touch or sit - where the unclean were at
Could it really be - that commands were only for the old
G_D is the same now as before - is this not what we were told

Doth thou man ponder - yes KADOSH is the word
Could it be of this - thou never hath heard
What doth this mean - be HOLY thus says the LORD
Does it resonate at all - does it vibrate a chord

So you say - Mashiach has washed all clean
No longer need holiness - is this what you mean?
So eat your bacon and shellfish as well
A new covenant song - this you goyim tell

Go on ahead - celebrate new days as you will
Render what G_D did command - in your hearts to be nil
But not thee Jacob - do hang onto thy ways
Yes hold on tight - now here be the end of days

But thou Jacob - won't thou really seek the new
Mashiach YESHUAH - oh so long calling for you
For thy light be so dim - without HE WHO is light
Psalmist doth cry - who shall actually get it right?

For the command of old - oh so tested and true
Yes even down - to the threads that are blue
Be holy says the LORD - for Torah it doth sanctify
Made holy by HIS WORD - great YESHUAH CHAI

But ye be reformed oh Jacob - so many liberal in your ways
Growing more secular - yes day by day
Or maybe presenting thyself - so righteous and orthodox
Show us how righteous - how nice are thy locks

Thy pretense Jacob - oh where is the love
Commanded by ADOANI - from so high above
Separate thou are - just as thou are supposed to be
But what of the light - were you not to be shiny?

And oh you Messianics - so many games be afoot
Where is thy truth - where do thy hopes do thou put
Numbers and funding - coming from goy WHO G_D doth send
But thou seek the favor of Judah - whom you woo and blend

So Psalmist doth sing - to hearts that desire the holy
Not the haughty or stiff-necked - she doth call to the lowly
Message be the same - from the beginning from of old
Message be G_D's WORD - just as we were told

Perfecting G_D's love - be seen by love in community
Signs, wonders and gifts - come from love and unity
All parts be different - but equal all the same
Put thyself above others - thou be looking only for fame

Oh lovely people - spurn not the way so clean
Turn towards holiness now - put on love's sheen
For holiness like iniquity - it be like a cup
Let G_D empty all - then pray HE fills up

HOLY HOLY HOLY - yes v'yikra be the call
Don't be put off by Leviticus - there be no reason to stall
Let the Aliyah commence - don't walk as thou think straight
Follow the Torah ye believers - let holiness be thy fate

Why not have it all - both holy and the grace
Invitation for goyim and Jacob - come on and run the race
For G_D HE doth still call - V'Yikra be the WORD
Psalmist cries out loud - oh let her song be heard

For defilement doth spread - such a horrid disease
The olam doing - all sin it doth please
Time to make thy stand - time for thee to choose
Time to knit heart holiness - do sing the tzit-zit blues!

HIS HAYA

Seven Spirits come - Seven Spirits go
Master Rebbe teaches – as the wind doth blow
But Spirit gift doth flow – from YESHUAH’s wondrous heart
Way back to TANAKH – been this way from the start

Spirit doth G_D’s bidding – not about the self
Always doth arrive – always here to help
Why doth Spirit stay in some – while others it doth leave
HAYA Spirit can be temporary – to special some it doth always cleave

THY RUACH great YESHUAH – stands before the Throne
Let IT come upon us – our way let THYSELF be blown
“Fear of ELOHIM” be first – then “wisdom” – “counsel and might”
Comes “anointing” then “revelatory prophecy” – “real life” it be right
Then there be the very best – Spirit to take us home
All THY RUACH when it be in us – we be perfect – we be “shalom”

Samson be a Nazarite – yes declared forever
Daveed’s wondrous heart – Spirit left him never
Some Judges on the other hand – some time they had power
Seems for just a time – right down to the hour

Oh YOU great YESHUAH – all Spirit coursing all throughout
Unmeasured from beginning – this truth the Psalmist shouts
In THEE LORD SPIRIT it be HAYA – not so a passing state
YESHUAH doth send gifts – on time and never late

But how beloved be the few – open wombs yes THOU did make
Very special gifts – portraits for YOUR sake
How you did pay visit – yes THOU left THY clue
How blessed this day I be – through them I see YOU

Oh let THY gifts do rain – always for THY glory
Let THY gifts yield fruit – please let them tell THY story
But also Psalmist prays – THY Spirit reside in me forever
From my purpose and my charge – please separate me never

For Spirit comes and goes – gifts they can so flee
HAYA be the hope – for believing mortality
But across expanse of time – G_D on some forever doth pour
Blessed be the sealed ones – bless thousands of one forty-four

Please stay with me THOU HAYA –my cup do always fill
Oh frightened heart do pray – LORD THOU be my thrill
Where can my soul run to – to find my very essence
THY HAYA great YESHUAH – I be nothing without THY presence

Then there be the others – first one then demons seven more
How it starts with “pride” – we know this truth be sure
One kind of HAYA it be light – dark be haya not of the son
Watch closely yes indeed – quickly you it comes upon

How I long to be so worthy – yet how much more so I do need
Place in me my LORD – THY HAYA, THY wondrous seed
May I always desire the gifts – knowing that it can't be me
Praise THEE great YESHUAH – I still don't know what THOU doth see

Make me THY beloved – with sealed HAYA here and now
Always YOU I praise – THY NAME is what I tout
Let others know THY love – through me the others lift
May HAYA Spirit stay – YESHUAH yes THOU be my gift!

Dear Sweet Nicodemus

Dear sweet Nicodemus – thou questions as a Rabbi should
How can a human be born again – please tell me how they could
Then YESHUAH doth answer – thou must be born of water and the spirit
This be the only way – in the Kingdom to be fit

As Moshe did foretell – speaking as a prophet
Should one come down from Heaven – to explain what means the tablets
The answer of course be “YES” – HE as manna without leaven
Came the Son of Man YESHUAH – descended straight from Heaven

Born of water yes thou be – each must verily testify
Proclaim redemption by YESHUAH – please witness Earth and Sky
Yea water does come first – then sprouts forth holy seed
Ruach doth descend – reborn yes indeed

Dear sweet Nicodemus – crawl out of the womb
Reborn yes again – fathered by YESHUAH from the tomb
Testify for YESHUAH – HE shall present thee reborn with Ruach seal
Then finally be seen by ELOHIM – finally becoming human and so real

For breath and locomotion – in this realm doth let thee act
Without purpose or knowledge of G_D – thou existence not be fact
Tis only when thou be reborn – prophet speaks of Torah on the heart
Born again by ABBA YESHUAH – new identity from the start

Live now like a witness – from Mo’ed yes to Mo’ed
Purpose and identity – Ruach remembers what YESHUAH said
All Scripture speaks of HIM – Prophets and haTorah
Children reveal their parents – their lives reveal YESHUAH

Dear sweet Nicodemus – how blessed thou wast given clue
Given Torah by the Master - how YESHUAH surely loved you
When the time did come – thou lovingly for YESHUAH cared
Psalmist does not question – in the end how sweet Nicodemus fared

Why so much debate – why so much confusion
Beloved Comforter be wisdom – part of new person holy infusion
Like the barren births before – Mo’ed be the special sign
Life from death reality – Shavu’ot rebirth time

Who is your father and your mother – don't speak about the flesh
Who be thy holy parents – who raised up your nephesh
Rise up from the water – rise up from the womb
Ready thyself tis time – get ready for the Bridegroom

Dear sweet Nicodemus – part of wondrous mystery
Forever now recorded – thou be part of the history
Unlike others who did walk away – 666 could not stand the truth
Sweet Nicodemus watched and waited – finally understanding the proof

Build The House

Great Builder house doth start – create with wisdom in beginning
Shlomo gives a clue – foundation be the perfect underpinning
Same pattern of ELOHIM – RUACH fluttering above the deep
Hewn Pillars support the house – Shema Yisrael will you keep?

Such a lovely house – Father and Son do make abode
Obedience to the WORD – covenant it was sowed
If thou loves me yes HE said – then thou surely shall obey
Comes the Comforter to thee – after HE must go away

Why must THOU leave us Lord – what does mean this saying
Remain dear friends in Jerusalem – be as one in praying
For remembrance does draw nigh – of Me all things I be
Comes wisdom to thy heart – just wait and you shall see

Oh You wondrous Pele – YESHUAH ever great
Go so Thou can send – spirit of the bride the mate
For wisdom doth have fear – wisdom seeks pure counsel
Wisdom be the difference – between the lifted and those that fell

Once upon a time – YESHUAH did give task
To His talmidim – “Who do they say I am?” He did ask
Oh bless thee Kefa ben Yonah – For you could have never known
Unless from my loving Father – this truth you had been shown

Yes more to Kefa than we think – pay attention just a little
Kefa doth give answer – to Shlomo’s lovely riddle
How RUACH lets us journey – on perfect Aliyah
How RUACH leads to perfect love – of our great YESHUAH

Seven Spirits how they dwell – within RUACH sent by ONE
Seven Spirits they do tell – who be destined for the SON
Awaken lovely RUACH – virtue, knowledge and temperance
Patience, Godliness, Brotherly Love – and perhaps Soul Love be sent

For Kefa he was shown – within Moses and the Prophets
Remembrance of YESHUAH – how things they had been set
How YESHUAH be the builder – yes to even sit upon the throne
How he and all the brethren – each one be a lively stone

Then pattern doth prevail again – seven spirits before the throne
Perfect chips off ancient block – pieces of the cornerstone
All gathered yes again – building be made of pure light
G_D is LOVE it's true – SAR SHALOM's love feels so right

Please LORD let me trade – old stone for one new
One that has a NAME – known by me and You
For collective be the bride – individual be just a child
Of course Father gets to name – LORD Thy ways be oh so wild!

Pilgrimage Road

Psalmist must cry out – yes Wisdom should be heard
Be careful all you travelers – listen to G_D's WORD
For many Pilgrimage Roads – lead to false high places
Caught up in its branches – be many so dead faces

Yeah the road doth promise – love light at the end
Be careful of Pilgrimage Road – consider who does send
For real Aliyah comes by ELOHIM – G_D doth make the way
Doth Aliyah lead to Israel – consider Wisdom what doth she say

Doth thy Aliyah mean go up – doth it resonate with olah
Doth thy Aliyah ascend – like ELOHIM's great Torah
What be the worth of Pilgrimage – if it leads to any old place
Point of Aliyah dear ones – is to meet G_D in HIS space

Even ancient Pilgrimage Road – can lead to places high
Pilgrimage Road be found now – should pilgrims seek to fly
Soon be coming a temple – ordained yes long ago
Patience little dear ones – bo YESHUAH bo

For there be little worth – of temple without DaBiyar
Little worth indeed – without our YESHUAH here
But Jacob he shall run – so shall multitude that's mixed
Take the Pilgrimage Road yes – before the temple be cleansed and fixed

Doth thy Aliyah mean go up – doth it resonate with olah
Doth thy Aliyah ascend – like ELOHIM's great Torah
What be the worth of Pilgrimage – if it leads to any old place
Point of Aliyah dear ones – is to meet YESHUAH face to face

Doth thy Aliyah mean go up – doth it resonate with olah
Doth thy Aliyah ascend – like ELOHIM's great Torah
Why and where you journey – so important yes it be
Wisdom cries out loud – against high places you can't see

Israel's Messiah/Past and Future

O Israel, hear and listen,
Messiah Yeshua calls you to Him.
He's your atonement for your sins,
Awaiting your hearts to yearn for Him.

Plagues and darkness filled the land,
Yeshua was the light and the lamb.
The lamb that was cared for, And then was killed,
So that the blood might be spilled.

On that night, that blood on the door,
So the Destroyer would pass over.
Israel's first born survived the night,
And all of Israel began their flight.

He brought you out from Pharaoh's hold,
No more slavery or bricks to mold.
Out of Egypt, Israel fled,
In haste, no time to raise the bread.

Through the desert they would come,
Israel, led by the Son.
Moshe the prophet, the shepherd, priest,
Most humble of men, himself the least.

Moshe led them to the sea,
Close behind was Pharaoh's army.
Our God saves, Yeshua is He!
Adonai's right arm, He parted the sea!

All Israel crossed on dry land,
Not so for Pharaoh's army, Which was close at hand.
They lost that battle in the sea,
Yeshua destroyed the enemy!

The manna He gave to hungry people in strife,
Yeshua your Savior, Is the Bread of Life!
Water from the Rock followed Israel in dry ground.
Yeshua is the Rock Where living waters are found!

On Mt. Sinai God spoke His decrees,
Only Moshe was allowed to see.
Yeshua and He face to face,
The living Torah, His Law, His grace.

Thunder and lightning made the people affright.
They waited for Moshe many days and nights.
After forty days, Moshe came down,
tablets in hand, the law of renown.

The people had sinned, They had fashioned a calf,
To replace their God, They thought had left.
Moshe was angry, the tablets he broke.
Israel forgot all the words God had spoke!

In melting their earrings and Egyptian gold bands,
They had forged an idol with the work of their hands!
Moshe the leader now was their priest.
He fasted and prayed for their relief.

That God would relent and keep them alive,
Forgiveness and mercy, Moshe prayed for the tribes.
New tablets of stone God wrote once again,
Ten Words for the Ark would go into the land.

The wilderness wanderings, Forty years in flight,
The covenant, the promise, Their land was in sight!
But Moshe their leader would not go in.
He struck the Rock; that was a sin.

The Promised Land he was denied,
But the Father's mercy, let him see with his eyes.
The land that Israel soon would possess,
A covenant promise from the Father's goodness.

A land of plenty, of milk and honey,
For a people as numerous as the sands of the sea.
Land had to be conquered, There were battles to wage.
The Spirit from Moshe To Joshua he gave.

Fear not, be strong Yeshua appears!
To lead Israel's army, Do not fear!

Yeshua, Redeemer, Savior, King!
Commander of the Lord's army!
Will lead Israel in battle and fight to win.
Against all odds, their faith is in Him!

Only He will defeat their foes,
And remove all of Israel's woes.
He is waiting, ready to fight.
To bring Israel out of its plight.

The sword is drawn!
Yeshua the King!
Will bring judgment and justice,
To their enemies.

O Israel just wait and see,
Your Messiah Yeshua Ben David,
Will respond to your future cries and pleas,
Returning with justice on His white steed!

Vengeance is mine, saith the LORD,
And for Israel my first born?
Messiah Yeshua, my mighty right arm,
Will save you all from the nations' harm.

O Israel my first born son,
This is why these battles are won-
You are not so perfect, special or great,
I have loved you forever for My Name's sake.

Jerusalem - Jerusalem

Jerusalem, Jerusalem - how we long for thee
Desperately awaiting - our YESHUAH to see
Oh such pain to see defilement upon the mount so sweet
Let it be gone LORD - make destruction complete

How easy it is to visualize the glory of the past
Oh come hurrying KING - oh please come at last
Come to THY resting place our Savior and LORD
Let us sing, praise and worship THEE with deep soul chord

From Mount Tzion THOU shall for a millennia reign
With iron rod - the nations -THOU shall restrain
Oh just to pass through those wonderful courtyard gates
I pray so for friends and I pray so for mates

Oh LORD THOU be the builder most great
Come rule from Jerusalem - it be THY fate
Come back to the scene of THY great victory event
Bless YESHUAH - gave us a chance to repent

Bring order LORD - come with THY LAW
Establish it firmly - mandatory for all
THY servants will dance and sing oh so loud
Oh YESHUAH - ABBA be so proud

Send forth THY WORD - send it out so fast
Let the nations know - it forever will last
Stop the chaos LORD - please deliver peace
Make the hate and anger cease

Show the nations LORD how righteousness shall prevail
Uphold the servants' hopes - THOU will never fail
Let come truth and order to the land
Take Jerusalem LORD - into THY loving hand

If it be THY will please let servants witness
Let servants survive so that they can confess
LORD how THOU hast done it - there be no mistake
Come YESHUAH - please Jerusalem soon take

Oh Israel

Israel, Israel how I have longed for thy return
Waiting so graciously - but my NAME doth thou spurn
With truth and grace given - beyond all of the nations
Oh Israel how thou tries - My long suffering patience

My love for thee is like - no other of My children
Heart aches with rebukes - to thee I must now send
But prophetic siege against thee - yes it must be laid
Oh hard hearts please do listen - don't ever be delayed

Eyes turned on Jerusalem - yeah all of Israel
Since thy return oh Jacob - thou continues to rebel
Yet again the Land doth not - receive its ordained rest
A Yovel of years be gone - since the 1967 test

Now comes seven years - of siege and punishment
Oh My darling Israel - will thou not relent
Politics at play while Temple Mount remains off limit
Won't you trust in Me - I did make you win it

Thy commerce is so grand - look at what you've got
Still thy wise top court - rules against the sacred Shabbat
So quick to be included - oh to just be one of the nations
Democratically ruled - special interests and abominations

Tel Aviv be oh so grand - please do look and see
This not be the way I've commanded - this not be pleasing to Me
Thy Chasidim want Torah - Torah on their terms
Treating others as unclean - treating others as lowly germs

Where is thy light oh Israel - can we see it shine
I've blessed thee oh so much - thou should look so fine
Drawing nations by thy love - drawing nations because of Me
Now there be the violence - in the streets between Israelis

My prophets they have spoken - patterns do come round
Ezekiel spoke for Me - My siege it shall abound
Against the land itself - punishment doth fall
Such hard faces and hard hearts - won't you hear My call?

Both at home and in the exile - thou should be My delight
Ushering in the shiny breeze - showing the world what's right
Yet truth you shall refuse - truth you will not hear
YESHUA is the NAME - RUACH whispers in the ear

Who amongst you bows - who amongst you shall testify
The only SON He came - and for Israel He did die
The SON awaits confession - please do mourn for Him
T'shuvah sets the stage - T'shuvah lets it begin

Thy enemies be gathering - oh how they again surround
Just waiting for their chance - waiting to bring thee down
Thy covenants and deals - will have no victories won
Oh Israel don't you know - thou can't be Babylon

Please listen to Yochana - a heart which pleads for thee
The prophets they have spoken - please patterns will you see
Thou be blessed for sure - more than nations one and all
Get ready for the siege - get ready for the fall

Oh how Psalmist prays - Psalmist lifts thee up
Israel beloved children - let tears flow in thy cup
Turn thy hearts to YESHUA - He waits and waits for thee
Grace and mercy doth await - just you wait and see

But hardened heads and hearts - is how thou treat the prophecy
Ignoring all the patterns - for blindness cannot see
That amidst the growing blessings - amidst all the success
Doth punishment come upon thee - for thou shall not confess

Oh Israel – Ephraim before redemption
Why doth thou think – that thou be the exemption
Oh how thou doth hurt – the nations doth thou gore
Using thy great talents – leading astray all the more

But days be coming Israel - Y'hudin not be spared
The rod of correction be stroked - Mashiach's anger it be flared
Thou should know much better - than all peoples and all nations
ELOHIM doth contend - against unholy abomination

Some brethren they do contend – yes they tell the truth
But thee oh Israel rebels – just like in thy youth
Thou won't listen to thy brethren – nor to righteous goy
Now comes upon thee siege – now thou shall scream oy

Psalmist's message be so true - no matter how thou doth attack
Punishment shall come - for stiff necks won't turn back
But prophets they have spoken - and thou shall surely know
Command of G_D doth stand - this be the way patterns go

Oh Israel – thou are not forgotten by Me
Brethren and the saints – have prayed so hard for thee
Yet thou shall have none of it – thou hast turned up the nose
Time for corrective rod – before thou puts on mourning clothes

Oh how prophets sing – and messages be sent
Kill them yes thou does – and on thy way you went
But Psalmist she does sing – and surely she doth tell
G_D shall save HIS people – save all Israel

Old Hatred

Against the age old hatred - doth the Psalmist sing
Please listen to my song – for vengeance doth G_D bring
Thou hath clapped thy hands – against Israel through it all
Psalmist knows there be some – who shall heed this call

Watchman has been set – oh come and ask from Seir
Tell us watchman will you – now that we've come here
Is there chance to return – even with blood upon the hand
We can feel it in our soul – fury comes against the land

Psalmist tells thee true – Babylon did fall
Thy banners all around – one by one then all
Night shall surely bring – terror as in the morn
All who stand by Babylon – shall be tattered and torn

Thy bloodline thou did contemn – like Esav and his birthright
Always choosing “chamas” – always choosing to fight
Always seeing Ya'aqov – as the terrible blight
Hating Israel always – they be loathsome in thy sight

Old hatred be thy sustenance – always to the end
Never will thou yield – never will thou bend
Oh princes in “chamas” thou revel – defiling everything
One last chance to listen – hear the prophets sing

Babylon be in the West – it also be in the East
Old hatred be pure sin – ye be devoured by both pawns of the beast
Yielding to old hatred – drive them into the sea
Babylon doth devour itself – just you wait and see

There be no safety in numbers – time hath bore this truth
Look at thine own destruction – this surely be the proof
Though Israel she be punished – yes by the LORD's command
In the end with Israel – surely doth G_D stand

But amidst the hatred terrible – within some does spirit groan
Mercy ever great – from G_D hath some been shown
Every tongue and tribe – none to be left out
G_D's mercy be so great – this Psalmist she will shout

Amidst the terrible hatred – some do cleave to Torah
Some have seen the light – some have seen YESHUAH
These be such who inquire – they ask if there still be time
Answer to thy prayers – this song be such a sign

Don't look for thine Mohammad – he be long since buried
Run to Mashiach YESHUAH – don't tarry you must hurry
For special fury be unfolding – sands be filled with blood so great
Vengeance comes from ADONAI – against thy old and terrible hate

AGAINST ISRAEL

Because our LORD doth make - messenger understand
Sadly this Psalmist must follow - our LORD's harsh command
Remember and transmit - a message long ago sent
Oh how difficult – to so many recipients

The siege comes soon enough - what hath Israel done
Thou hast done even worse - than profane Babylon
Just watching makes the strongest - of loving hearts to fail
Where is righteousness Israel - amidst thy balance scale

Thy leaders and wise men - as well as elders they be blind
Following the Goyim's ways – leaving G_D's children far behind
Thy rabbis and soothing prophets – don't speak G_D's will
Yet prominent they remain – leading Israel still

So soon will six destroyers – the number of man
Pass through Israel – inquiring of each where they stand
To see if dwells a Ruach – abominations do they bemoan
These shall be marked – those whose spirit's do pain and groan

Take a count of those - who fear what is to come
Take a count of a remnant – surely there be some
Oh Ruach dip into THY inkwell - freely do please spare
Those slated for survival – Psalmist prays in Jerusalem there

What hast become of Jerusalem - what of the beautiful bride
There be nowhere to run – there be nowhere to hide
Comes a singular evil – yes something wicked comes thy way
Sweeping away thy ornaments – while harlotry doth play

Oh traveling man do pack up - thy stuff and each day leave
Return again each night - perhaps then some there shall believe
All the while prophecy be met - with inquiry oh so arrogant
Oh Israel - thou hast contemned the holy covenant

Dealing with Jews in the Golus - those staying in Babylon
They thinking they do well - seeing themselves as loyal sons
Counseling that Babylon - yeah they be with Israel
Watch out Jerusalem - soon on Earth comes hell

But not just the people shall come - under HaSHEM's deep ire
Mountains and Land's four corners - they too come under fire
The fury and the wrath - spirals beyond the holy City
Oy Vey be the message Israel - no mercy and no pity

Oh Israel - thy vine be of own root
No strength in itself - thou hath rejected Jesse's Shoot
Hardened head and faces - yes idols in thy heart
Thou be confused as Bavel - be prepared to be ripped apart

Where is voice of reason - where be hearts of courage
Don't you see the patterns - right there on prophet's page
Foolish halakah - walks as seeing straight
Counsel saying it be safe - it's wrong and it's too late

This Psalmist be so sickened - slack in her own heart
Hardest message yet - from the very start
Only comforted in the knowledge - G_D this doth ordain
Psalmist still cries deeply - for the cut-off and the slain

Oh Israel a remnant - shall survive and shall be lifted
Always to Israel - special blessings they be gifted
But before the rise a fall - comes a message of such gloom
Comes the prophet's message Israel - the evil it doth loom

Against thee Israel - thou shall know that it be THE LORD
Comes famine and pestilence - even comes the sword
G-D's anger and HIS fury - to you before Babylon
Still refuse to accept the truth - of YESHUA the HOLY ONE

Please know that Psalmist loves thee - more than any other clan
Abandoning all her own - cleaving to Israel and her Land
But balance scales be unbalanced - judgment first to thee doth arrive
Psalmist prays and thanks THE LORD - surely some shall survive

Oh Israel thou be so hard - now THE LORD doth come against
There be nothing thou can do - there just be no defense
Thy agreements won't protect thee - though punished thou shall sleep
Remember prophet's words though - Psalmist warns thee as she weeps

Song Of The Messenger

Comes my Prophet named Messenger - says ADONAI
Hard to miss – fear of the LORD be his cry
Oh yes Jacob before thy birth - I know thee returned
As for thy brother Esau - him did I spurn

No Edom - built up thou shall not be
Thou be excrement - can't you see
Thy border be separating wicked from good
Never repented - though thou knew thee should

But thee oh Jacob - just like the days of old
Thou doth profane - as the Prophet foretold
Thou doth say - where with do we profane
Oh Israel - thy rejection of Mashiach it be insane

Still even now - doth thou before ADONAI bring oblation
Thou hath no Holy House - oh what imagination
Didst thou Jacob think ye be left without cause
Didst thou not ever think - didst thou ever pause
To consider MINE Servant - yes the SHOOT one appalled
And so now thou still be cursed - priests, leaders, he-goats and all

Yes even HIM - Immanu'el - was instilled fear of ADONAI
But thou my Jacob - would not hear wisdom's cry
The Holy ONE of Israel - thou would profane
Nations love MY NAME - yes to Jacob's own shame

Where with THEE LORD - doth Jacob sore contend
Oh so proud - ADONAI just wants thee to mend
Remember - Zachar - that day wisdom was near
At Horeb was with thee - oh the great fear

Jacob did shudder - the mountain did quake
A covenant of truth - yes did thee make
"We will" shouted those present - "walk in THY way"
If thou was there - do well and remember the day
For Shavu'ot doth come - the Comforter to thee
The book of remembrance - to remind thee of ME
If thou Jacob shall withstand - the coming of the Son of Man
Thou must fear G_D - won't thou understand

As in days gone by - to HIS temple shall HE come
Not for all - for the remnant just some
Yeah those who doth fear HIM - those remembering the covenant
Those who out of wisdom's fear - to HIM doth repent

Where with THEE ADONAI - hath Jacob spoken strong
Thou Jacob doth error - thou doth be so wrong
Persecute YESHUAH then - now even more
Refusing to bow - thy sin be so sore

Consider thy fathers - the covenant they did not abide
They waxed so fat - their fear did subside
Forgetting the burning memory - each and every clan
The mountain was aflame - for there was the Son of Man

Pray for HaRUACH - yes Spirit of ADONAI
Please remember the day - when "we will" was thy cry
Let the curse turn to blessing - fear the Son of Man
HE be YESHUAH of Horeb - the GREAT I AM

Fear of G_D - it be wisdom in the gates
Oh Jacob act swiftly - before it be too late
Let HaRUACH quiver - yes let thyself be shaken
To thy very soul - lest so many be forsaken

The Psalmist she was there – tremble as she did
No way to hide – fear of G_D could not be hid
Psalmist saw so many – one accord on that awesome day
Remember now my Jacob – fearing YESHUAH be our way

Mourning Song

What Prophet doth cry out – call the solemn fast
The LORD is now wearied – comes HIS time at last
Who doth cry for men – yeah as well the fields and beasts
Who doth mourn unrelenting – whose mourning does not cease

Oh Jacob did thee not know - Nineveh did repent
40 days did they have – ADONAI did relent
Oh how much more then – will HE not turn to thee
Oh Jacob the Psalmist cries – please do listen to me

But seek recurring patterns – wilt thou call a solemn fast
Can thou do so now – like thou did back in the past
Where be thy great House – where be thy holy priests
To call the solemn fast – mourning to be at peace

One Shavu'ot did come – Kefa spoke his word
Pricked so many hearts – in them rose a mourning chord
Put to death Mashiach – there still be time to repent
Trust in GREAT YESHUAH – it be new covenant

Yes the temple shall be built – comes our LORD's great day
Mourning thou can't do – for joy it be the Festival way
But then thou Jacob shall be true – realize what you've done
Thou shall mourn YESHUAH – for HE be thy first born son

Yes this great revival – Israel as the light
It shall come my Jacob – after YESHUA'S awesome fight
Spirit poured out great – again to never be a shame
Israel as the light – under the banner of YESHUAH's NAME

So we think there be just one – great day of the LORD
Samaria and Judah twice – did fall to the sword
Again shall come tribulation – nations with Jacob shall contend
Two great days do loom – before we reach the end

First Mashiach makes HIS stand – coming as the KING
Comes the lasting Kingdom – order does HE bring
A Thousand years there be – before the northern one be let out
Finally it be over – when ELOHIM doth shout

And now the Psalmist smiles – knowing what shall be
One thousand years of Israel's light – B'rit Chadasha will be
All across the Kingdom – yes out to the nations
Israel doth resonate the light – they be a holy oblation

But first shall come the mourning – oh Jacob thou shall rent
Not the clothes but thy heart – yes thou shall repent
And the mourners shall be marked – for Jerusalem shall be cleansed
Unholy shall be cut off – this covenant thou cannot bend

Psalmist hears the song – of those who really mourn
It be the necessary cry – of those who are reborn
For look at what we've done – oh YESHUAH please do forgive
Oh mercy to us KING – without grace we shall not live
For innocent we are not – but innocent is G_D's declaration
YESHUAH be the grace – beyond all imagination

What They Knew

The father – yes such a heart for ELOHIM
His psalms of praise – yes worship made him beam
Dance in holiness – shine in beautiful praise
With his songs of glory – still now hands with him we raise

Such a desire – so wanting to build G_D's house
Stay in there always – tis what his heart did shout
Saddened not to build – but given grand design
Surely promised son – would build the house so fine

Ever faithful is our G_D – with the son did come the build
Every little detail – wondrous artisan guild
Stone by stone – timbers of the Lebanon were used
Son did the holy work – which the father so long had mused

Psalmist she doth plead – oh please do take close look
Secrets hidden there – right in the holy book
Father and son – something special did they know
Something there for us – something they did show

Psalmist David – beloved by LORD for sure
Given oh so much – given all the more
Knew something deep within – what be behind the veil
Prayed so hard to ORACLE – to G_D WHO would not fail

With Shlomo we do see – also uses certain term
Something oh so grand – if we dare discern
Only with these two – only with son and father
Oracle be revealed – HOLY OF HOLIES be called DEB-EER

Alas the story be sad – for after father and son
Those who did come after – forgot what they had done
For so long the secret hid – DEB-EER oh yes they knew
Only later with the Paul – seems he knew the ORACLE too

Oh coincidence they say – Devarim of stone be there
Something was important – to David who did care
But pray to stone be silly – for stones they do not live
Unless there be real life - DEB-EER perhaps will give

T'was not the tablets no – glory be in something else
Descending to the HOUSE – did come Israel's help
Yes once again came PILLAR – GLORY did arrive
Yes did come DEB-EER – the WORD it is ALIVE

DEB-EER be great YESHUAH – Psalmist she doth see
Oh please do have a blessing – do come along with me
Be it in the desert – or upon the Sinai mount
Descending to the HOUSE – on YESHUAH we can count

Coming in the Clouds of GLORY – was message to High Priest
Coming to HIS HOUSE – Wonder PELE does not cease
Where might ye be looking – clouds of glory in the sky
Cloud of GLORY be in HIS HOUSE - DEB-EER be YESHUAH CHAI

Who shall say great prayer - proclaiming HOUSE of Nations
Who shall be the King - to YESHUAH to offer royal oblation
Who shall be the King - to serve DEB-EER in HOUSE all day
G_D did love thy heart Daveed - yes G_D did love thy way

Oh beloved David - Psalmist smiles so much
Revelation oh so grand - who can handle such
Desire of thy heart - so grand is what you knew
Now Psalmist she feels shiny - Psalmist knows the secret too

Spirit of Elijah

Wilderness man so bold – yes a prophet all alone
Following the way so straight – following how he was shown
Raised up against the evil – against a horrible generation
Wicked King yet more – evil wife beyond imagination

Who doth stand alone – against the prophets of Jezebel
Who doth stand so strong – condemning the wicked down to hell
His life in so great danger - to Mount Horeb he flees to ask
What becomes of me LORD – I am alone in charge and task

Yes a desert man – one who doth cry out
Crying out the truth – surely he doth shout
So on his way he goes – from Horeb to anoint
Spirit of Elijah – great fate doth G_D appoint

King of Aram be on the list – also the King of Yisrael
And then there be a Prophet – anoint three the WORD doth tell
What doth mean these things – the Psalmist looks to see
Doth it stand alone – or be there mystery?

Held in such esteem – surely this be good
Elijah be so blessed – G_D did this because HE could
Then take Elijah for a ride – still business to be done
Come back again in latter days – witness to the SON

But what of greater man – yes that wilderness voice
Raised up to prepare the way – so many would rejoice
Though he did come second – for Elijah was the first
Spirit oh so great – the Yochanan who did immerse

The Baptist too did battle – he came against Ba'al
Against leaders, priests and he-goats – all had run afoul
Against a generation – one so wicked and so vile
His light G_D did let shine – if but for a while

Shavu'ot connection – in common with Elijah did he share
Evil wife of King – did also come against the Spirit there
Yochanan as well did ask – LORD I be zealous and alone
Is my task complete – the Kingdom when will it be shown

But greater was the man – for this Yochanan did anoint
YESHUAH HaMASHIACH – perfect time did G_D appoint
King of Aram can we see – King of Israel all the same
Turn Prophetic mantle over – to YESHUAH of great fame

Psalmist sees the clues – wandering Arameans need a King
Chaza'el who doth see G_D – what a song to sing
As for the King of Israel - Yehuw' - yes YEHOEVAH is HE
Psalmist hopes you listen – maybe you will see
A Prophet Eliysha to be raised – yes just for the nation
Such meaning in his name – G_D surely is SALVATION

All throughout the ages – why such a mystery
Spirit of Elijah pattern – be about YESHUAH don't you see
Elijah to come again – olam this time has it's way
Pattern comes around – yet again be in “that day”

As for Yochanan what sweet song – for again he shall rise up
For this be his great charge – to bring anointing cup
Oh Spirit of Elijah – Thou doth make the Psalmist sing
Sweet blessings be upon thee – thou shall anoint YESHUAH KING

Psalmist hopes so much – that they who say they believe
Be blessed by mysteries – please pray for glory to receive
Thou think in G_D's WORD finding – salvation and truth to see
YESHUAH told the Pharisees – look deep and you'll find ME!

Patterns do continue – they be given so we find
How every page we turn – each passage blows the mind
All things they surely show – to ONE all things do point
It be about MASHIACH – Spirit of Elijah please do anoint

Sin of Jeroboam

Oh haughty Jeroboam - what's this thing you've done
So much worse you be - than the harshness of Solomon's son
Renting tribes away from Judah - leaving for David's sake the throne
ELOHIM did give thee power - look now at what you've sown

Deep within thy heart - something began to flow
Mighty Jeroboam knew - back to Tzion would the people go
Back to Jerusalem - where ADONAI had left Daveed a light
Three times a year make Aliyah - Jeroboam could not handle the sight

Afraid that he would fall - that his king's reign it would not last
Jeroboam decided to fashion - not one but two golden calves
Apologists shall say - Jeroboam served the LORD with zeal
The apologists also say - that G_D's WORD might not be real!

So what Jeroboam did - became for the people the sin
Yes diaspora rebellion - with Jeroboam it did begin
Heartbreak it doth reign - deep within the Psalmist's heart
Diaspora rebellion reigns today - just like from the start

Against Judah doth rebellion remain - keeping the children away
Even challenging Israel's Zion rights - the Diaspora rails to this day
Oh you sages and wise men - ye judges and ye rabbis
Thou doth rebel against Judah – against ELOHIM of Earth and Skies

For fear of losing status - fear of losing power
Is so very strong - yet tis the wrong fear why you cower
For when you speak against Jerusalem - against Tzion surely then
We see the sin of Jeroboam - you have lost the fear of HaSHEM

When Asshur did send in refugees - to Samaria did they take
The LORD did send the Lions - these goyim HE did break
Though they did idolatry - they left alone Judah oh so near
We know they were not stupid - HaSHEM they sure did fear

Then our LORD did tolerate - even heathen in the land
Punishment for Jeroboam sin - diaspora doth thou understand?
Leave well enough alone - just let Judah be
HaSHEM HE still be with Judah - just you wait and see

As for Diaspora rebellion - it be the sin keeping people away
Representing the Torah Light - no you don't even to this day
You won't go in yourselves - never can it begin
Those behind you have no chance - them as well you won't push in

Yes Ephraim shall be redeemed - not those doing Joroboam's sin
Steeped in such idolatry - G_D's calling to thee just can't sink in
Enamored with YOUR Torah - peculiar yes - but not so much to shine
You have them oh so trained - le-dor ve-dor they tow the line

Won't you use your zeal - won't you seek the truth
Forget the Christian falsehoods - in Torah you will find the proof
YESHUAH be the real deal - Mashiach of Israel
Turn to HIM right now - HE be the one and only HaGOEL

What of HaKeru'im - yes the people who've been called
Stuck in the Diaspora ways - the calling has been stalled
Aliyah be the key - yes people of the way of haDerech
Soften up thy hearts - loosen up thy so stiff neck
For testimony comes not just of lips - HaEDAH be more than talk
Aliyah journey shall testify - oh after YESHUAH please do walk

Roeh TOV Good Shepherd calls - oh Jacob please do listen
Just think of what you're doing - think of what you're missing
Mount Tzion she doth cry - in mourning while she waits
HaGOEL comes oh so soon - please don't hesitate

Sin of Jeroboam - it be diaspora pride
Exiled amongst the nations - even now - oh why oh why
Forget some thought of helping Israel - so you think Judah not be select
Psalmist prays that when thou falls - thou won't break thy own stiff neck

Righteous King

King who G_D doth heal - integral to his name
20 years he came to age - beginning great biblical fame
40 years before destruction - Judah going down
Zealous King so serious - deserving to wear the crown

It started with the money - Twas about the silver
Money should be earmarked - to the doers and the builders
Lovely Torah found in Temple - just an awesome scene
Young shadow King a warrior - the Temple did he clean

Send to Prophetess Weasel - what doth YHVH say
King of Judah be justified - but Judah going down anyway
Raise up a covenantal people - to stand with so brave King
Healed King he did see peace - until battle death did bring

Cleanse the land great King - wicked evil stand against
Come to Jacob's aid - be their great defense
Wipe out abominations - bring back fear of HaSHEM
Shadow King YoshhiYah - did not fail back then

Shadow King did hear - Weeping Prophet's song
Many years of warning - futile for so long
No staying YAH's great wrath - there be the consequences
Prophet cried of Brit Chadasha - when hearts will come to their senses

Always be convergence - shadows of YESHUAH
Righteous King of old - see Messiah in YoshhiYah?
Messiah be the Torah - came to make things clean
Foul money handlers he found - what a biblical scene

Kingdom rent from Idolaters - great wickedness was purged
Covenantal return oh Jacob - holiness Messiah urged
Knowing all along - Temple destruction was ordained
Messiah to save the elect - but judgment be sustained

But not so in the end - consequence be shifted
Woman to be spared - for Beloveds to them be gifted
Just before the fall - just when all seems lost
Bo YESHUAH Bo - for HE has paid the cost

Then shall purge commence - then will land be cleaned
Jerusalem shall shine again - bright and brilliant sheen
Same but different all the time - this be what we should see
Psalmist she doth cry out - truth it surely be

Wickedness doth build up - for Judah you shall not pray
Nay you shall not cry - G_D tells us to be this way
Jacob hath not turned - Judah doth not repent
Blessed be Great YESHUAH - by HIM doth wrath relent

Judgment this time comes - yes to all the nations
Sitting back and watching - while Woman's children eat tribulation
Faithful believers they do intercede - like their Righteous KING
Balance scales prevail - martyr's song we sing

Weeping Prophet

Who doth persist - amidst strife and tears
Who doth anguish - amidst arrogance and fears
Oh weeping Prophet Jeremiah - thy heart how it doth hurt
Danger and conspiracy - with these always doth thou flirt

Heart of a child - message must thou take
Prophecy to hard faces - doom and gloom dost thou make
To the gates of the people - thy message deliver
To the court of the King - make them tremble and quiver

Now thy message - through Psalmist comes again
Same as before - now is just like then
Unfaithful Judah - playing like one of the nations
Doing what you want - following your own imaginations

Strong is Israel - things looking up and up
Iniquity doth simmer - filling is thy cup
Pattern emerges - ADONAI makes judgment
Against thee Judah - message again be sent

Thou be worse oh Judah - then even Jeroboam's sin
Thou be worse oh Judah - then thy wayward kin
Ignorant and asleep - yes this be thy way
Straying even further - each and every day

ELOHIM gives command - for thee we shall not cry
ELOHIM doth say don't intercede - nay don't even try
For heartache comes - riding upon the destroyer of the nations
ADONAI doth not accept - thy too late and lame oblations

Oh weeping Prophet - who doth comfort thee
And now who shall provide - comfort for me
For beloved Judah - apple of the LORD's eye
Hath crossed the line - comes the anger of ADONAI

Save for the promises - made so long ago
All would be swept away - the WORD this doth show
For glory and might - yes a remnant be spared
Oh poor Judah - such trouble coming there

Yet balance scales there be - some must pay the price
Intercede for Judah - oh saints you better think twice
For the MASTER interceded - viewing Judah as HIS friend
Tribulation was HIS reward then - death came in the end

Judah's remnant shall be spared - she be the protected woman
Flee to the wilderness - the LORD shall let you stand
Comes war upon the saints - those with both faith and the torah
Comes war upon the saints - Beloveds of YESHUAH

Oh how the Psalmist cries - such a difficult charge
Won't you ever listen - Judah let thy hearts enlarge
Coming judgment it doth pain - cuts deep into my soul
Heartache makes me swoon - it leaves a growing hole

Weeping Psalmist she doth cry - filling oceans with her tears
Each day getting closer - each day we draw near
So many shall cry loud - ADONAI HE simply will not hear
For so long thou walked - in a way that had no fear

Comfort us oh LORD - yes the Prophet weeping
The Psalmist she doth cry - gladness in her heart be sleeping
This message be so hard - as hard as Judah's face
Don't you talk of peace - in Jerusalem your place

Weeping Prophet the Psalmist feels you - please don't share so much
Anguish in my soul now - sorrow my soul doth clutch
The price it must be paid - G_D's WORD forever shall it stand
One day the sorrow be over - Please YESHUAH come again

Scribes Blessing

All along they write – learn so they can teach
All along they ponder – new heights they just might reach
But also do they plot – cajole and pull and pry
Hoping for acceptance – desire of the Scribe

Leaned on by so many – memory serves them well
Questions they are asked – faithfully they should tell
What means this they discern – for this be their special gift
All throughout G_D's WORD – for the truth they sift

But factions they do rise – politics they do play
Oh you silly scribes – do you follow along that way
You want to be the mouthpiece – looking for the nice life
Forerunners yes you be – of some Pharisees not so nice

It's not that all be wicked – it's simply you have your place
It's not for you dear scribe – to be in the people's face
For Royals, Priests and Messengers – they be the ones to deliver
Oh Scribe you need the fear of HaSHEM – pray HE makes you shiver

So now see where the Scribe – “blessing” be his name
Was confronted with a choice – holy charge or chase the fame
Message given directly – HaSHEM would surely destruct
The desire that thou had – the things thou would construct

All your walk you had – certain dreams and expectations
Fitting in so tight – yes a grand imagination
Only to find out – thy scribing gift be just for one
Improbable special messenger – thy career it be undone

Be friend to child messenger – be part of the contempt
Be part of chastising warning – be part of the attempt
To have Judah repent – so that disaster would not fall
Would you listen Scribe – would you heed the call?

Amidst great tribulation – when all would stand against
Holy child messenger – who would come to the defense
Who would give support – dedication oh so true
Would you offer up yourself – oh Scribe what would you do?

Song and story doth attest – as well as legend it did grow
Yes the Scribe chose wisely – with the Messenger he did go
From out of Mitzrayim – the pair they would survive
Message it did last – Messenger had their faithful scribe

Lost everything Scribe did – put it all away
Just to serve the Messenger – each and every day
But gaining all the more – lifetime of close soul knitting
Scribe made out alright – his name “blessing” it be fitting

Kings' Second Return

David had such power – yes the anointed authority
Yet withstand the beloved rebel son – David had to flee
Outside the gates – to the wilderness yet again
What means this portrait – what message does it send?

Absalom so lovely – but his father he did shame
Presuming to be the power – lifting up his own name
But David could not smite him – so much did David love
Put his trust in HaSHEM – letting judgment come down from above

Though punishment be righteous – please don't hurt the lad
Love made David look the other way – oh the truth be sad
But anointed Absalom was not – though first in royal beauty
Delivered up for judgment – the way it had to be

Triumphant yet again – time for the King to return
Israel beckoned first – then Judah took second turn
Contention between the citizens – picture of how it will be
Psalmist sees the pattern – will you look and see

How Ephraim be so humble – antagonist with King did plead
First among all brethren – bowing on his knee
Smite the one who cursed – counsel given to the King
But David dispensed grace – mercy did he bring

And Israel did contend – for Judah came in late
But zealous was our Judah – for these ones the King did wait
From the wilderness did come – King with Judah for second return
Both Judah and Israel – for King David did they yearn

Psalmist sees the picture – two sticks becoming one
Zealous for the King – zealous for YESHUAH the SON
Ephraim be hidden tribe – Levite pattern son first born
But Jeroboam's sin oh Dan – Belial still doth have scorn

Two separate truths a mystery – Ephraim both good and bad
One we see redeemed – the other's fate so sad
One did curse for sure – but then did humbly pray to be forgiven
Belial so rebellious – lost his head when he was smitten

Can we sense the greater pattern – of YESHUAH's return so grand
Can we see how patterns play out – do we try and understand?
Pictures and the portraits – given for us to receive
Psalmist trust G_D's WORD – the Psalmist does believe

PaRDeS doth have merit – when thinking as a scribe
Consider David's second return – the truth you cannot hide
Can you hear the Song of Songs – can you see our great KING coming in
Story of David's return – let the story begin!

All four players at once – Psalmist follows the clues
Judah, Israel, Ephraim and Dan – even the Bride she be true blue
Contention all the way – yes until the very last
Come YESHUAH come – put all contention in the past

Beloveds be so blessed – first to meet the King for sure
Just like Paul revealed – for Beloveds the how much more
Then oh hesitant Judah – triumphant with MASHIACH doth return
All factions now so happy – for YESHUAH doth all burn

Of course it be a parable – expecting anything less?
Please do seek and dig – our LORD HE wants to bless
Psalmist she doth sing – of song and glory already revealed
Come oh hurrying KING – in THY WORD the truth be sealed!

One GIANT Step

Before factions of Israel doth contend
Over our LORD's favor in the end
Comes descending KING – fulfilling secret that be kept
Comes descending KING – with one GIANT step

When all doth seem lost – oh Jerusalem what woe
Prophet Remembrance says flee - towards Har Zayit and the show
Returning as HE left – oh what clouds of glory
Wonder PELE comes – fulfilling prophetic story

Descending upon the mount – yes in likeness of Shavu'ot
Thunderings and Lightnings – tumult amidst the smoke
It be great HaDABIYR – of this there be no doubt
Descending down to save and avenge – comes the trumpet shout

Holy ones be with HIM – Beloveds throughout the ages
House of David be so Heavenly – it be written on the pages
Prophet Secreted doth reveal – tormented city will not fall
Daughters of Zion and Jerusalem rejoice – please do hear HIS call

With one GIANT step – cleave the mount in two
Oh great awesome PILLAR – YESHUAH it is YOU
Rip asunder the land – spread both south and north
Pave the way great PILLAR – let THY hosts go forth

Oh my lovely Princess – thou who doth sing song
Desperately awaiting – thy PRINCE for oh so long
From the wilderness of east – doth come like pillars of great smoke
Thy defense arrives – now thy enemies shall choke

Beloveds shall defend now – House of David be Heavenly host
Beloveds shall stand fast – never abandoning their post
As mount does quake and shutter – don't let the people break through
Holy mountain can't be touched – not by hoof or shoe

Yet still the enemy contends – amidst the awesome appearance
Even coming against Beloveds – taking their last chance
Prophet Remembrance doth give warning – melted be thine eyes
PELE PILLAR consumes all flesh – terror from the skies

Yirat HaSHEM be oh so tov – Psalmist she doth cry
Rebels do contend – to the end do enemies try
Now the people scream – LORD to us don't speak
Beloveds go and listen – go back up to the peak

The people shall abide – as YESHUAH again commands
Wisdom shows the people – time to be proved so thou must stand
As horn doth wax so loud – beginning with GREAT I AM reveal
Worship at holy mountain – Sinai be a promise and a seal

Wondrous patterns yet again – Sinai and the Mount of Olives
Descending is glorious KING – what a show to us HE gives
One GIANT step HE makes – begin now does HIS reign
Comes our great YESHUAH – comes to collect HIS gain

Aliyah With G_D

Psalmist does not add - she neither takes away
Psalmist does reveal - what Beloved Talmid he does say
Extra special Gospel - declares Divine WORD be the truth
Oh Beloved Yochanan - from thee did Israel hear the proof

First witness be thy namesake - yes how RUACH did descend
Lamb of G_D was sent - heart and soul of Israel to mend
But the story be much more - of this Savior named YESHUAH
More than just Messiah - though HIS life be there in Torah

Seven signs impossible - Yochanan doth have us think about
Things we all should know - things the world should shout
First turn water into wine - instant perfect ferment
Power to transform - who can change the Earthly element?

Then to heal the official's son - without the laying of hands
Healing by THY own word - second sign be healing at THY command
Then again heal on the Sabbath - while holy men did cringe and cry
Revealing how THINE own way - third sign as in Isaiah be ever high

Fourth sign it be so grand - five thousand bellies to satiate
What awesome power doth THOU wield - power to even create
Walk on water be sign five - laws of nature to THEE don't apply
The talmidim in terror - as THOU passed their boat right by

Sixth sign be a man sign - heal the blinded one from birth
Thirty-Eight years of suffering - to show Israel YESHUAH'S worth
Sixth sign be for mankind - to make us understand
We were simply made for YESHUAH - all things made just for HIS hand

Then finally sign seven - raise Lazarus from the grave
Oh Israel thou plotted death - rather than sing and rave
Yes even over death - YESHUAH'S power HIS to wield
Seven signs that prove HE's G_D - will thou finally yield?

Our Beloved Yochanan - satisfied with Gospel History
How he was so blessed revealing - awesome divine mystery
Fashioned greatest Gospel - not content with Messianic glory
Revealed YESHUAH as G_D - telling the rest of the story

In Genesis he did begin - HaDabiyir right from the start
There to testify - this was his charge - this was his part
All along the way - he heard and saw it all
Faithful Talmid always - listened to YESHUAH'S call

What great soul love can we see – yes with YESHUAH there was a knitting
Like Jonathan and Daveed – special love be upon them sitting
Through the glory and the heartache – Yochanan how he did forbear
Finally paying tribute to the one he loved – it was Yochana who knew G_D was there

In closing out his record - Yochanan brought the proof
Showing great YESHUAH as - the life, the way and truth
But more so than Messiah - fulfilled requirements of Torah
Yochanan showed us how ELOHIM - walked with him upon his Aliyah

Please hear Yochana resonate – she did not add or take away
Another witness in the end – these things we have to say
YESHUAH HE is G_D – there be no other talk
Please come and join the Aliyah – please come and join the walk

That Generation

Oh you generation of vipers - always looking to trap and snare
Signs of the times however - you don't even care
Vexing thou doth bring - under the Holy as the guise
How testimony comes - yes witness Earth and Skies

Thinking that generation be - only those who don't believe
Oh so wise thou be - it be thy selves who be deceived
Visitation comes - yes to Goy AND Israel
Patterns they do show - Psalmist sees and tells

Thou doth trumpet oh so loud - our tradition you won't keep
Arguing just like before - how you chirp and peep
Saying it be our family's book - and "we" will show the way
YESHUAH called it "your torah" - oh what a price you'll pay

Will thou just admit - how thou also be so needy
Will thou just admit - Nicolatians be oh so greedy
Set thy selves on high - servants who reign supreme
Hiding behind the call for order - setting up thy special team

Meanwhile where be the gifts - yes how thou doth scowl
If gifts come not from thee - they must be wicked thou doth howl
Never building up - leaving thy household without power
Lifting up thine own head - oh soon doth come the hour

But as long as thou be accepted - yes seek the favor of man
Making sure thy reputations - they be well in hand
Never worried that the Kingdom - be slipping past thy sleeping eyes
Looking oh so good - YESHUAH sees through the disguise

So Psalmist must of course - be talking about the others
Surely in the mirror - thou knows the least must be another
Thank You great HaSHEM - Thou made me not like that "publican"
Thank You great HaSHEM - for I be a purposeful man

How we led the congregation - preached in Thy great name
Did we not bring shalom - for Thee LORD all the fame
How we followed close the torah - how righteous yes we tried
All things yes we did - the way, the truth we cried

Yet now the visitation - comes upon thee oh so fast
Never knowing patterns - not seeing times of now and past
All along thy hearts - be doing all things just for self
Did thou sacrifice it all - the little ones did thou help?

Did you tell them some would die - others be held captive
Did you ready for survival - were some given signs to live
Did you tell them where to go - tell them when to run
Were thou simply playing shul - yes having thy great fun

What of their identity - were children lifted up
Did thou let them grow - did thou steal or stifle their cup
Oh wicked generation - thou lips they may pay tribute
White washed tombs thou be - this thou can't refute

Doth thou stir them up - doth thou make them jealous
Not to show thyself approved - rather to make them zealous
Did thou ever ponder - if thou were to be lifted up at all
Now for thou hath done - so grave shall be the fall!

Matthew we can hear thy song - thou did set the tone
Generational theme be true - would not leave our LORD alone
Come against HIM always - the LORD and HIS children to kill
Generation of vipers - thou was and are yes still!

Counting

It started long ago – when teacher said that we should count
Lift up G_D each day – our praise for HIM pronounce
Don't count just haOmer – listen to a Beloved King Daveed
HaSHEM has us count kol yamim – yes this advice we heed

Each and every day – the aliyah moves along
G_D does show HIS mercy – in chapter, verse and song
Scripture it does bend – the very space and time we know
Scripture is alive – showing us how to go

Have you ever really walked with Yeshua
Yes HE is the living Torah
Watch your life in the patterns told
Amazingly each day - does life in HIM unfold

How does your aliyah begin – yes how does it start
Is it orchestrated by man – or does G_D set you apart
Do you simply stay on schedule – each week and every year
Do you venture into HIS ways – or simply follow a man you hear

Do your teachers seek to count – all the days alive
Do the teachers seek in Scriptures – the patterns to live and thrive
The Torah first and foremost – it be about upholding precious life
G_D doth surely want for us – shalom without the strife

Good teachers speak of Torah - and doing the commands
But do your teachers know what is happening - do they understand
That Torah is entwined - with the testimony of living
That Torah is also blessing and signs - that ABBA keeps on giving

Are you comfortable with schedules - or simply gathering on Shabbat
Life is so much more - than ritual is it not?
Are shepherds readying for storms - all you sons and daughters
Or is it sadly business as usual - this shall result in slaughter

Now glory its for sure - for those who shall withstand
Those saints who shall perish - by onslaught of olam and wicked man
But witnesses be needed - a special aliyah it be next
For some believers who are called - please find who G_D selects

Counting be so important - part of aliyah that is given
To those who be separated - for those chosen to go on living
All things be in G_D's hands - this we know for sure
But survival call the Psalmist issues - for some to live and still endure

So count your days each one - your aliyah from birth
Knowing soon that our Yeshua - is coming back to Earth
Make record of the journey - so then you shall be able to testify
When Beloveds sing HIM back - Barukh Habah b'SHEM ADONAI

Psalmist calls just not to Beloveds - yes the ones who are sealed
Psalmist calls to other elect - to whom truth is revealed
Find each other this be the charge - for now the time is short
How the Psalmist doth so pray - that some believe the Psalmist's report

Days of Noah

As in the days of Noah - all will be asleep
Doing things as normal - going about as sheep
As in the days of Yeshua - Western Empire rules
Treating the world as nothing - treating them as fools

Babylon be so corrupt and it surrounds both you and me
Please listen to this psalmist - please do hear my plea
For the days have come upon us when all things do align
The days of Noah and Yeshua - they will be our sign

Come this Yom Te'ruah oh how stars line up
Please do pay attention - iniquity has full cup
Treachery and idols - how they do abound
Please listen to this psalmist - please just look around

Frightened for you is the psalmist - yes I care so much
Thinking of the pending storm - who can handle such
Your Yochana calls wide and far - please do lend your ear
For so many that do sleep - this psalmist has much fear

Sages and wise men have told you what you'll see
Crazy signs and wonders - in a short time they will be
But what if these things - have been happening all along
Two thousand years of time - maybe some signs have come and gone

Our G-d be so mysterious - who can know his ways
So wise we think we are - looking for these days
But delusion does set in and this psalmist thinks we slumber
What if we are wrong - what if the days be of short number

In Noah's time we see where such genetic treachery
Created havoc in the animals - bringing down G-d's fury
And here we are today - a time when science plays
Changing the natural things - into odd and very strange ways
And just like the days of Yeshua - when orthodox Jews did condemn
The Messianic believers - away these folks they send
We see it now today - all the world around
Against the Messianics - do orthodox heretics abound

As Yeshuah said - they persecute thinking G-d's will be done
As they fight against true believers - they persecute the Son
Not knowing they be wrong - oh how they do fight
Against our Lord Yeshuah - against the Lord of light

This psalmist thinks that we be close - each and every day
This psalmist asks for mercy - wake them LORD I pray
Soon the Beloveds will arise - learning their new song
144,000 gathering together - each shall play along

Oh what if we be off - what if the time is short
Please don't contemn the song or the psalmist's report
As in the days of Noah and Yeshua our royal King
Psalmist thinks we are here - and Beloveds will surely sing

Awaken all you sleepers - time is running out
We be in those days - at least this psalmist will shout
Praying night and day - for mercy and wonderful grace
Please turn to G-d right now - please do seek His face

For what if we be wrong and soon we face the storm
Will you see new signs - or for you will things just be the norm
What if the days of Noah and days of Yeshua be here
Will you be awake? Oh how does the psalmist fear!

Please listen to Yochana - her heart oh how she pours
Psalmist prays so much - praying all the more
Time is oh so short - shorter every day
As in the days of Noah - it just could be this way

This Psalmist does not lie – this psalmist does not pretend
This Psalmist has a song - this message I will send
The days are quickly ending - soon that day will come
Will you be awake - the elect - they who be just some

Creation Groans

**When I ponder the expanse of the ocean
So wide and deep, I have barely a notion
Just how perfect HE formed all this to be
Everything amazing, another world in the sea**

**I know so little, I can barely fathom
His work of creation, how it all happened
I only know what I read and heard
His story of creation as set forth in His Word**

**G_D gave us the story, His own account
Of what we need to know, not to discount
For many it seems too hard to believe
But those who are His will choose to receive**

**Adam was created to tend the creation
He lived in Eden amongst beautiful vegetation
He had a helpmate, she his Ezer
Together they worked, took good care**

**We too should take care of this earth, so nice
Even though now it be filled with strife
Mankind has not cared for the earth as they should
Disorder and chaos has invaded the good**

**Now the earth seethes with evil corruption
Consequences of man's ignorant assumptions
That the earth will simply take care of itself
No personal regard, leave it to someone else**

**Those which were created on Day five
Are suffering disease, barely remain alive
They suffer and succumb to mankind's folly
Of pollutants and filth and all that is unholy**

**Oceans polluted with radiation
Causing even greater degradation
Scores of creatures lying dead on the sand
Surely this was never G_D's plan**

The creation that rejoiced, praised and yearns
Now groans in awaiting YESHUAH's return
It awaits for G_D's kingdom to come to the earth
For YESHUAH Himself to give life new birth

The trees of the fields will clap their hands
When YESHUAH and His people return to the land
But not until the cleansing comes first
YESHUAH in judgment scorching the earth

Cleansing by fire, this time around
The first by a flood of world renown
Even man has corrupted his seed
Mixing in profane, such evil deeds

Hasatan has his hand in this evil scheme
He and his workers making men unclean
How far will man go to be just like G_D?
No satisfaction with what He made good

There be no stopping the evil, now it has started
Just like the days of Noah when righteousness departed
This is not new, we know before it has happened
When Nimrod and others built a stairway to heaven

G_D stopped them right in their tracks
Confusing their language, only babble for talk
Mixing the seeds, the world calls that progress
G_D forbids it, it goes against holiness

So much profanity for medical reasons
Changing DNA and creating diseases
Now the pressure to get immunized
Then for the old, time to euthanize

Wanting to be like G_D, man keeps trying
With science to live longer and stop dying
Just like in the beginning in the garden
The great lie to man from satan

**Evil is spinning out of control
Not much different than the days of old
For what once has happened is yet to be
Cycles of history, again we will see**

**So listen to the prophets of biblical renown
They tell the truth this second time around
Events which happened before will happen again
No doubting this, it's just a matter of when**

**So be prepared, turn to G_D and live
Embrace YESHUAH, His salvation He gives
Get ready for the coming judgment and cleansing
Creation is groaning begging its mending**

**The earth is waiting for YESHUAH's return
Until that time it moans and churns
All creation looks forward to that day
When YESHUAH burns all corruption away**

What's Going On

What's going on in this world right now
Should we be mindful - should we show extra care
Oh what to do - oh what is our how
Should we be considering - extra prayer?

Seems like the same old - same old
Seems as if things could be worse by far
Oh believing children - do come in from the cold
Like the wise men of old - do follow the star

Signs and wonders - oh so often ignored
As in the days gone by - who would believe the report
But alignment celestial - soon be coming our way
Oh so very close to 5777 Yom T'ruah day

Perhaps the counting of years it be wrong
Perhaps we know less than we thought
But the Heavens in their courses do sing their song
Coming to mankind - is what we have wrought

How many are watching our G_D's seasons
Not just playing Torah - but paying attention
Contemplating HIS mystery and all of HIS reasons
All of the things HIS HOLY WORD does mention 2

What's going on - right before the eye
Spiritual discernment is in need
For comes the season of G_D MOST HIGH
There is no stopping this - no way indeed

Stars peer down upon Earth fast asleep
Staying the courses always as told
Oh the testimony of Heaven shall keep
Time for us to be a witness - time for us to behold

Soon both Heaven and Earth shall bring the testimony
Of how all defiled - becoming corrupt
Separating the sheep from all the baloney
G_D did gift grace - HIS plan coming so abrupt
Here it comes - message straight from creation

There in the sky - yes this September
So very rare - coming upon this generation
Oh let us recall - let us remember

Oh how the stars and Heavens did sing
On that night - Yeshua came to man
Oh what love and grace did He bring
Please open the heart - please understand

Such celestial events are not a coincidence
How much more do we ask "what means this"
It is time to get off and over the fence
This be G_D's work - this be His

Signs and wonders - oh so often ignored
As in the days gone by - who would believe the report
But alignment celestial - soon be coming our way
Oh so very close to 5777 Yom T'ruah day

Psalmist your Yochana - praying on her knees
Pouring out the message of my soul
Won't you stop for a moment and listen please
Look to the sky - our Mashiach to extol

Great Babylon has come to G_D's attention
Now is His time - now is His judgment
Don't think there be a rapture or ascension
For those not even seeing the sign from Heaven sent

Signs and wonders - oh so often ignored
As in the days gone by - who would believe the report
But alignment celestial - soon be coming our way
Oh so very close to 5777 Yom T'ruah day

40 Days of Night

40 Days of repenting - beginning with an event
Sun's light darkened - a sign from Heaven sent
Issued to the seat - of global empire power
The fragrance oh Egypt - it be worse than sour

Coincidence you say - this happens 40 days before
Yom HaKippurim - let us look intently all the more
Sound the shofars loud - each and every one
Lets consider t'shuvah - repent before YESHUAH the SON

The days of awe be coming - let us kneel and pray
Let us sing in hope - we won't get blown away
Brief window has been opened - MERCY is HIS NAME
Let us put on sackcloth - may we not be put to shame

Psalmist's heart be dreading - distraught is what I feel
All the signs being given - don't you know that this is real
40 Days to repent - before the books are closed
40 days to get ready - let's not be naked - let's be clothed

Sun won't give its light - moon doth not appear
If ever a time to consider - now be the time to hear
Revelation signs appear - come Yom T'ruah days
Think what is going on - consider the Maker's ways

Yes the cry has been raised - warnings in the past
Soon the signs be ending - soon we reach the last
Hour or day we know not - but seasons we should know
Tis the season to cry out come YESHUAH - BO

Tell the unbelievers - oh please do sound alarm
Tell the wavering family - we want to see no harm
But choices must be made - the message must be sent
Time to scoff at signs - or time to really repent

The day the darkness came - let Israel be clothed in light
Judgment against the Mitzrayim - what a horrid sight
The wise men say its normal - happens every now and again
Psalmist says to raise the warning - time to warn a friend

Oh heavy heart be still - cease thy crying and thy pain
Mercy comes to the elect - like wonderful summer rain
Now it be the time - to sing a mercy call
LORD of light please save us - Israel one and all

Psalmist again doth issue - Psalmist cries aloud
Get down on thy knees - repent and don't be proud
Coming from beyond the veil - judgment all around
Please listen to G_D's signs - listen to their sound

Wilderness days be here - let us find our way
Let us look on darkness - let us never say
That G_D HE did not warn - that G_D HE did not foretell
That G_D HE did not ring - judgment's warning bell

Psalmist prays and begs - please open up heart and ear
Psalmist's heart be heavy - for the unbeliever I fear
Normal things might seem - normal again shall never be
40 days of darkness - please do repent with me

Great MAKER hear this prayer - please don't turn away
Let Psalmist's plea rise up - above the darkness on this day
Let Beloved's call be heard - resounding from the lip
Comes the biting darkness - upon non-repenting Egypt

The 4th Kingdom

So Daniel's sight was correct – four kingdoms did emerge
After Nebuchadnezzar came the growing surge
Medes and the Persians – followed by the King of Greece
His kingdom split in four – but never came the peace

But when the four horns faltered – out of one there did arise
Northwest of the beautiful land – came the fourth – a big surprise
So enamored with Alexander – with Hellenism they be right at home
Emerged kingdom number four – comes the power of Rome

Consolidation and assimilation – what a wonderful plan
Even upon defeat – to the East the empire would stand
Regaining its composure – power shift back to the West
Fourth kingdom steadily grew – yes it stood the test

Oh king of Greece thy metal – iron be so hard
Sweep away gold and silver – knife cutting through the lard
Thy strength be in thy order – freedom to be sought
Independence within the empire – oh what have you wrought

Fourth kingdom stands on legs – in the west and in the east
Personal freedom and materials – being the weapons of the beast
Iron mixed with clay – empire of independence by the people
Self-determination rules – even under the steeple

Fourth kingdom it be ruled - not by holy appointed power
Authority given by the people - to the favorite son of the hour
It's emblem oh so noble - yes it be so regal
Western mindset conquers all - it's emblem be great eagle

Fourth kingdom it did spawn and grow throughout the ages
Please listen to the Psalmist - look at history's pages
Always under refinement - always fueled in fire
Always representing - the people and their desire

And riding on it's back - ever present for victory won
Corrupting and delighting - is mystery Babylon
Defiling all the holy - empire's religion be a personal feast
Religion be the whoredom - riding upon the beast

So rises one of fierceness - oh the great deal maker
One of sinister schemes - a mover and a shaker
Alas the deceit and cunning - prosper yes it will
Some will rise so high - but the many shall lose their fill

Thy arrogance be mighty - king of empire's perdition
Steam rolling over everyone - yes this be thy mission
Make the empire great - take it to it's height
Sacrifice oh people - for personal idolatry doth thou fight

On principle fourth kingdom stands
Personal liberty and freedom - can you see this man
Oh thou people thou clay thou dust
Be crushed by YESHUA - the rock thy must

Prophets they have spoken - Yochana sounds the bell
See prophecy unfold - in this thou shall do well
Soon the beast shall turn - tired of the whore
Babylon be just a tool - one soon the beast shall gore

Oh feet of clay such fools - soon shall come the stumble
Idolatry soon be gone - thy self-determination shall crumble
Final rule shall enter - oh come YESHUA come
Oh how saints do wait - bring the final Kingdom

The Psalmist she does warn - praying all along
Come out of her my people - run from idolatrous song
Fourth kingdom be at peak - oh please don't be the least
Run from Babylon you saints - be ready for the beast

What's In a NAME

What's in a name – after all it be just a name
The answer be either glory or shame
Essence be defined by what is thy call
Is it a name to rise – or is it a name to fall?

First there was A'dam and Chavah as well
The first two – this is what HIS WORD doth tell
And A'dam let in sin – clarified by Paul
Why doth the sin of the father – cascade to us all

The truth in Torah says sin doth not promulgate
From father to son as a matter of fate
Our YESHUAH said neither father nor mother did sin
But the son was blind from when he did begin

Why then doth all that break the womb
Be fated for death – sin sealing our doom
Psalmist thinks that death be in each and every name
Except that of The SON – where there is life and fame

Oh LORD how can our own name be death and least
With our own name being the mystery of the beast
Only by choice can some take The Son's NAME inside
Where life of IT'S own doth reside

Yes LORD – wisdom doth solve the great mystery
A'dam and Chavah were not alone – with them was me
Three sixes were there – all humanity by name
Each and every soul – imprinted with death and shame

Why then LORD doth some names be living – sin atoned
Is this why YESHUAH has new names written on white stone
All who stand before thee on their name before THY face
Stand before THEE – with no saving grace

Oh yes we stand in judgment – all before the throne
Where YESHUAH be inside – mercy is shown
But for those who stand on their name – the least
Stand before THEE with the mark of the beast

Oh yes we were there – each and every one
Watching and agreeing to what A'dam and Chavah had done
Just as all stood at Mount Sinai – with a choice
To yield or rebel to HIS covenantal voice

Only fear of the LORD let the wise speak well
Resonating in spirit – we will do as YOU tell
Understanding the truth that our G_D is THE LORD
Renouncing their names with a submissive chord

Have you ever remembered these events – or do you miss it
Has memory from HaRUACH – quickened thy spirit
Psalmist knows for she has been given this sight
G_D's wisdom and discernment – resonates so right

So as believers look for beast's mark not to take
Remember that it was always there – ready for you to shake
Imprinted before time – implanted with name overlaid
This name can be revoked – redeemed children YESHUAH made

So what then can't you get without your beast name
Oh Laodicea – naked and full of shame
Thou canst receive the tithe from YESHUAH – HIS gold
Reserved for the priests – from the days of old

Who did tell you that implant, chip or card
Was what to fear – how doth confusion bombard
Having us all look for that name and the beast
When the choice of names results in chaos or peace

This Psalmist speaks truth – yes Yochana was there
My own name – oh LORD THOU made me scared
Then I was there – standing close to Mount Sinai
Trembling in awe – yes with others I did cry

By YESHUAH'S blood we overcame the beast
Renouncing our own name – for the PRINCE OF PEACE
Our choice it be the same – submit to the eternal covenant
Be the choice made – by Israel – HIS remnant

As we revoke our names the olam each and every day
Longs to find out – their heritage and DNA
Seeking and longing to glory in what came before
Running backwards – deluded all the more

Oh foolish children – so rich, comfortable and feeling no shame
It's not about us – even less about our name
Building the tower – let us make names for ourselves in Babylon
Do we consider such things – do we ever reckon?

So go ahead – watch and look for the beast
Oh please consider thy own name – it be least
Your Yochana shall reveal, warn and pray
Awaiting a new name – at judgment day

Where is wisdom – is all just a mystery
The son of perdition has his own name – wait and see
Things will not be so literal – the purported wise will be numb
Like a thief in the night – will YESHUAH'S Kingdom come

Witnesses

Two thousand years before - spirit of Elijah did certainly thrill
The very soul of the Immerser - prophecy doth fulfill
And so pattern fulfillment - sent from man to man
Elijah here but not in body - do we understand?

And oh how pattern plays out - yes we saw before
Anointing and spirit of Elijah - upon Elisha a portion more
This pattern doth prevail - Moshe upon Joshua did lay hand
Spirit to Spirit transfer - do we understand?

How YESHUAH revealed - of the wilderness voice
It was Elijah who bare witness - to receive it be by choice
Spirit to Spirit transfer - resonance to be received
Do we understand - the report who doth believe?

So now we look for witnesses - we seek them to come by two
Elijah surely be one - others look for Moshe or Enoch too
Who says they come in body - why not Spirit resonance
Do we think we know the answer - tell me what is the chance?

And while we ask what means this - Psalmist wants to know
Is single person to person transfer - the only way it goes
YESHUAH doth give Spirit - special to Talmidim to help
Breathed upon and transferred - power to the twelve

But pattern did play out - again we look to the past
Spirit shared from Moshe - upon the seventy it was passed
And then we see YESHUAH - he doth send seventy out to testify
Two by two they went - to water what was dry

When the seventy had returned - demons subject to HIS name
Spirit to Spirit transfer - testifies to our LORD G_D's fame
Not just one but seventy - Spirit shared from one
Seems to be a pattern - utilized by the SON

So we look for just two witnesses - olive trees and lampstands
Trees and Lampstands share of root - do we understand
So we think there can't be many - why not multiples of two
So we think we box G_D in - not the Psalmist and she hopes not you

Awaiting temple foundations - awaiting authority grant
Witnesses get ready - doth thy hearts not pant
Seventy for the nations - perhaps the same or less for Israel
Who doth know G_D's mind - who can surely tell?

But first shall come oblation - as in Ezra's day
Return of the Holy Service - before the build is underway
Seventh month year one - Yom Te'ruah marks King Cyrus
Might there be oblation - maybe Pesach fuss

But soon the build will happen - beginning it doth come
Time for witnesses to appear - announcing YESHUAH's Kingdom
Testimony in all the nations - and in Israel too
Testimony by many - the spirit of witnesses two

Psalmist hopes ye hear - Psalmist keeps eyes wide
Watching out for patterns - so there be no surprise
Oblation it be coming - Tzion's jubilee when they won
And with this going on - strong is the synagogue in Babylon

A Time Such As This

Oh so mysterious – yes LORD THY patterns
Shaking the pundits – putting their theories in tatters
So many believe the emergence of King Cyrus
But what about the rest of the pattern and all the other fuss

First did come the safety – Y'udah she was spared
Came the strong Assyrians – Y'udah she was scared
King of Bavel so nice – being glad for Y'udah's survival
Yet later we saw the pattern – King of Bavel's destructive arrival

First pattern it did show – Nebuchadnezzar came to destroy
Then came servant Cyrus – let them rebuild with so great joy
And now we see where Cyrus – looks to Jerusalem once again
What about Nebuchadnezzar though – patterns flipped on end

So lifted from the North – prepares the princes of sour mire
Readying for the battle is the maggot – King of Tyre
Still more all around – old hatred of Israel's ancient enemies
Convergence takes its shape – comes ALL the prophecies

Wilderness voice did cry out – harbinger of good news HE does come
Not for most however – planted were the remnant only some
Voice does cry again – harbinger again will HE arrive
Good News rides on the clouds – who will listen and survive?

Harbinger was ben Yosef – blessed servant to the last
Harbinger this time be – ben Daveed coming fast
First HE came as “judgment” – not being one to judge
This time HE comes as ruler KING – HIS foot none can budge

Oh Jacob why the curse – Israel though be lifted
Pursue the new man name – mercy to him be gifted
Some call themselves by Jacob – others belong to the LORD
Others cleave to Israel – all hearing beautiful chord

Tis time when men are weak – he-goats, leaders they don't hear
Thinking they be in G_D's favor – yet still they have no fear
Who doth cry for harbinger – good news to beauteous land
Where be the wilderness voice – who doth make a stand

Speak to them in parables – prophecies do converge
Patterns will play out – now will come the surge
Look to all the prophets – they speak with YESHUA's inspiration
Together prophets converge – in the Book of Revelation

Princes of Tyre

Ye prince of Tyre - a G_D thou be not
Oh simmering iniquity - thou doth ready in the pot
Think not thou be hidden without identity
Think not that thou be a mystery

Oh Prince of stone - thou are not the rock
With authority thou did raise up large flock
But thou be not like Dani'el - nay not as wise
Just waiting for thy carcass are the buzzing flies

Yes oh Prince - made so special and bright
So many blessings gifted - from the LORD of might
Thou were told to master and to reign
But self-idolatry didst drive thee insane

Just like your father - the master of lies
He also shall know the maggot and the flies
Thou hearts of flesh - hardened just like stone
Total rebellion - all chance of redemption blown

Indeed there be so many bleating in thy flock
While so few do seek YESHUA - the living rock
Thou hast beguiled them all oh King of Tsor
Now comes the prince - to defile all the more

The sanctuaries be defiled - yes it be a picture so clear
Iniquity and trade be so ever near and dear
For the princes of creation hath lifted their own cup
Lifted up their own hearts - up, up and up

But ye prince of Tyre - shall in a flash
Be consumed - brought down to ash
The idolatry of mankind - yes each to their own
Shall be revealed - all will be shown

Oh prince of Tyre - spawn of bad seed
Thou never thought to repent - to plead
Thou did listen to thy king who did seem so bright
But now thou and thy king - shall be engaged in the fight

Now brutish prince - yes all ye brutish of man
Let us see thou strength - let us see thee stand
Yeah but a short time thou has - so quickly have thy way
For soon comes the ROCK - soon comes that day

This Psalmist she doth message - zealous against the idols
Thou people can have your gods - at the cost of thy very souls
Oh princes of Tyre - thou be so great in number
Be forewarned however - ADONAI HE doth not slumber

Who be THE prince of Tyre - oh just look around
Candidates be everywhere - yes they do abound
Working oh so hard - building up their own great name
All of them still seeking - their own glory and their fame

Let us build up statues - lasting monuments
Let us worship heroes - forgetting G_D's great covenant
Let the people have their way - oh do walk contrary
Let the people defile - even the supposed sanctuaries

They who say this place - not be big enough for two
They who say they be in charge - yes they be "over you"
These surely be the same ones - who lie and say they serve
Oh prince of Tyre - what audacity oh what nerve

Thy service was not faithful - upon a throne thou wants to sit
Thou hast received thy Earthly reward - awaits thee is the pit
On the day thou eats the fruit - partaking of that tree
Is the day thou surely died - just thou wait and see

The Psalmist she doth cry - please do look and see
Abandon self-idolatry - to YESHUA bend thy knee
For the King of Kings be coming - returning to the land
Coming to take HIS vengeance - coming to destroy thy plan

All thy traffik self-anointed prince and king - shall feel the power of G_D's sting
There be nothing thou can do - against HIM nothing can thou bring
Thy brightness be a plague - in the heart of all Ty-re
Thou doth not fool this Psalmist - thou be no mystery!

Loyal subjects do make note - Israel not be alone in travail
G-D's judgment it will extend - it shall surely scale
One kingdom it be dark - the LORD's it be of light
Now be the time to choose - on which side will thee fight?

Psalmist's Lamentation

Amidst the tribulation – amidst all our imagination
Is heard the groan and shudder – of the souls' lamentation
Awaiting more correction – knowing it be just and true
Knowing how unfaithful – the world it be to YOU

Gone is song and timbrel – gone is smile and grace
Gone is favor to the elders – who doth honor their face?
Gone is holy halakha – gone is holy separation
Gone is order in the world – where is holy exhortation

As mankind doth suffer – all be idolatrous nations
Who doth mourn and hurt – who doth take up lamentations
Who doth cry to G_D – who doth confirm how just
Is the judgment of our LORD – Psalmist cries out yes she must

But far beyond the woe to men – beyond our sorry state
Is lamentation for the latter – a most horrendous fate
So few there be who find – grace and narrow path laid out
Amidst the coming onslaught – for mercy who doth shout?

LORD what have we done – forced THY holy hand
To rent from THEE THY SOUL – to come and make a stand
To lay upon THYSELF – all that we have done
We cry great lamentation – pain and suffering for THE SON

Yes some do lament – please mark their souls you scribe
Holy ones lament – it can hurt to be alive
For no matter how we pain – no matter what's been lost
THOU GREAT ELOHIM – t'was YESHUAH – the greatest cost

Lamentation it be real – saints their souls do shudder
Lamentation hurts so bad – within saints the RUACH flutters
For the hurt that has been done – yes the hurt to THEE our LORD
Sounds melancholy song in us – a deep and troubling chord

Pesach LAMB be given – redemption has a NAME
YESHUAH be SO GREAT – but the cost – oh mankind what a shame
Through it all mankind persists – doing what they do
Psalmist sings a lamentation – yes G_D just for YOU

For G_D must pound creation – with judgment oh so perfect
Righteousness after all – HE cannot neglect
We've hurt THEE oh so much – presuming all will be forgiven
Psalmist cries so very deep – for so few are the living

Please saints do lament – let fear of G_D take hold
Would not G_D prefer that everyone – come into HIS fold
Oh great G_D in Heaven – Psalmist for THEE cries and doth lament
For pain and judgment comes – THOU LORD won't relent

All creation groans – such pain is mans' imagination
But terrible is their folly – to THEE pure indignation
Making perfect love – into perfect rage
Comes judgment to this generation – lamentation for this age

Forgiveness be so great – but not sin's consequence
Patterns circle round – there always be comeuppance
Psalmist she doth cry – lamentation for our KING
For balance scales in righteousness – surely HE must bring

Stop with all the glee – pray and fast a while
Doth not your Aliyah – sometimes cry without the smile
Haya be forever – sometimes haya be so sad
There be order in G_D's seasons – not all of them be glad

Hosea's Song

Another Prophet – yes another song
This time Hosea – for Ephraim not strong
Though it be another mystery – yes another parable
Prophet's song be true – it surely be no fable

Ephraim first was rebellion - then came Judah's scorn
Oh so many warnings – reasons to be forlorn
Yet there be no ears to hear – not now just like back then
Punishment before redemption – we be coming to the end

Great G_D doth not contradict – yes thee HE surely cursed
Then again for Ephraim – we see our G_D He doth reverse
Both be true indeed – both be true for scattered sheep
Some go to the ash heap – redeemed ones G_D shall keep

Oh what secular whoredom – Ephraim doth play
In the Golus thou doth like – in the Golus thou doth play
Using all thy talents – gifts beyond imagination
Ephraim he doth fulfill –goring all the nations
Lead them far away –of the Earth yes to the ends
For thy glory and thy wealth – away the nations he sends

Then there be the blasphemy – yes cursed by the winnowing fan
Be religious whoredom of idolatry – yes the curse of Dan
As in the days of Bethel – sacrifices oh so poor
Aliyah be good in its place – abomination all the more

So Ephraim hath found its home – Babylon be new place
Thy pride and purported holiness – found upon thy face
Staying where thy children – be born in foreign land
No rescue for thee Ephraim – no help from ADONAI's hand

But days of counting have begun – starting with Yom Teruah
Don't think that Moshe he will save – don't say that thou hath Torah
Oh yes a whore can be redeemed – but in the GOEL's time
Times and one half time again – counting be thy sign

If the woman will return – a new price G_D did pay
Flee into the wilderness – get ready for that day
For King Contentious he shall turn – thou shall lose thy friend
There is only one YESHUAH – for redemption in the end

G_D HE is great mercy – faithlessness forgiveness thou shall plea
Understanding signs – new faith will have thee flee
But from the curse of Dan – nay there be no hope indeed
From G_D thou shall hear silence – in thy day of need

Bad enough for thee Ephraim – but thy woes they do cascade
Defiling oh so far – in thy sin doth Judah wade
But first comes pain to Ephraim – before Judah doth feel stroke
Three cycles they shall pass – then both of them shall choke

There be no safety anywhere – stay in Golus brings no pity
How dare thee Ephraim – high hand against G_D's holy city
Hosea's song doth play – halfway point he shows
Count not just the omer – revelation winds they blow

The Psalmist she doth pray – oh please LORD let some hear
Let return the sanity – Yirat HaSHEM – yes fear
Prophet's words be perfect – these do not neglect
There be no Golus holiness now – G_D's light doth not reflect

Song of Amos

No fancy prophet schools - not with the in crowd
Simple shepherd and farmer - not boastful or proud
Called loose from the stockade - comes a message of fire
Judgment be coming - Amos was no liar

Righteousness doth elude - wormwood is thy way
Thou cannot escape - soon coming is that day
And now thou be so far away - beyond Damascus thou doth reach
Deaf to thine own Torah - look close the Psalmist doth beseech

The fishhooks they were used - remember all the pain
We cry at Yom haSHOAH - oh the evil did so rain
But troubles they do come - brought forth by ADONAI
Again thou be so blind - and still thou don't know why

Better listen close - leaders don't serve well
They all be left so naked - doth the prophet tell
Oh Ephraim first judgement - comes upon thee where you are
Thou doth not seek the HOLY ONE - HE of the seven stars

The shepherds in the field - yes they did delight
The chorus of the Heavens heard - long ago that night
Next time shepherds wail - yes how will they mourn
Knowing what was done - remembering treachery and scorn

There be to many times - the LORD takes issue now
Haughty kins not be good - it be no holy cow
Thy mo'adim be unwelcome - olah doth not rise
Take heed and be forewarned - let there be no surprise

But remnant shall be spared - for sake of G_D's great name
And thou enemies oh Jacob - shall be put to shame
Rebellion along the coast - and across the river Jordan
Punishment doth come so harsh - the LORD doth give command

Thy palaces and power - be broken all ye princes
Pay the price thou must - for great sin and vexing instances
Thou hath plagued and cheered along - against Jacob thou conspires
LORD of HOSTS be furious - of thee G_D doth surely tire

Summer basket be the sign - harvest of great fruit
Pass over not again - thou must have the shoot
Sun blackened in that day and place - were any children counting or awake
Thy ELOHIM oh Dan - to She-ol doth thou take

Now the times be stirring - soon the Earth doth shake
Two years comes the trembling - yes here comes the quake
Day be determined by the judgment - in the olam or Israel
Be Nisan or Iyyar - look to cry in April

Remember yes thou will - for the LORD doth say these things
By the tongue and pen of Amos - contention G_D doth bring
Yet Psalmist will be brushed off - yes this be thy way
Crushed be Ya'el's house - history repeats itself that day

Song of Micah

Hearken all ye Earth the LORD doth testify
Thou man hath tested - thou man hath HIM tried
A Faithful Witness G_D be - yes even until the end
Now there be short time - soon HE shall descend

Stoking so much anger - be the ongoing idolatry
Repeat the sin of Lachish - this time thou can't flee
Spreads back to the kingdom - defiling entire nation
Doing thy own thing Israel - doing thy own imagination

"In that day" - yes there be more than one
"In that day" - both times be about the Son
Rent this kingdom from thee - a new family shall be raised
Bless the breaker who did come - it is HE who shall be praised

Follow the King out through the gate - leave the evil behind
Follow the breaker all the time - justice thou shall find
Render a doleful parable - sing unto ears so closed
Jacob's trouble be here - forget their haughty and high nose

Folly upon folly - pundits talk of security
Thou hath no seer's vision - truth be a mystery
But raised up be the Psalmist - here to sound alarm
Doing so with loving song - doing so with charm

Sweet love song to thee be sung - receive it yes thou will
But heed the words of the prophets - nay thy hearts be still
And so Jerusalem builds - yes it roils in the blood
Comes thy trouble Jacob - now doth come the flood

But ADONAI doth remember - yes the holy covenant
ADONAI doth preserve - for HIM always a remnant
"In that day" the latter - new family shall be free
Sound the great Yovel - resting under the fig tree

Daughter of Tzion rejoice - yes thou did withstand
Oh Daughter of Jerusalem - doth thou understand?
Redemption be so near - right now here in Bavel
YESHUAH has won the victory - He hath the keys of hell

The sign it be so simple - against Israel do they stand
United Nations fights them - hate, rebuke and reprimand
Thy window be so short - for our LORD's reign doth soon begin
Many come from the nations - not following the national sin

Who be this one from Bethlehem - this one who is to come
Judgment upon all the Earth - to all and not just some
For smite him upon the cheek - flee now all is lost
Hard price to be paid - "in that day" such cost

Oh such majesty of NAME - he and YAHWEH they be ONE
In that day the next time - in power comes the SON
Executing vengeance - making the nations cease
Comes Israel's redeemer - yes to the land be peace

But first comes controversy - first G_D makes HIS case
Pleading with thee Jacob - pleading to thy face
What thou doeth G_D disdains - sorely so displeased
Only true teshuvah - only by YESHUAH can ELOHIM be appeased

That generation oh so wicked - "in that day" the latter
Oh so much dishonor - they look for riches and flatter
A generation bereft - to each themselves a lord
Wanting everything - all they can't afford

But remnant Israel shall live - recipients of THY grace
Inheriting the beautiful land - with the presence of THY face
Darkness fell because of sin - but light our LORD made shine
Oh enemy you whore - Babel's destruction is the sign

Micah he doth sing - of two times "in that day"
Weaving multiple parables - it be the Torah way
Again come warnings for the Golus - Jacob thou not be safe
Run you listening children - go back home and find a place
Psalmist sings from long ago - Prophet's song doth sound
Time to escape oh Jacob - before thou be again yet bound

Song of Nehemiah

Patterns and themes in these days return all the more
Think not be useless the song of Nehemiah the Governor
Upon his heart did melancholy for his people ring
THE LORD did have a plan – city build up HE would bring

A businessman, a director – yes one stuck in the Golus
Who now doth hear his song – hear his chorus
One with influence – one with means and the skill
One close to the power – who remembers Jerusalem still

Time has come – oblations started and priests be ready
Jerusalem's security – it still be sore unsteady
Where doth rise Nehemiah – envoy from the exile
The people they be waiting – hurting all the while

Away Geshem – no opponent's rain shall cease
To stop the Governor's work – nay not in the least
All mocking and vexing and violence thou hath planned
Shall put away the work – the rebuilding work shall stand

So to shall the rulers' tight grip on people be made less
Oh Jerusalem – comes the time for you to be blessed
Let the walls be built and the gates again to shine
Oh yes comes Nehemiah – it be another sign of the time

Oh yes Samaritans – ye anti-Judah contingent
All thy howling – worthless energy be spent
For G_D doth bless Tzion – even in short season
Look deep into the Torah – thou shall find the reason

Amidst the great rebuild – doth thousands take their chance
Coming home they do – leaving exile circumstance
Judah loves their genealogy – so do come with thy evidence
Assuredly some will not – and away they will be sent

Oh LORD please do bless new Nehemiah – hold this on his account
For in short time doth come – excitement round the mount
Foundations, walls and gates – looks like things be oh so grand
Things just be stacking up – for Jerusalem to make a stand

And for Nehemiah - to exile he doth return
Only to come back again – seeing how covenant did Judah spurn
Defiling the very Sabbath – going again to thine own way
Renting soul and clothes – be Nehemiah on that day

Oh ye leaders, priests and he-goats - again thou will fall down
Falling prey to Hellenism – Babylon’s shiny crown
Coming of Torah with joy – not be here until YESHUAH’S return
Celebration of great Yovel – from the Torah thou just won’t learn

But in the latter “in that day” – yes you’ll finally see
After freedom comes – you will celebrate the Feast
Only then to learn – then thou shall HIM truly mourn
Then thy MASHIACH shall be known – thou be so forlorn

Then as in the days of Shlomo and his father Daveed
Order shall return – yes this the KING HE hath decreed
Holy Kingdom be restored – Governor not needed we be sure
YESHUAH KING doth rule – all the land forever more!

Oh Nineveh

Oh Nineveh – one prophet did warning bring
Jonah against his will – repentance song did sing
A generation a chance to listen – 40 times they had to repent
Would the G_D of Heaven – HIS judgment on them relent

40 times before – comes the LORD's "days of awe"
Listen yes they did – mourning they heard the call
Their wilderness experience – season of testing and trial
Chance to recant their way – it being oh so vile

Oh Nineveh came mercy - just so thou could do
What ADONAI – did have planned for you
To come against our Jacob – to bring the suffering and pain
Great terror of Nimrod's violence – upon Jacob did thou rain

And then did Bavel come – requiting thee with shame
Yes oh conquering Nineveh – Nahum said would come the flame
Doing ADONAI's will – yes none can ever refuse
Justice comes to those – ADONAI doth accuse

Though Nineveh be destroyed – time and time again
Spirit of the Nimrod – continues to the end
Foothold through the ages – Mosul again to power
Violence and hatred her harlotries – from her did spawn and flower

Yeah a brotherhood of rebels – by blood bring the caliphate
Darkness across the land – many nations they do taint
Who be this Nimrod arm – who doth refuse to ever yield
Who will again attack Jacob – testing Israel's shield

Who be the empire's agent – perhaps thy strength of old
New generation doth arise – boastful and so bold
For a generation did repent – yes for Mitzrayim came peace
For forty years between the two – hostilities they did cease

But now doth rise the brotherhood – trial times be done
Ways of repenting generation – the new ones they do shun
Nineveh shall strike again – oh Jacob thy sacred Mo'ed
Comes again the pain – comes the horrible bloodshed

But prophet doth foretell – festivals will continue
For with beloved Jacob – ADONAI be with you
And Nineveh be found – Bavel again brings flame
Yes you queen of violence – to you will come great shame

Psalmist sings a parable – of Nineveh story be told
ADONAI's great plan – continues to unfold
Nimrod be exposed – power of first empire
Days Of Awe be coming – to Nineveh comes the fire

Psalmist cries for Jacob – for all hatred thou can't be ready
Staggered though you be – look to YESHUAH and be steady
Worst of times becoming – beginning oh so soon
40 years of peace be over – out of Egypt doth Nineveh croon

So get ready oh great Babylon – again doth come the call
Time to do the bidding – of ADOANI LORD of all
Time to play avenger – time to smote Nineveh so violent
Time to hammer the generation – the one who won't repent

Embrace the Hidden

Two Prophets they do sing – together telling a story
Not just of long ago – not ancient history
One is “embrace” – the other is “hidden”
Telling of latter days men – how they be smitten

One doth embrace – oh how the one doth mourn
The other reveals the hidden heart - G_D’s ways they really scorn
Comes to the city a warning – yes a cry a hark
But only those who mourn – shall receive the survival mark

As in the days of Jericho – Shofars of T'ruah did sound
Out of season shouts perhaps – Pesach days around
From Ephraim’s Gate a cry – from the second quarter a howl
Crashing mountains shake - Cut off be those who worship Baal

There be secret in the Shiggaion – leads us to the clue
Back to tribulation – reveals the betrayer - too
All three connected to Cush – hidden be the man of sin
Rising up from the tribe – a wolf a Benjamin

Comes super power Chaldees – taking things by force
Tis the spirit of the Nimrod – violent of course
As in the days of Noah – G_D be just so angry there
Violence that broke Lebanon – covered righteousness made bare

Go and build thy city – see if wood or stone doth live
By power given to thee –thy idol’s voice do give
Thy sin doth have no limit – even against thine very soul
Fill up the cup of G_D’s anger – fill the cup all whole

Go and spoil all the nations – this be on thine heart
You tallest cedar of Lebanon – wicked from the start
Oppress my people while you can – for so short be thy time
Tribulation time be here – thou can see the signs

The seers be of such light – prophets oh so blind
Thy judges so corrupt – taking all that they can find
Defiling the great law – making unholy defiling everything
Sanctuaries of GREAT NAME – shame is what they sing

But in the midst of nations – in the midst of thee
ELOHIM doth charge – a remnant there for ME
So sing you daughters of Tzion - and Yerushalayim
In the end fear not – comes the LORD from haShamayim

Yes in the latter days – in the days appointed
Shining oh so bright – be HE that is anointed
Glittering Minstrel now doth speak – surely she doth sing
Prophets' song be heard – resonance of string

Parable be issued – tis plain message to divide
WORD of ELOHIM – seek truth if you decide
If G_D is real and days be here – doth thou really believe?
Hear the Psalmist resonate – she prays thou might receive

Two Prophets they do sing – together telling a story
Not just of long ago – not ancient history
Embrace be sent through space and time - to help in the Lion's den
Now the Prophet's song – be coming round again

Song of Isaiah (והיעשי)

Listen to his song – heed the Prophet's sound
Wondrous love song resonating – Isaiah's song abounds
Prophet son of a Prophet – his message not just for kings
Oh who does hear Isaiah – please listen as he sings

True to form the Prophet – bringing to Israel correction
Warning of iniquity – warning against insurrection
For what of your oblations – all things on which you are bent
Isaiah first sings of old love – covenantal obedience

The Prophet doth foretell – of idolatrous latter days' land
Prideful Cedars of Lebanon – lifting up thine own hand
Same Garden of Eden song – when shall mankind learn
Try to be thine own god – man shall surely burn

Haughty daughters of Y'hudah – lead them all astray
Who told thee to stand – hypocrisy day by day
All the while the sons sleep – basking in their own light
Tis thee Y'hudah first – whom YESHUAH will come and fight

But LORD of HOST prevails – bringing forth Mashiach YESHUAH
PELE YOEZ after all – is the culmination of haTORAH
Suffering Servant first – then conquering Right Arm doth arrive
Holy is the remnant made – those fortunate to survive

But what of all the songs – oh so many there be
Please look again with spirit - please do look and see
Songs together doth make Aliyah - oh a perfect story
Aliyah of everything - song to the KING of GLORY
First the vineyard song - MASHIACH sings to ELOHIM
Oh yes THEY are BELOVEDs - YESHUAH sings to HIM
Vineyard song be a garden - oh what lovely child
But alas when ELOHIM looks - Israel be wild

And Moab shall not sing - old hatred be so wrong
No matter what you do - thy idols won't hear song
Three years shall time come - thy glory will be rent
Nothing you can do Moab - judgment be Heaven sent

But garden it shall flourish - Jacob shall take root
LORD of HOSTS be coming - giving hasatan the boot
What shall thou do then - day star's broken plan
When MASHIACH sets things right - smiting old Leviathan

First movement be three songs - start to finish story
Oh wonderful ELOHIM - to THEE be all the glory
Three songs show big picture - Garden back to Garden
Three songs tell the history - of what becomes of men

Isaiah doth move on - second act doth ensue
LORD of HOSTS remembers the harlot - Tyre mystery - Israel you
70 years doth pass by - yes join the merchant system
The righteous sing so joyfully - the wicked should be afraid of HIM

In these days our LORD doth work - raising Cyrus by command
Tis time redemption singing - yes do let Israel stand
Build up sweet Jerusalem - give her prominence
City be on the rise again - build walls and build a fence

Comes great second Exodus - highway from afar
People of the nations - seeking Morning Star
Dumb shall speak and blind shall see - in great joy they sing
Making Aliyah so nice - for the beauty of the KING

But in Tzion there be fear - for rebels they don't see
Nations come out of Babylon - running from the Chaldees
So much joy and sight - called and strong they fled
No redemption for the blind though - no peace for the wicked

Redemption be act two - Isaiah sings G_D's song
Psalmist prays that thou can see - oh please do come along
Aliyah be oh so clear - if you read the text
Now comes war in act three - now hear the song that's next

Singing in Mount Tzion - redeemed they be the yield
Grace rains down from Heaven as manna - YESHUAH is the SHIELD
A covenant for the peoples - HE be engraved on ELOHIM's palm
For the afflicted HE be the healing power- YESHUAH is the balm

Come oh warrior KING - come author of SALVATION
Come and save the day - come and save the nation
Hidden all along - right here on scrolls of TORAH
ELOHIM'S RIGHT ARM - yes HE be YESHUAH

Oh so beautiful Bride - their worship upon thee adorns
Wrapped around thee like a robe - perfect and not torn
Sing new song for the builder - HE who brings the light to dark
Awaken to HIS call Jerusalem - this Psalmist she screams "hark"

The battle shall be waged - all shall know HIS NAME
KING of GLORY doth descend - now be YESHUAH'S fame
King of Babel he be blown away - good Cedars of Lebanon do sing
Finally rest for a weary Earth - victory YESHUAH brings

Third song be a victory - what a wonderful chord
Battle it be waged - YESHUAH plays strong LORD
Psalmist hears the love song - do you hear it too
Search the singing Prophet's songs - Psalmist calls to you

Fourth movement it be best - oh so very long
Begins in dust but ends in light - what a lovely song
There be no pit for Beloved - ELOHIM doth lift
Rise up all you Psalmists - you be YESHUAH'S gift

Awaken from the dirt - awaken and do sing
Play with string and sound thy voice - MASHIACH do you bring
Arise and serve the LORD - HIS RUACH you HE doth rouse
All your days do sing - worship in HIS house

Eunuch and the Barren - tents will be so grand
All sorrow and confusion gone - thou shall make a stand
HIS face no longer hidden - HIS light it resonates
All of this be HIS will - yes this be wonderful fates

All because of new name - surely it not be ours'
Coming is the time - coming is the hour
A new thing G_D will do - yes a new thing HE shall bring
All for HIS YESHUAH - oh how servants sing

Psalmist sings the song - first sounded by the Prophet
Patterns again revealed - patterns by ELOHIM were set
Isaiah sings the songs - together as one tune
LORD OF HOSTS YESHUAH - THOU doth make us swoon

Focus on the singing - hear the Prophet's song
It be our YESHUAH - beloveds hear it all day long

Prophet Festival

Out of exile - and golus did proceed
The leader from bondage - and subjugation indeed
Just like the days of old – Great I AM of haShomayim
Called Zurubabbel HIS SON – out of Mitzrayim

Moshe sanctuary builder – yes a portrait within Torah
Messianic portent – of the great YESHUAH
As for Moshe we did see – Joshua there of fame
Zerubabbel had his co-star – Joshua also be his name

What a calling – what a “word” to lift
Revealing future King – to receive be such a gift
Prophecy in part – oh so quickly did it stand
Days of temple build – by the branch’s hand

Oh Zerubabbel G_D’s servant – yes thou be David’s son
YHVH says to David’s LORD – Mashiach thou hath won
And forever Mashiach be – upon throne the Righteous King
Zerubabbel be portrait – of YESHUAH yes we sing

70 years again gone by – still no special Israel house
Psalmist sends reminder – Prophet Festival in Elul he did shout
When will thee build a special house – give glory to THE LORD
Stir up hearts oh SPIRIT – sing to them sweet chord

Soon be coming year two – yes of tribulation seven
Patterns of kings and prophets – raining down from Heaven
Time to start is soon – four years be the build
Oh Israel thy workers – be ecstatic and so skilled

But comes Prophet’s Sukkot message – thy Temple it be unclean
Immanu’el be missing – can you see what Psalmist means
Zurbabbel be needed – yes clue be Feast of Chanukah
Ezekiel’s Temple be cleansed – when comes the GREAT YESHUAH

Prophet Festival though his message – not be very long
Festival Prophet’s message – be wondrous Messianic song
Speaks to wondrous things – like Mashiach’s portion of the GREAT
Special Mashiach Festival – Mo’ed number EIGHT

Come to clean HIS dwelling place – sit upon HIS throne
Prophet Festival does sing – Psalmist has been shown
Like Judah Maccabee foretold – Hellenism be going down
Independence coming – Mashiach to wear HIS crown

Please do listen to the Psalmist – dedication calls
All will shake so hard – the clay seals they will fall
YESHUAH be the signet – yes Ephod every stone
Mashiach be Yehuda's heir – signet ring be his alone

Days of Awesome

Each and every one - shall be brought to knee
Beaten down or mercy plea - or perhaps plain old idolatry
All be on a journey - some do make the aliyah
Some know days of awe - a remnant cleaves to Torah

Awesome be THE G_D - YHVH the ancient NAME
Oh great G_D of Israel - CREATOR one and the same
Each and every cycle - mercy call it can be sent
Days of Awe be here again - the righteous do repent

Shofar sounds the call - Psalmist she doth cry out
Know the fear of the LORD - on thy knees get down and shout
For not peace be the message - mankind's journey it doth send
Destroyer be set free now - in sight we see the end

Cycle two be looming now - oh such tribulation
Mankind doth continue - in vain imagination
One journey be a grand descent - worship of humanity
While aliyah doth make ascent - mercy LORD please mercy

Leviathan doth squirm - places shall be strafed
Even sanctuaries - places called to be safe
Vexation it doth follow - descent and aliyah alike
Comes the swords of justice - falling as a spike

Saints do seek the "ROCK" - between the swords is "SUR"
Now be the time to get ready - please listen all the more
Days of AWE be here - more than ever time to **Trust**
Saints in Judah and beyond - listen now you must

Violence be so normal now - children sacrificed each day
Anubis has no power - mortal death shall have its way
And Seth there be no need - chaos reigns supreme
Slavery and old sins be perfected - a generation oh so mean

Time to buckle up saints - Psalmist again doth cry
Tribulation be ramping up - tis the season saints be tried
Don't think there be great rapture - many saints shall fall
Days of Awe be here now - listen one and all

But destiny doth not falter - G_D completes what HE doth start
Feel destiny oh ye saints - way down in thy heart
Days of Awe be upon us - let us kneel and pray
Pray we can withstand - Mashiach coming in "that day"

Let us rise above - the din of olam hazeh
Let us know and do the charge - each and every day
Let us hope our G_D - doth hear our mercy call
Tribulation it does smolder - it be the Days of Awe

He who seeks to save their life - yes this one shall be lost
Great MAKER designates survivors - not all saints will be lost
And mercy it shall extend - for many who do not call
Upon the LORD of HOSTS - who knows the mind of the G_D of AWE

Window it be open now - oh RUACH visit saints I plead
Reveal to them their destiny - G_D's will is what they need
Psalmist she doth intercede - knowing the price to give
Willing to follow YESHUAH - for HIM alone a life to live

Oh Babylon

Weeping Prophet takes up - parable against thee
Oy to Babylon – waves coming you will see
Run so fast my Jacob – run home to survive
There be for thee in Bavel – just no place to hide

Thy defilement – oh yes the stink of thy hate
Hath risen high to Heaven – oh Babylon the great
So mysterious be – this mingled multi-imperial thing
Against thee Babylon now – doth the Psalmist sing

Babylon be riding – yes on the Olam's back
But now oh ravenous whore – thou doth suffer Olam attack
For the curse descends – peoples driven by gross indecision
A peoples called "Minee" – there be simply only division

Oh yes all the clues – to thee see how they point
4th Kingdom all ye children – generation did G_D anoint
Ashkenazi not be blessing – succumbed to Alexander oh so strong
Thy journey it be filled now – after many days so long

So now Bavel doth grind – Olam it does fight
Battles in the street – between the left and right
Divided kingdom falls – one Imperium shall persist
WORD of ADONAI – how can mortals resist

Ironic yes it is – torn apart from inside out
One against the other – rulers they do shout
Olam wants no reins at all – it be simply about the "me"
Babylon holds so fast – to its blind idolatry

Divided kingdom can't survive – Jacob don't get caught
Make the holy Aliyah – flee from pending onslaught
For comes destroyer soon – wash away everything
Psalmist pleads and cries out – Jacob hear her sing

All clues they point to Noach – pointing to the flood
Foretelling of destruction – heaps and heaps of mud
City that doth never sleep – sleep all surely will
Wave doth wipe it out – forever to be still

Yes torrent be the voices – peoples of all nations
Judgment it doth satisfy – all pundits' imaginations
Pave the way wave does – wipe out indecision
Pave the way it does – comes the horror the son of perdition

Oh Jacob won't you hear – amidst the rebels thou be dwelling
Waves they now be growing – can't you see them swelling
Comes another warning – comes again a fateful cry
Weeping Psalmist she be crying out – Prophet he doth not lie

Yes Judah be for thee – to go back to that place
Oh so brave an Aliyah – don't harden thy lovely face
For redemption doth draw nigh – even though tribulation it doth sing
Jacob home in Israel – they'll be saved by YESHUAH the KING

Oh The Mystery

Oh the mystery – oh what RUACH does let see
Ever humbling – resonates so deep inside of me
Things unspoken – going on all around
Mysteries of the Heavens – within our realm abound

Doth mankind – ever stop to see and listen
Doth mankind – consider what he be missing
Signs and wonders – these latter days how much more
Ignorance not be bliss – consequences oh so sore

Heaven doth descend - mystery be the breach
Pay attention sons of men – how the Psalmist doth beseech
For visitation comes – portal be open wide
Don't be caught asleep – let RUACH be thy guide

Powers and Principalities – they again be marching strong
Knowing that their time – it be short not long
Judgments they be opened – mankind the time is nigh
Look with RUACH to the Heavens – please look to the sky

Yeah they say we're silly – even out of our minds
All the same they're there – in the sky the signs
Comes the riders on the horses – don't think G_D's WORD be just a story
Believers know the truth - G_D's WORD be "history"

Leviathan be let loose – the people it shall swallow
Those who choose to stray – rebels who will not follow
The LORD of Light YESHUAH – please HIS light don't dim
Pray HE light you up – Psalmist pleads you pray through HIM

Prince of Air commands – still with authority
YESHUAH saw the satan fall – Luke testifies to thee
Let thy Spirit strengthen – not for gifts or power given
Rejoice because thy names – are written with the living

Abounding so many wonders – won't you look and see
Anyone and everywhere – it not be a mystery
For now the time be here – wickedness doth take up their station
Now be the time for tribulation – time of the visitation

Signs and wonders they be grand – yes even darkness can be good
When we stop to understand – when we look and listen as we should
Supernatural is alluring – super natural we might think cool
Super natural be not always for profit – oh please don't play the fool

Psalmist she doth pray thee – ask G_D for advice
Powers that be dark – can present itself as nice
Look and record what you can hear – even what you can see
Then find one who discerns – perhaps the truth they'll tell thee

Signs and wonders they be real – they be not the mystery
“What means this” be the question – what is it that you can see
All answers be the patterns – answers from RUACH alone
Rightly divide the WORD – not just what you've been shown

Gathering doth take place – foulness flowing to UR
Traveling to the East – migrating to the tower
Chaldees be the clue – legend states the beginning of war
Who can withstand such – we need YESHUAH all the more

LET MY PEOPLE GO

Messenger doth cry out – people listen up
The LORD be ready now – filled be judgment cup
Warned enough be Mitzrayim – told be Israel
Seems no one is listening – Psalmist she doth tell

NAME of G_D revealed – first be EL SHADDAI
eh'yeh ásher eh'yeh – HE be ADONAI
But to Moses came a gift – more familiar Y@HOVAH
Full circle do we come now – Redeemer be YESHUAH

Israel's great Mashiach – HE hath been revealed
HE be the great YESHUAH – by HIM judgments be unsealed
Poor people so enslaved – spirits crushed and numb
Same but different now – still under Pharaoh's thumb

YESHUAH doth call out – listen up you Pharaoh
Don't play deaf and dumb – surely MY NAME thou doth know
Thou can twist the truth – thou might surely lie
MELCHIZEDEK be ever strong – this thou can't deny

Psalmist doth bring weapons – rod and pluck of hand
Resonance to pain thee – oh yes Pharaoh understands
Message doth ring out – Pharaoh yes he hears
Still crushing all the people – mocking all their tears

Hear you Principalities – Listen you wicked Powers
MELCHIZEDEK be coming – rip down all thy towers
The people must make Aliyah – leave Mitzrayim forever
MELCHIZEDEK doth command – from thee people I will sever

For Israel be MY son – even MY first born
Thou hath treated him with bondage – crushed him with thy scorn
Taught him to forget – the covenantal promise
MELCHIZEDEK be coming – Israel to redeem and bless

Psalmist doth send message – Psalmist doth sing verse
Lowly though she be – she proclaims the curse
Listen close oh Pharaoh – these words yes you know
MELCHIZEDEK commands thee – LET MY PEOPLE GO!

For nif'l'otay shall rain down – wonders for Israel not to harm her
MELCHIZEDEK be for the people – their full and shining armor
Message yet again – same but different from long ago
PELE says to Pharaoh - LET MY PEOPLE GO!

ha ZEFEQ

The beast be ready now – ready to infect
Bubbling up within his throat – be three wondrous zefeq
Oh foul unholy goiters – doth thou come out to delude
Miracles and healings – lead astray them so confused

For mortal yes man be – oh first death not to taste
Has so many running – for healing out of haste
But look beyond the miracles – doth healer yield to Torah
Doth healing power stem – from glory of YESHUAH?

Doth healer talk to the dead – doth healer have own power
Doth healer know of secrets – ways to use the flower
Doth healer walk straight path – is spirit holy and true
Doth healer desire far too much – from the soul within you?

Re fa-einu ADONAI ve ne'ra fe we cry
Heal us great "I AM" – please lift us up so high
But let not our mortality – give us such a fright
Let THY will prevail – let THY Torah shine so bright

Where be healers Tov – those with charge aligned
Healers through HaRUACH – can we see the holy sign
Healers not blown up – with worldly me me me
Healers ever humble – praising King of Majesty

Lo Mashiach must be there – look so wonderful and strong
Miracles and healings – poor people waiting ever long
Run away poor sheep – don't let fear take hold
Let G_D's will prevail – stand tall and ever bold

The days be short enough – extra wicked are the signs
Redeem the days right now – yes redeem the time
Run to G_D alone – for comes unholy zefeq
Know what the Torah says – this please don't neglect

Psalmist she be tested – has seen three hazefeq
Foul healer tried seduction – dreams upon her as she slept
Oh RUACH guide us all – from evil let us flee
G_D be israel's only healer – let it always be

Darkness comes as bright light – ravenous wolves do eat
Fear not the pending storm – or the fate that thou shall meet
For G_D's will it be perfect – so many shall follow blind
In the hardship of mortality – eternal life in YESHUAH do find

He who saves his life will lose it – this saying doth ring loud
Saints be different though – not following the crowd
Recognizing evil – couched within the light
Torah doth reveal this – yes Torah do shine bright

When thou gaze upon the healers – yes when thou doth gawk
Remember nasty goiters – reminding you to walk
Let G_D's will for thee – be enough to bring shalom
Don't let wicked healing – keep a saint from going home

The "Collector"

Oh thou crafty "collector" - you the son of blameless
Write now to thyself - G_D is for thee though thou be hopeless
Yes thou be a mighty man - brutish in every way
Thou be lower than the husband - lower than A'dam is what you say

Who could know the holy - who hath ascended up to the throne
Who hath come back down - to make wisdom to be known
Doth thou know HIS NAME - and all that HE hath done
Doth thou know the NAME - of the HOLY ONE's only son?

King of riddles yes thou be - but hoping to reveal
Telling us what is useless - telling us what is real
Speak of that generation - from the beginning yes the same
Generation of rebels - those who won't be tame

Clues of great defiler - his daughters who suck blood
Coming soon they be - riding on the flood
Anti-Life thou be - "collector" knows the truth
The grave, dead womb, no water - fire burning be the proof

How the Earth doth roil - when bad servant he doth rule
Satisfied is the brute when fed - remaining such a fool
Jezebel thou be married? - Or handmaiden doth inherit?
How the Earth does squirm - the Earth just cannot bear it

But what if man could fly - or traverse the great rock field
Or walk upon the waters - flotation be thy shield
Even better yet - what of holy soulmate knowing
Oh so wondrous be these things - the riddle it be growing

Let wisdom reign supreme - just do what thou were told
Follow G_D's great plan - no need to get to bold
Thou were given simple command - keep quiet and just follow
Cover thy mouth oh fool - don't speak and don't you swallow

Psalmist sings a parable - "collector" recorded his lesson
Shrouded amidst the mystery - "collector" was confessing
Seems that in the end - "collector" knew two truths
Wisdom and foolishness did abide - "collector's" life it be the proof

L'Dor v'Dor

Wisdom did cry out - three did heed the call
Foretelling by great sign - yes Babylon would fall
Oh ye seekers of the signs - looking to the stars
Generational count of time - thou did come so far

Who did give thee warning - how did truth reveal
Did thee tell the exiles - did they know or did they feel
What of riotous King - neither did he know
What a lovely Aliyah - sign showed thee how to go

How did thou see a pattern - yes the pattern of the times
Did thou know of Dani'el - did thou pay heed to his sign
Forty-two units thou did reckon - thou did so very well
Knowing WHO was coming - KING of All and Israel

Generations of forty-two - t'was the time for gifts
Blessed HIM with thy wealth - healing and incense yes to lift
Not to play the fools though – holy warning it did arrive
Escaped and went away - vicious King with innocence did strive

Oh wisdom hide HIM so - found only by those who seek
The brave will make the Aliyah - tis not for the ignorant or weak
Star sign it doth mark - the time of the calling out
Wisdom did make call again - Yom T'ruah sign did shout

Bar Mitvah be the date - when new generational count began
Twenty-eight generations more - per Daveed this surely be the span
When holy Mount Tzion - once again it did hear praise
Modern Jubilee - Israel on Tzion flags did raise

Patterns and signs persist - yes this be G_D's way
Seventy generations gone by - plus one Jubilee it was the day
43 units be the measure – days of counting from secret past
Mashiach's sign in the Heavens – proclaiming day of Jubilee be coming fast

Oh you precious Dani'el – how thy vision it does come
Not for all the many – indeed just for the some
Times oh yes they be – rendered only by the wise
Times oh yes they be – declared within the stars and skies

Patterns of coming King - sign yes of HIS birth
Wise men they did see it - sign was seen from down on Earth
Jubilee proclaimed again - riotous King doth come against
Seven years of rebellion - before sore recompense

Doth Israel seek HIM earnestly - what of those in exile
Messianics what of them - hopefully waiting all the while
Wisdom she did call out - who did look up to the skies
Who doth bring their time, anointing and worship - to the King on high?

Time and Times and Half - How Bavel did destruct
42 Generations later - Tzion free to reconstruct
But oh you generation - determined by Olam you see
Time and Times and Half - how stiff necked yes you be

Let us do await - longing for Dani'el's days
Extra time there be - this seems to be G_D's ways
Oh such great a story - how great the mystery
Key it be YESHUAH - yes "that generational" history

Psalmist doth make parable – maybe interest for those who seek
Psalmist doth not reveal location – she still be a maiden oh so meek
Mysteries and “SOD” – LORD bless each one who doth look
Speak to them in parables – this how it be throughout the book

A Song of Songs for the Bride

I want to sing of this special love;
That Yeshua has for His bride, His dove.
There is nothing on earth that can compare;
To the holy love for His bride so fair.

He sees as most beautiful of women His bride;
Not only the outer but the beauty inside.
He desires her with a passion so extreme;
She has captured His heart with her beauteous gleam.

A bride so special, with heart only for Him;
He is just waiting for your song to begin.
The new song you'll sing with harp and lyre;
Will beckon the Bridegroom to your holy desire.

He sees the radiant beauty of His beloved ones;
Beautiful as the moon, bright as the sun.
Unquenchable is His love, strong as death;
May you sing this desire with every last breath!

You have been set as a seal upon His heart;
He is jealous for those He has set apart.
It flashes like fire fierce as the grave;
Of this love, many waters cannot stave.

Your Bridegroom Yeshua, distinguished and ruddy;
With eyes like doves, besides streams of water.
Altogether desirable is He the Groom;
The bride is lovesick, O please come soon!

Vines are in bloom, the fig tree is ripe;
He is coming to His garden of flowing spice.
The flowers appear, the rain is gone;
A time of singing has now come.

Our Beloved will speak and say at last;
Come away my love the winter is past.
He will gather His lilies, one by one;

All those waiting for the Bridegroom Son.
To Him your love is better than wine;
O can't you feel this love so divine?
From Yeshua , the Bridegroom all decked in jewels;
Flows this passionate desire only for you!

Until the day breathes and the shadows flee;
Away to the mountains, He takes His lovelies.
O select ones, so desirous as the Bride;
You have captured His heart with the glance of your eyes!

O beautiful bride, Yeshua's special love;
Without flaw, you've been perfected from above.
He is the One whom your soul loves and clings
O for that day to come, will you please sing?

Psalmist's Heart

1: Oh Lord my G_D ... my very salvation ... the Yeshua within my heart

2: How doth my soul contemplate thee all the day and through the night

3: My very being burns within at all times delighting in thy tender mercies and miracles

4: My life would fail Lord if not for the hope and desire of finding thy face at the end of days

5: Yet the sons of men have forsaken thee beloved for the powers of Earth that be

6: I shed tears upon my soul knowing in my heart what awaits those who do not fear THEE

7: But more so beloved Lord my soul cries for it is thee who is offended – it is thee who is rejected

8: Thou who has given freely everything from thy great storehouse – even more - thine only Son

9: Break thou oh heart of mine, never ceasing in grief and dismay – for the folly of man doth wax more

10: Bless thee forever in thy righteous anger and heartache - my beloved Lord

11: Were it not for thy charge given to thy servant Lord – would I not be in thy sanctuary all my days?

12: There I would celebrate in the shalom of thy presence – dazzled by thy light – serving thee with joy

13: For now beloved Lord may it please thee greatly that thy servant doth long for thee continually

14: Though stumbling and meandering, thy servant seeks the goodness of thy Torah – so that I may live

15: Bless thee oh Elohim – lift up mine head from the dust - let thy servant kiss the feet of the Son with my sacrifice of obedience and worship

16: Soul to soul doth my beloved Yeshua beckon to thy servant – calling from the realm of Heaven

17: Hark oh ye children of men – will thou be deaf forever? – will thou be blind until thy souls descend to she'ol screaming alive?

18: In that great day when the brilliance of my beloved Lord doth shine upon all creation – exposing what is both chaff and select – shall thou cry out

19: But to the wicked shall my beloved Lord turn the deaf ear to thee foolish children – to the wicked shall my beloved Lord turn a blind eye unto thee

20: Not so for thy servant Lord – who has sought thy covenant – who has thirsted for thee with soul renting all mine days

21: The Lord desires not that the praise and song of mankind for him be silenced forever by the depths of she'ol

22: In that day the Lord shall exalt his lowly servants and give them Salvation – give them shalom – give them the desire of their heart

23: Then forever more shall thy servant Lord lie in thy bosom – thy tabernacle – shining in the light of Yeshua

Beloved In Arms

This Psalmist calls out to Beloved in arms
Fear not the pending storm - you shall not come to harm
Order has been given and set is the seal
Oh yes - the 144,000 - believe - we are real

Yes like David in his gifted glory shall we sing
To awaken the very dawn with voice and string
Away darkness - away all the enemies that fight
Comes our Morning Star - ever so bright

Those Beloveds sleeping - rising up first upon great shout
Meeting Yeshua in the air - so glorious and stout
Then Beloveds alive chiming in with new tune
Oh can't you feel it - all this be so soon

Who hath a heart like David of old
Who hath been sealed - who hath been told
By messengers and anointing the truth is revealed
To even loved ones and friends this truth is concealed

Beloveds awaken there is so much to do
Search through eternity - this one calls out to you
Have you blessed and always do you give
Awaiting something so special - always do you live

There assuredly be Beloveds who appear to be base things
Nevertheless our G_D has ordained they shall sing
What Beloveds be in the realm beyond great rift
Is the revelation that they be elected's gift

Sealed to bless, call, protect and survive
As in the days of Noah those close will stay alive
Oh yes you will know of that special refuge place
You know it in soul - there be our LORD's face

Awaken Beloveds in arms - it is time
Look for it - G_D is sending out the sign
Truth be woven in soul before it did begin
You've felt it - now trust in HIM

Pray real hard for our prayer does G_D hear
Oh to Beloveds G_D is always so near
Just see the patterns - again and again they do play
Patterns in HIS WORD will show you the way

Is G_D's WORD alive - are you living as dreams
Do people tell you that you shine and beam
Are the broken and needy sent to you for relief
Are you special - can you help their grief

Do you experience the great wonders and signs
Does Torah pull your heart - do you walk a straight line
Have you been sifted from Babylon the great
Has your soul fluttered - considering such fate

All along has your heart been for others
Wanting to care for sisters and brothers
Humility always chasing such thoughts away
It's time to gird up - you be needed for that day

Don't let Nicolaitans stifle the new song
They be about order and themselves all along
Thinking that ministry always is G_D's will
Don't let be silent what inside has been instilled

G_D's selections and choices do confound the wise
Even believer's jaw shall drop when looking to the sky
For shepherds and he-goats will not be in favor
Leaving the unlikely - the ones G_D does savor

Chazak, chazak the end days do loom
Shortly we shall hear the LORD's wondrous boom
Time to gather close ones under wing
Time to nurture - time to sing

Call them Beloveds beckon them to safety
For they belong to the King of Majesty
Like all Beloveds - special blessing you be
Please listen to Yochana - please listen and see

Morning Star

Come Beloved – Wonder Morning Star
Thou be so nigh – never too far
Brought forth as first – as itself the very life
Soulmate of ELOHIM – everything – child, word and wife

Tasked with the creation – making everything
Designing oh so perfect – designing everything to sing
Of the perfection ELOHIM is - and will always be
The very light of humanity – seeing ELOHIM shine so brightly

When the Heavens did rebel - not liking holy servitude
Going oh so far – mankind they did delude
Oh Morning Star was asked - to lay down divine itself
Go and save creation – soulmate they need Thy help

Oh Beloved Star – what perfect love was given
Just so the creation – could be saved and go on living
All sin and deep transgression – taken upon Thy back
Thou emptied Thyself completely – deep into the black

Overcoming sin and becoming perfect love
Thou reconciled creation – with ELOHIM above
Becoming grace and mercy – right here in the flesh
Oh Beloved Moring Star – G_D and Thee are one nephesh

Perfect and so righteous – yes Thou are the Torah
Also life unto Thyself – Thou are the great Yeshuah
Given all authority – Thy portion among ELOHIM the great
Beloved Morning Star – election's wondrous fate

Beloved Morning Star – please do shine within
Bring us back so far – to when it did begin
Let us sing new song – yes a song made just for You
Come quickly with the dawn – for Thee our love is true

Just as Thou was cleaved - from great ELOHIM
Thou hast cleaved us as well – yes it surely seems
With Thy perfect love – awakened in us deep inside
Now we be soulmate too – in us Thou doth reside

We clamor for Thy glory – time to ride the light
Time to come in power – time to come and fight
Thy Bride great Morning Star – she be in distress
We just can't go on – without Thee we confess

We cry out to the dark – we cry to wake the dawn
With new song that we sing – a new song we did spawn
Inspired by Thy greatness – inspired by soulmate
Inspired by Yeshuah – salvation's life so great

Please listen to our voice - please do heed our string
Come oh hurrying Lord – come oh saving King
Thy soulmate doth await Thee – with a panting heart
Save us Beloved Morning Star – as Thou planned right from the start

Who is named Pele – Who can be called true Wonder
Only our Morning Star – You be the one we ponder
Spreading soulmate love – just so children will believe
Spreading soulmate love – to Brides who shall receive

Woman or man means little – in this great mystery
Except to comprehend soul love – this cleaving and ecstasy
For soul love goes so deep – love it be the key
In understanding Morning Star – as His Majesty

Sing you brides do sing – the dawn you must awake
Time to wake the Heavens – the Earth your song shall shake
For with thy melody – and thy lovely string
Soulmate of all creation do you surely bring

Spirit To Spirit

Spirit to Spirit - Psalmist does call out across the land
I know you are out there - you 144 thousand
In this realm or the better - just awaiting for G_D's seal
Feel it, know it, believe it - all of this is real

Onslaught it be coming - you can feel it deep inside
Time to think of shelter - somewhere to reside
A place where G_D will lead you - show you where it is
This our LORD shall do - you are special - you are HIS

Do you call out to the elect - do you beckon some to you
Or do they just keep cleaving - this could happen too
But be aware you must - with G_D there will be order
Please listen to my plea - time is getting shorter

Now more than before - so many seem to slumber
The remnant need a guide - they be so small in number
Awaken to the call - time to listen and take a stand
No time for playing church - now comes reprimand

Spirit calls to spirit - please Beloveds pray
Destiny is calling - you just can't turn away
Open up your hearts - upon you others will depend
It is you to whom the friends - G_D will surely send

Be it just like Noah - or even Rahab the prostitute
Destined to survive - this you can't refute
G_D desires Israel - to stand and be haEdah
Witnesses to Him - witnesses to HIS YESHUA

Can you see our Lord's selections - patterns that do sing
We find the pure and unblemished - in the humble and base things
Many sayings be literal - others given to be a shadow
Look for signs and pray - Spirit tells you what to say

Await the declaration - it won't be of your self
A message it will come - He'll send all necessary help
But know that action is needed - time to get in gear
Psalmist calls out to you now - for the time is near

Time to speak to loved ones – time to consider end days
The storm is surely coming – it be on the way
Even short of faith and perhaps with little trust
Soon they must be told – despite these things you must

This be about survival – this be about Yeshua's reign
This be about filling up Israel's bridal train
Be it tzit-tzit or robe – some will grab on tight just few
They knowing in their hearts – that G_D really is with you

Looking for the 144,000

Could it be you are a select of our LORD?
Having a special job, being one of the 144?
To take care of a group, perhaps they be small;
To keep them alive, sustaining life to them all.

Are you the one who will keep them alive?
Are you the select one who will help them survive?
All through time God always had a group;
Who would survive the tumult and make it through.

God wants witnesses left on this planet;
To proclaim the testimony of all that will happen.
Just like in the days of Noah, there was a group of elect;
Those whose very survival depended on a select.

God instructed Noah and he did believe;
Then he told his family and they too received.
Noah prepared the ark to protect family and float;
For when the waters from earth and sky would explode.

Only the seven plus Noah did listen.
God shut in the eight for safe keeping.
It was the haven of life for those eight;
To survive the judgment, the flood so great!

But those in the world would not listen to him.
Giving no heed to the coming judgment for sin.
To think that in the entire world there would be only eight,
Who would survive God's wrath, to have such a fate!

So now we look and see the signs.
The days of Noah are here at this time.
Are you the blessed one who will warn?
Those who are close to you will be protected from harm.

Do you know what G_D's assignment is for you?
To bring them to life, to survive what God is about to do.
God has His select ones, they are the bride.
Those who cling to her robe will be the ones who survive.

For that day may come like any other day;
People doing their thing, engaging in play.
Things may seem normal if you are not paying attention.
Soon comes swift judgment from another dimension!

Are you a beloved, one of the 144?
Are you preparing? You should know what's in store.
For if you are one and choose to believe,
You will witness G_D's plan, to you they will cleave.

The brethren's very survival will soon be at stake.
They must stay close to a beloved for their own life's sake!
If you are a beloved, meant for this time;
Stay on course, watch for the signs.

Helping others to survive, that you've been given.
Do you know who you are, do you understand the mission?
Know there are others on earth right now;
Who are preparing and waiting for this to come about.

Listen to G_D, He will put things in motion
He may even bestow a double portion!
Most important for the 144, for this they yearn;
To sing the new song of the Lamb, to call for His return.

I have waited so long to sing for my King;
Yeshua come soon, we are all waiting!
In the meantime, the beloveds will take care of your elect.
Thank You Father for the charge of the select!

Servant Resonance

Instructions given oh so long ago
To a talmidim our LORD did love so
Revealed that only servants like him could understand
The great Revelation from our LORD to man

What means this is the question that we ask
Who are the servants and what is the task
To begin we were told to shema and believe
The prerequisite before we can receive

Before anything - was revealed the path of the people
Oh how we did see the years and church steeple
Traveling a path defined millennia before
Until finally our LORD shall have it no more

Then and only then when the cup is up to the brim
Then and only then shall latter signs and judgment begin
Kicked off of course by a trumpet voice - a blast
Revealing the power - present, future and past

Then new resonance - new song did commence
24 Beloveds with their harps, prayers and incense
Prayers of the saints - crying worthy is our LORD
Only YESHUAH - from ABBA given special chord

Again resonance - commanding look this way and see
The coming of the riders and horses that shall be
And we know that they ride - when the event is marked and doth shake
The wrath of YESHUAH makes the Earth quiver and quake

Yet mercy in the midst of judgment yet again
Oh such mercy from the throne until the end
Comes the seal for the Beloveds - those anointed
For these days - such times are appointed

Then the seal of judgment - resonance it doth cease
Silence in Heaven - for Earth no more peace
For trumpets and horns doth blast out resonance
Bringing pain and anguish upon an Earth without repentance

Oh whoring mankind - bitter water test did fail
Infidelity to the Husband - as creation it doth pail
Defiling land and water - with thy lumination thou doth make
Look at what's been done - to ocean, rivers and the lakes

But sleep it doth continue - as in the days of Noah
Pundits looking hard - for a modern day Krakatoa
But still the days proceed - and the prophecy it doth flow
Truth be only revealed - to servants HE will show

Resonance to Resonance - sounded is the chord
Get ready people of Earth - coming is our LORD
Further things be along - judgment be on the way
Soon so many shall be wailing - crying out oy vey

Rise up knowing servants - doth no one hear the call
The great and wondrous surge - coming before the fall
Sealed ones must be ready - there must be more than one
Rise up Beloved sealed ones - tell them where to run

Time to prophesy again - yes many they shall hear
Little book has been eaten - time to get in gear
Resonance so sweet - honey on the tongue
Bitter resonance of message - the Earth will surely plunge

Oh resonate so lovely - Beloveds speak of love
Warning and the mercy - coming from G_D above
Oh elect return - repent and to YESHUAH run
Too late to escape the judgment - but find mercy in the Son

G_D doth speak to servants - a special resonance
All things do line up - nothing left to chance
Where be dreams and visions - signs up in the Heaven
Who doth listen now - for the resonance of the seven

Listen and obey - to the prophecies in the Book
Listen for messages from those - allowed to take a look
G_D told us long before - what would happen in these days
Revelation 12 be coming - who can know G_D's ways

Arise Dry Bones

Arise My Lovelies – no time to be dry bones
Hear the Psalmist's song – hear the light that's shown
Ready thy selves - for the grave rest be coming to an end
Come Beloveds – thou hast a song to send

The Beloveds in YESHUA - surely shall rise first
Oh dry bones – how thou for so long did thirst
Come and meet the LORD – first up in the air
Come and meet the LORD – risen ones first be there

Be joyous oh dry bones – put on light and skin
Listen to prophetic words – let it all begin
Awaken dry bones – yes doth the Psalmist sing
Hear the LORD's command – within thy soul and ears it rings

Beloveds have been waiting – patience is their way
Waiting on our LORD – waiting for such a day
When the prophet's words be spoken – thus saith ADONAI
Arise and live again – Beloveds whose bones be dry

Soon the Psalmist will arrive – and sing to thee up close
For now just be excited – latter day winds they do blow
Let thy souls be stirred – get ready for Mashiach HE is nigh
Soon Beloveds arise – thy bones be living and not dry

Oh destiny and fate – what is this thing the LORD hath completed
My Beloved brethren – in thee hath YESHUA seeded
Thou shall sing new song – resonate with thy strings
Thou shall call HIM back – thy song YESHUA bring

Rise up soon and ascend – meet HIM in the clouds
Then be joined by the living – all the Beloveds shall be found
For the LORD of Hosts – shall instruct thee on thy way
Send you to Jerusalem – to stand for them that day

Leaders, Priests and He-Goats - found to be so weak
The ones standing in the gap - be the Beloveds fierce and meek
Called upon to rise - House of David a special being
Beloveds be those standing - Israel and the enemies shall be seeing

Upon the battle front - doth Beloveds rise
YESHUA He be waiting - furious in the sky
When moment be just right - HE comes with jealous zeal
YESHUA comes to save Beloveds - Psalmist doth reveal

Get ready all my brethren - Psalmist she doth cry
Get ready all my brethren - both living and whose bones are dry
The LORD HE doth command - rising time soon comes
Dry bones that shall live - are not all but just Beloveds some

Listen to HIS prophets – LORD YESHUA HE hath spoken
Prophecy revealed already – HIS WORD cannot be broken
Parables be given – just so they can snare
All the self-proclaiming wise men – chirping loudly as they dare

Who be these special saints – those awoken from dry ground
Awakened to new life – destiny has them found
Psalmist sings to thee – ready thy precious souls
Soon living WORD doth command – arise and be made whole

Soul Rent

What hath soul love shown – love of soul be best
Of all that gives shalom – soul love burns the best
This be known in our realm – if experience of RUACH doth prevail
Soul love overwhelms – HaRUACH blows the gale

What of soul love greater – love eternal that is haya
Soul love that is perfect – between ABBA and YESHUAH
To know and be G_D's pure love – to yada nothing else
To rent thy very soul in two – providing creation with needed help

Before the world was formed – YESHUAH did sacrifice
Being separated from ELOHIM – being rented from pure life
Oh calculate the cost – consider all the pain
Renting thy soul to leave it's love – so that rebels and sinners gain

There be no acceptable sacrifice at all – if not at the highest cost
There be no sacrifice so great – as eons of soul love lost
Rejection, betrayal and suffering – to loss of love doth pale
Being rent from soul love – an eternity in jail

Who doth hear the Psalmist – who doth know such love
Who doth know G_D's sweet caress – tender upon the dove
Who doth know soul fear – imagine pure love to be rent
Losing perfect soul love – t'was given from Heaven sent

Beads of blood did flow – from YESHUAH'S beauteous head
Not for fear of pain – not for soon that HE be dead
Fear did take it's toll – for perfect love soon lost
Separation from soulmate love – unimaginable cost

Oh FATHER how THY righteousness – makes groan my soul inside
Rented from within THEE –YESHUAH not allowed to abide
Becoming what THOU are not – condemning perfect soulmate
YESHUAH became our sin – the thing that THOU doth hate

Psalmist she doth writhe – considering such a breach
Perfect sacrifice of pure love – only YESHUAH HE could reach
Go to them my SON – rent THYSELF from soul light
Go to them my SON – for them stand and fight

Oh YESHUAH how I swoon – this thing that THOU hast done
Separated from ELOHIM – son of man did THOU become
Mocked and scorn and sacrificed – greatest torment of all time
Sacrificing pure soul love – oh victory divine

And what of coming wrath and fury – not for disobedience
But contemning perfect soulmate sacrifice – not loving perfect innocence
How dare thee sons of men – scorning gift from perfect dove
Choosing dark and wickedness – spurning soul love from above

If sons of men in zeal – guilty loved ones to the death protect
How could ELOHIM – unrighteousness neglect
Yes ABBA's perfect soulmate – for mankind did life spent
YESHUAH to save creation – from ELOHIM did rent

Psalmist she doth plead – search deep within thy soul
What greater sacrifice there be – than choosing to become un-whole
Let us praise BELOVED YESHUAH – let us groan for separation burns
Let us hope that soon HIS soul love – again in ELOHIM shall return

Woe to wicked hearts – those without soul love
Wrath and fury it doth come – from G_D's throne up above
For G_D is love its written – YESHUAH be the very same
Damnation comes to the dark – rejecting the gift, oh what a shame

Consider perfect love – could thou leave and rent
Who could sacrifice pure love – un-whole a moment or eternity spent
No greater love be shown – than the sacrifice of The SON
Selfless soulmate separation – so ABBA's victory could be won

8 Days of Light

8 Days of wondrous light - perfect and so wonderful
Closer and closer to HIM - doth us YESHUAH pull
Again we cry out loud - LORD how can be this thing
Resonance of soul love - to each other do we sing

Learning as THOU shows - yes LORD THOU doth teach
Showing us the Heavenly - showing us where to reach
Revealing perfect love - fullness of shalom
Teaching us desire - oh please let us come home

Moments oh so sparse - yes we be from each other far
Moments of sheer delight - burning light of eternal star
On one hand desperate yearning - tis just so hard to cope
On the other hand G_D's promise - in HIM we trust and hope

In her womb did sprout - pure RUACH truth and grace
Comes the Son of Man - glory upon HIS face
Re-igniting light of mankind - oh HIS love we chase
Pure light from our YESHUAH - can others see it in our place

Oh Channukah thy resonance - yes a holy Feast
Let thy light and love rage on - oh LORD will THOU please
Countenance of FACE - please show us GLORIOUS SHINE
Let soul resonance engulf us - us and our YESHUAH please combine

Soaking kiss of soul love - sweeps across our essence
Can there be a doubt - we know it is THY presence
Kingdom spreads to us - in this realm here and now
YESHUAH's light is real - haya is forever now

8 days of Channukah be - 8th Feast be our LORD's
Biblical or not - there be no denying Heavenly chords
Resonance so special - gifted when YESHUAH did create
Light did come to this realm - when YESHUAH left ELOHIM the GREAT

Run to HIM dear children - please don't hesitate
Finding living love - HE is mankind's everlasting soulmate
Let HIS light rain down - let it soak way down inside
Let YESHUAH's Channukah gift - forever in thee abide

See As G_D Sees

Do we see as G_D sees - what is behind the veil
Can we see the strength of grace - in the sinful and the frail
All throughout the ages - from Adam did G_D view
The remnant to find grace - the humble and the few

In this realm the look - may not be the very best
In this realm it may seem - none can stand up to the test
But beyond the veil great G_D - does see the innocent dove
Those on the Torah aliyah - with YESHUAH's soulmate love

Humanism be fine - for the sake of humanity
Humanism be fine - if one doth seek idolatry
In it we shall be - but of the Olam we are not
Children brought by blood - those YESHUAH HE has got

Love not the pride of life - but learn and do G_D's will
Turning away from the world - be quiet and be still
For G_D sees oh so differently - G_D sees through our Ozer
G_D sees YESHUAH's seed - beautiful and fair

Imperfect as we be - struggling along the journey
Admitting every day - G_D be such a mystery
Quietly awaiting - instruction from G_D's TRUTH
Speak to us today dear LORD - let faith be our strong proof

This Psalmist she does cry out - LORD please let it be
Beyond the veil like THEE G_D - for a moment let us see
To look upon the brethren - to see the veil from behind
To see the grace of YESHUAH - to see their soul love shine

As G_D's WORD does reveal - "hallelujah" in G_D do we shine
Praise and worship HIM in truth - with RUACH oh so fine
Resonance of saints - reflecting true light of The SON
This light be pure soul love - in YESHUAH we are one

Oh great G_D how can we see - the shine beyond the veil
Despite Creation's beauty - mortality looks so pale
Let us see as THOU does - YESHUAH let us see the soul
Let us see the glorious shine - when rebirth makes us whole

Oh LORD let us shine forth - let lovely be upon our face
Let others see YESHUAH's shine - right here in our place
Demure and meek and quiet - humble as THOU commands
Let us shine in THY glory - please let us make our stand

For love of brethren be our standard - rebels we will not tolerate
Shining in the dark - we don't yield or hesitate
Humble but unyielding - this be the Psalmist's cry
Until the day doth come beloveds - to meet YESHUAH in the sky

ELOHIM Of The Living

Oh GREAT ELOHIM – G_D of all the living
This wonderful “haya” – this life THOU us be giving
Knitting and weaving strings - by THY work and chord
All to know and live YESHUAH – our SALVATION and our LORD

These steps YOU provide – this straight Halakha
Revelation of the TRUTH – feet to face Aliyah
Gently blowing into the soul – RUACH that is right
Letting us know YOU and YESHUAH - mankind’s very Light

THOU soul love for YESHUAH yes it be untamed
And for the perfect love – Ezer shall get the fame
The longing be so dire – oh just to see the face
To be reunited in ELOHIM – through miraculous Love and Grace

THY WORD oh G_D – clear declaration
Pure TRUTH no doubt – pure inspiration
Yet just words if echoed - by the dead and not the living
Without love’s resonance – nothing for the giving

But THOU oh awesome MAKER – hath raised up for memory
Messengers who resonate – who live the mystery
Living “haya” indeed – when WORD doth give off vibe
Truth of knowing – real yada comes from deep inside

There be so many who do chirp – trying with facts to seal
A TRUTH which must be woven – to each a Heavenly reveal
Leaders, sages and wanna-be(s) – oh so much to say
Part of rushing waters – who can’t hear or see today

The Psalmist she doth cry out – sending love and resonance
Not to Y’hudah or Ephraim this time – she cries out to the saints
There be no help from the Mitzrayim – nor from Ashur - Babylon
We trust in Ozer YESHUAH – hopes alone on HIM upon

Oh wondrous LIVING G_D – Isaiah truth did speak
Await the wonderful child – Mashiach Bridegroom would you seek
Comes the second gathering – all saints from afar
Written to Life in Jerusalem – comes our Morning Star

The saints ye be not orphaned – though base things we all be
Denied by secular Y'udah – same with religious Ephraim you see
Deep in tribulation – sustained only by YESHUAH's love
We be planted in HIS vineyard – by ELOHIM above

Yes ye saints be living – little enclaves knitted together
Don't be sad my brethren – for this be so much better
This Psalmist resonates to you – blessing to you be given
Receive you thirsty saints for free – in us YESHUAH's RUACH be living

A New Thing

The prophets doth reveal – yes oh Heavenly word
Such pondering and wonder – once the truth be heard
Why the accompanying resonance - of a song to sing
When G_D doth declare – HIS new and awesome thing?

Song of the morning stars did play
G_D laid the foundations of the world that day
Oh yes indeed with new thing - there surely be no yawn
Get ready lovely singers – time to wake the dawn

Moses and Miriam and the children of Israel
Sang of wonders from Mizrayim – done by THE GREAT EL
Yes there be judgments – they have a song as well
In Chronicles we see how the Earth doth tell

Such new things – G_D of Israel doth fight
Jehoshaphat and singers – holy beauty oh so nice
And what of seer Isaiah – the dead arise and sing
A new song to our G_D – HIS temple HE doth bring

Oh do rejoice so grand - for to Tzion returns the King
Such wonders and great joy – oh yes to finally sing
Oh happy Isaiah – so much to thee revealed
So much wondrous news – so many mysteries unsealed

Even G_D's salvation – oh such wondrous fame
For those of course the remnant – who go not by their own name
Then there be the singing – for holy temple built
Pure and lovely sacrifices – never again to wilt

Let us never forget – when G_D HIMSELF did abide
Shekinah in Solomon's day – Israel so humbled and surprised
Zephaniah speaks of song – King is in the midst of thee
Zechariah – hears the song – nations shall come and join in glee

Yes new things be coming – foretold ago so long
Coming round again – can't you hear the song?
Be careful sleeping children - don't tarry – don't delay
G_D's new things you see – they always be at play

Jeremiah hears the song – destruction of Babylon so cruel
There be songs for all new things – even destruction of the fools
Ponder for a moment – ponder and be content
Songs to be sung aloud – for the joy and the lament

Common theme there be though – oh please see it in Torah
The songs be for the Master – the songs be for YESHUAH
From creation til this day – new things be about
The Holy One of Israel – to HIM we sing and shout

Heavens opened wide – did sing their song of peace
YESHUAH came as flesh –glory is and will not cease
Consider all the patterns – consider Messianic prophecy
All the songs be coming – it's YESHUAH can't you see?
Arrival of the King – yes here HE comes to fight
Signs and wonders come with HIM – shining ever bright

Wake the dawn beloveds – sound thy voice and string
Arrives the Morning Star – a new song will you sing
Temple oh so grand – nothing can be silent
Heaven and Earth sing oh so loud – yes our LORD has done it

All patterns be fulfilled – again there will be song
So happy our YESHUAH – waiting ever long
Quicken lovely Spirit – get ready singing soul
Song of Lamb be sung so nice – symphony soon be whole

Sing Chana Sing

Favored but so shamed – lovely but barren left
Oh sweet and lovely Chana – thou be so bereft
Mocked and put to scorn – right within thy home
Doth not thy soulmate – give thee enough shalom?

How thy tears do fall – yes now and all the while
Soulmate he doth try – try to make thee smile
Yet forlorn thou be – impossible now it seems
That the maiden can fulfill – all her lovely dreams

To Shiloh run young lass – plead mercy to the KING
Lift up thy heart so lovely – now to HIM you sing
And hear you yes G_D will – just in the last of time
Deliverance of thy dream – this shall be thy sign

Now our lovely Chana – oh yes she begins to coo
Overcome – for her great G_D did woo
Special blessing – brings on special song
Oh how it plays – even to Mashiach that long

Back we go to Chavah – man-child hath SHE got
How Kayin was her hope – how ELOHIM was forgot
But Chana be remembered – Chana be not forgotten
Elkanah did give seed – from ELOHIM a child begotten

Oh yes lovely Chana – thou doth vow to dedicate
There be real short discussion – even with thy soulmate
For thy mind be clear – thy path be set in stone
Thy way be oh so clear – thy path be surely shown

Now doth Chana sing – against those who do mock
Now doth Chana sing – of SALVATION the ROCK
Now doth Chana sing – blessings for barren forlorn
Now doth Chana sing – lifted be her horn

Now doth Chana sing – against the ones so high
Now doth Chana sing – dead ones lifted to the sky
Now doth Chana sing – of glory that doth await
Now doth Chana sing – of the beloveds and their fate

Oh so lovely Lady – thy song doth beckon so
Sweet resonance so nice – a love song don't you know
For judgment it doth come – to all G_D's enemies
The wicked shall not inherit – bless the saints and coming glory

Sing Chana Sing – YESHUAH be thy song
Sing Chana Sing – a day and forever long
For blessed these days you are - barren thou not be
Now set on high – lifted up with the royalty

Thy song doth sing in Miriam – did we hear it play
Oh so lovely song – she sung so nice that day
RUACH did bend realm – haya intersected her soul
Down across the times – Song of Chana it did roll

Thy song sweet maiden resonates – plays now in this late age
Confounds the wise and haughty – confounds the sharpest sage
For favored yes thou be – thy not-barren song doth ring
Thy song doth usher in – SALVATION, yes the KING

So Chana she doth smile – tears be wiped away
G_D doth surely favor her – blessing her each day
Sing and sing she does – her haya be her song
Bless THEE ELOHIM – saints to YOU belong

Song points to Mashiach – who would this contest
Song of coming SON – last birth be the BEST
Yom T'ruah stars – child in the Heavens given
Chana sings her song – what wonders for the living

Peter's Mantle

Such a special blessing – on Peter it did fall
He listened to his brother – he did heed the call
Emerging as their leader – yes he was so bold
See what is the truth – see how Scripture has us told

There for all the big events – never missing one
Told to feed and tend the others – commandment from the SON
Knew YESHUAH was Mashiach – from ELOHIM he did receive
Faith yes it was bold – left the boat he did believe

Notwithstanding great denial – his faith be such a portrait
Wonderful charge to do – such a gifted fate
Testimony on Shavu'ot – oh the words so grand
Thousands on that day – his words they did understand

Prison could not hold him – like YESHUAH he just did walk
His appointed time not yet come – of the community he was the talk
Passed such great a test – when he told lame one to stand tall
Witness to Goy calling - he testified to all

Discerning yes he was - knew when truth it not be told
Work against the RUACH - dead the two turned cold
Power in his walk - people healed just by his shadow
Path took Peter to Babylon - to the very end we know

Of all the Talmidim - Peter's mantle be so strong
To Peter did YESHUAH give - special blessing song
Though not the first one called - Peter surely was select
Mantle given by YESHUAH - the WORD lets us detect

Like all - our Peter was not perfect
There be some things yeah wrong - some things he might neglect
Perfect wearing mantle though - Messianic mission did he lift
Peter did shine brightly - wearing mantle gift

Unspeakable joy be his - exhort others to never forget
Persecution and temptation - beloveds do not let
The great hope of the appearance - of HaMashiach YESHUAH
Be HOLY for HE is HOLY - stay close to HIS torah

Love each other oh so much - let love shine ever so
Let love withstand iniquity - always love do show
Let elders feed the flock - let elders ever shine
For even stuck in Babylon - G_D's order be divine

Please do make thy Aliyah - Peter doth exhort
From faith up to G_Dliness - this be Peter's report
Finally let love shine - to make election sure
Pure love for G_Dly brethren - this be the how much more

With Peter there be no fables - nay no fairy tales
Messianic mantle - so strong none could assail
Testimony oh so strong - it be ever brave
Stand against false prophets - mantle would not cave

Be wary Nicolatians - thy day shall come real soon
Coming be the darkness - no light from sun or moon
Let the scoffers scoff - beloveds just believe
By revelation faith and love - thou surely shall receive

Peter where be thy mantle - where be so strong witness
Patiently we await - struggling we confess
For latter days be here - Messianic mantle it doth come
Received by oh so few - received sadly just by some

House Love

Yes there be far too many – Nicolations yeah those vipers
Chirping their own song – playing as pied pipers
Vexing all along – so right in their own eyes
Lifting up their own name – right up to the skies

But all generation not be lost – not all be defiled louse
Wheat besides the chaff – there be those in special house
No money changing going on – no prideful idolatry
Yes there be Bereans – look close and you will see

Oh Essenes of old – thy legacy not be dead
Scrolls they still be living – how Nicolations they so dread
In the end how Talmidim – dealt with houses oh so small
Sadly truth and love – on most believers doth not fall

To the Lady of the house – please do nurture and never neglect
Household scribe be truthful – household treasures do protect
Don't fear thou be rebellious – don't think thou be rejected
Sent away from synagogue, church and shul – rejoice thou be elected

Testing everything – destined to be this way
Upstarts and rebels yes accused – From beginning until this day
But thou did only follow – soul desire to love the mishpocha
Having faith in YESHUAH – showing love obeying torah

Psalmist does sing love song – to houses oh so small
To each and every soul inside – yes to one and all
For so corrupt things be – Nicolations upon flesh do feast
Thinking they be saved – while they serve the beast

Though you be so little – yeah seemingly without power
Thou be ever fragrant – lovely tzitzit flower
Turn the other cheek – accused of no authority
Household does not mind – they have loving real community

Tiny little secrets – yes you households be
Living in YESHUAH – yes messianic family
Thy houses yes they be – house of prayer in all the nations
Laboring in anonymity – not worried about high stations

Psalmist sings to thee – thy households be so pleasing
Loving all the brethren – here there be no fleecing
Thy houses be so filled – with gifts of each and many signs
Thy houses getting ready now – households know the times

Psalmist praises ELOHIM – there be hundreds even thousands
Of households standing firm – children numerous as the sands
Crazy to the olam – rejected by leaders, priests and he-goats
How YESHUAH does protect thee – around thee there be moats

House Love be so special – Psalmist prays thou stay the course
There only be YESHUAH – HE be thy household force
Like Bereans from long ago – with RUACH all things test
House Love survives the Nicolatians – House Love be the best!

In the end we'll see – really who was zealous
In the end we'll see – if there be reason to be jealous
For the LORD YESHUAH – will bring false and blind ones yes to see
Who really is beloved – who really is HIS household family

Aliyah Of Glory

From G_D Mo'adim be given – special times for Israel
Woven deep inside – and there be a mystery to tell
Sabbath be holy parent – of all holy times anointed
Mo'adim they be – hidden Messianic Signs appointed

BO YESHUAH BO - waiting far too long
Come take back THY throne - come and take the land
Lead us tarrying KING - take us by the hand

Such power and righteous anger - mankind pay for what you've done
Comes the KING of KINGS - comes the HOLY ONE
No more "we the people" - YESHUAH HE shall rule
Daveed upon the temporal throne - it be ever cool

Cleanse THY house so nice - please hurry THOU DEBIYR
Chanukah be coming - some do look with fear
THY return it be so glorious - fire and the smoke
Run you mortal men - on HIS Pesach glory thou will choke

And how will land be cleansed - holy ones shall carry the ARK
Traveling all around - shouting, blasting - oh the hark
But first the "seventy" doth get smote - oh how could you gaze
Vengeance is the LORD's - oh fools where was your praise?

Don't think because you're Jacob - that you shall get away free
Holy Ark doth cleanse it all - to YESHUAH bend the knee
Town by town the land be cleaned - on Earth a piece of Heaven
All the rebels and unbelievers - months to clean them will be seven

Reconstruct the land - make desert lush and green
Oh YOU KING of Aram - Abraham's inheritance oh so clean
Pave the way for the others - coming from other pen
Taking care of them as well - just like a mother hen

Working up to the frenzy - rebellion doth take hold
Yes we know the story - long ago t'was told
But final bellow sounds - ELOHIM from Heaven commands
There be no fight again - there be no final stand

Away with sin and defilement - finally it be all done
No more strife to come against - the one and HOLY SON
Then there be just waiting - for the sign from Heaven sent
Comes the SALVATION of our G_D - comes the big event.

So listen for the trumpet - wait to hear the sound
Coming KING is anxious - let fear and love abound
Will you hear the shofar - will you hear the shout
Will know what's going on - what this be all about?

Yom HaKippurim Song

Afflict thy souls – yes mortals cry
This be that day – when our souls question why
The LORD Of HOSTS – Soulmate of ELOHIM
Doth the impossible – it be Yom HaKippurim

Oh yes warrior SON – be Pesach haGOEL
Redeeming us with strength – snatching us from hell
But innocent lamb – yes perfect and tender dove
Let mortal man defile – to soothe ELOHIM above

And mortal man be us – oh yes you and me
Afflict the soul so mighty – do it without pity
For each and every soul – did pull and gnaw on flesh
Each and every one – each and every nephesh

How can the soul be quiet – how can the soul be still
Writhing in such agony – knowing my soul it did kill
Guilty in every way – no sin left aside
Oh poor soul do pour out – there be no place to hide

And don't forget the fear – the wrath of G_D to visit
For those who do contemn – those destined for the pit
Sin it be atoned – through bloodshed of the Perfect One
Ozer/Ezer be the same – Soulmate is the SON

Horror did come down – the brutal flesh assault
Our YESHUAH pummeled again and again – cause it was our fault
Unspeakable horror seen – his body became a curse
All sin he did become – horror all the worse

What kind of G_D we have – fashion what cannot be spoken
Send soulmate down to suffer – yes the covenantal token
Ripping out HIS own soul – to give mortal man clean slate
Because THOU hast done this – today my soul I hate

What is this kind of love – forbears everything
Oh my soul doth wish – of this now I could sing
But taring flesh and agony – of EZER in me resonates
Gnashing teeth of defilers – destroying G_D's most lovely soulmate

Momentary loneliness – EZER calling out all alone
Wanting it to stop – wanting to go home
Why hast THOU abandoned me – could there be no other way
Now my soul doth understand – it helped when all did slay

How can there be peace – how can ever joy return
Heart and soul doth cry aloud – how it all doth churn
Ruach it doth plead – affliction please do wane
Affliction be so ominous – how can I stay sane

Now be the time for G_D – THOU know that I do mourn
Forgive me G_D most high – THY soulmate I did scorn
But understand I do now – shadows of THY love reveal
Extent of THY mercy boundless – I know that it is real

Please do spare me wrath – THY anger G_D it seethes
Only for the mourners – blood of EZER does relieve
The fear of punishment eternal – for failing to believe
But not the pain of what I've done – for on this day I bereave

Can I comfort THEE perfect DOVE – hold THEE in my arms so tight
Knowing that I cannot look – upon such a terrible sight
Might my tears of heartache – yes my tears of shame
Be used to clean thy body – I know my mourning be so lame

But affliction needs relief – what say ye when tears run dry
What else can soul do – what else can soul try
Oh yes I hate mankind – as much as THOU doth love
What kind of G_D art THOU LORD – so HOLY up above

Please cover me in blood – you precious wondrous DOVE
In this I shall find – tender mercy and THY love
For ELOHIM THOU did this – to appease HIS broken heart
Thank YOU G_D of all – THY own soul THY ripped apart

Yes woe it be upon me now – what soul deserves to live
What price can there be paid – what of worth be there to give
Oh great G_D of mine – YESHUAH my everything
Affliction over THEE today – it be Yom HaKippurim

Shir Sukkot

Oh please let us sing – yes it's been so long
Let us sing with yada – let us sing so strong
Not by G_D's great power – not by G_D's great might
But ever perfect RUACH – ever just so right

Sing of Jubilee – regathering of everything
Brought home by YESHUAH – this truth we do sing
Sukkot be about family – indeed G_D's before you and me
Let us ponder such GLORY – ponder such MYSTERY

There be EZER and RUACH – and of course the SON
Plurality of ELOHIM – we sing of HIS victory won
Split apart so creation – again could build back up
Coming home again – oh ELOHIM fill THY cup

What a wondrous family – echad yet once again
All of ELOHIM – together in the end
This be the joy complete – this be the end of shalom
Who doth get to witness – when G_D doth gather home?

Better pay attention – no you better not blink
Don't miss this one great chance – the Psalmist she doth think
Our joy it be so full – when great reunion doth take place
Oh see the glorious smile – oh ELOHIM look at THY face

There be talk of beautiful bride – talk of lovely soulmate
What about EZER – what of rented soul's fate
Doth the mortal comprehend – grand celestial reunion
Consider all things as one – ELOHIM'S soul communion

YESHUAH He doth declare – how ABBA doth HIM show
YESHUAH knows the patterns – knows the way that things must go
What of bride and seed – what pattern can we see
What be this wondrous thing – bride, children the entire family?

Of Sukkot we see – picture of holy family
Counted all together – in the place from where they came to be
Back to the “above” – place from where they did depart
Back to the place “above” – from where the ONE did start

Yes our joy is HIS – in unimaginable majesty
Incomprehensible BEING – perfect family plurality
First there be HIS time – joy and shalom for ever more
Then blessings through YESHUAH – to HIS family doth HE pour

Think of how creation – oh yes the great big bang
ELOHIM did speak into existence – oh how the stars they sang
When the CHILD was born – yes how the Angels did sing
When a sinner doth repent – the bells in Heaven ring
ELOHIM doth make all things new – oh yes the greater event
Made possible because – G_D's soul from Heaven was sent
New creation made by ELOHIM's joyous laugh – when finally all come home
Immanu'EL amidst extended family – ELOHIM THOU are shalom

The Psalmist she doth sing – her heart and soul be lit
Considering SOUL returning – oh what a perfect fit
Jubilee what means this – why doth we mortals think of us
Think of ELOHIM's great joy – this be righteous and just

Please sing the Sukkot song – RUACH teach us how to play
Sing thy lovely resonance – teach us what to say
Keep our eyes wide open – yes how we want to see
ELOHIM's great family – enjoy MAJESTIC JUBILEE!
